

Installation

Step 1: Unscrew the white plastic ring of the lamp holder.

Step 3 : Install the removed plastic ring into the bottom of the lampshade to fix the lamp holder.

Step 5: Thread the black trapezoidal accessory into the suspension wire, then insert the wire into the ceiling plate.

Step 2 : Place it on the top of the lampshade.

Step 4 : Remove the black trapezoidal accessory from the ceiling plate.

Step 6: Adjust to the appropriate length and tighten the trapezoidal accessory.
