Please look in carton for hardware packs .

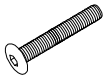

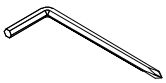

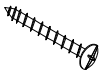

CONSOLE TABLE

Parts List

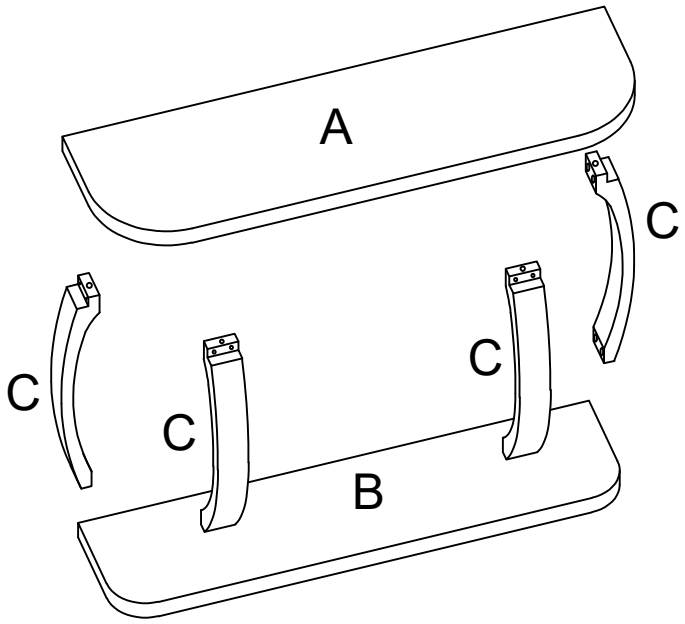

Label	Picture	Description	QTY
A		Table Top	1
B		Table Base	1
C		Table Leg	4

Hardware

Label	Picture	Description	QTY
①		Bolt(M6*45mm)	17
②		Flat Washer	17
③		Wrench	1
④		Adjustable Leveling Glide	4
Tipover Restraint Device Hardware			
⑤		Anti-tip Wall Bracket	2
⑥		Expansion Plug	2
⑦		Long Screw(M4*40mm)	3
⑧		Short Screw(M4*12mm)	3

Assembly Preparation

Before Beginning Assembly:

① X17

② X17

③ X1

④ X4

⑤ X2

⑥ X2

⑦ X3

⑧ X3

- Read instructions, cover to cover-
- Have 2 adults on hand for assembly-
- Do not assemble on flooring or carpet-
- Assemble on a clean non-marring surface (packing foam)-
- Save all packaging until finished-

Assembly Steps

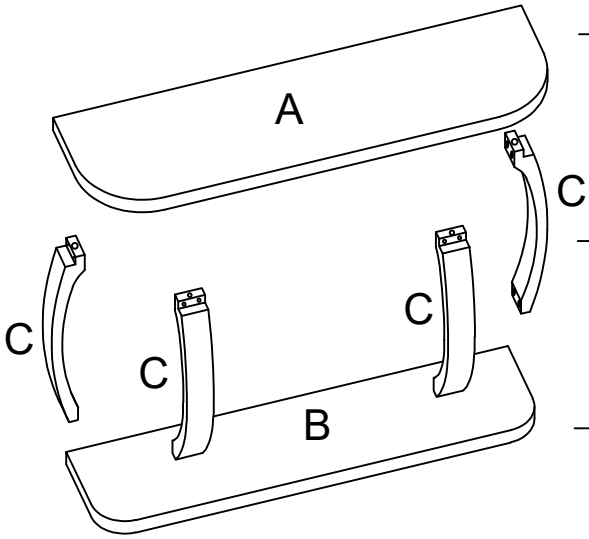

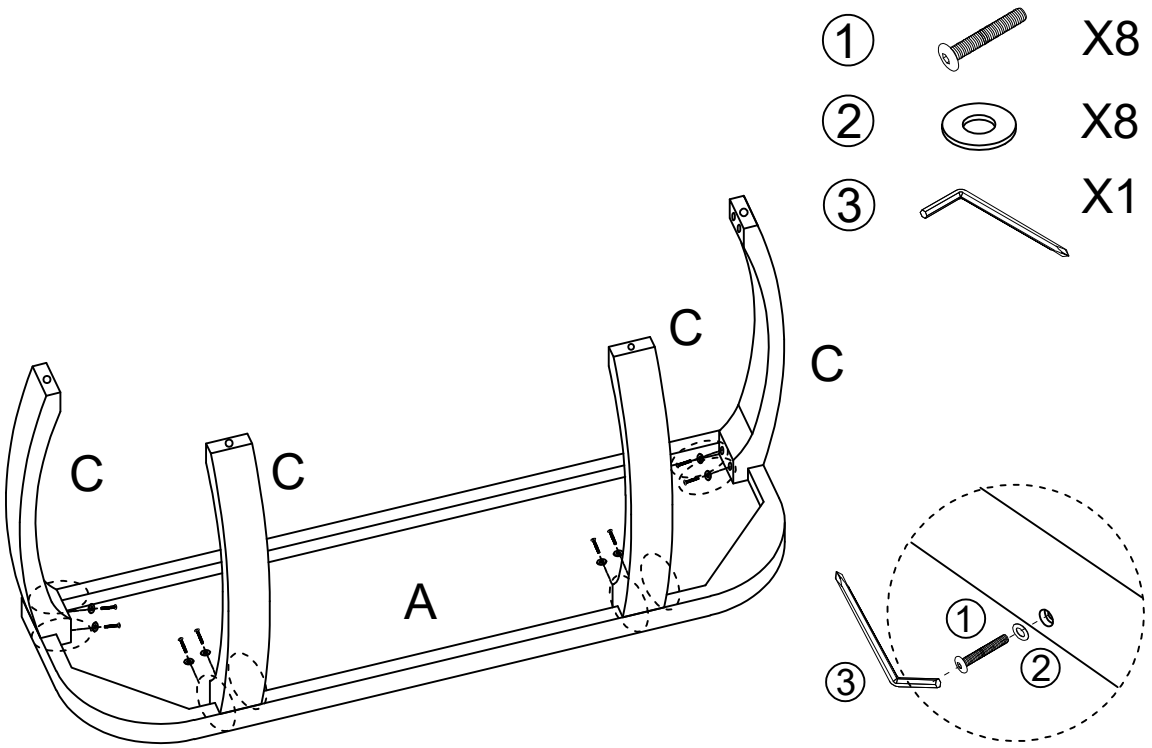

Table Top(A)

Table leg(C)

Table base(B)

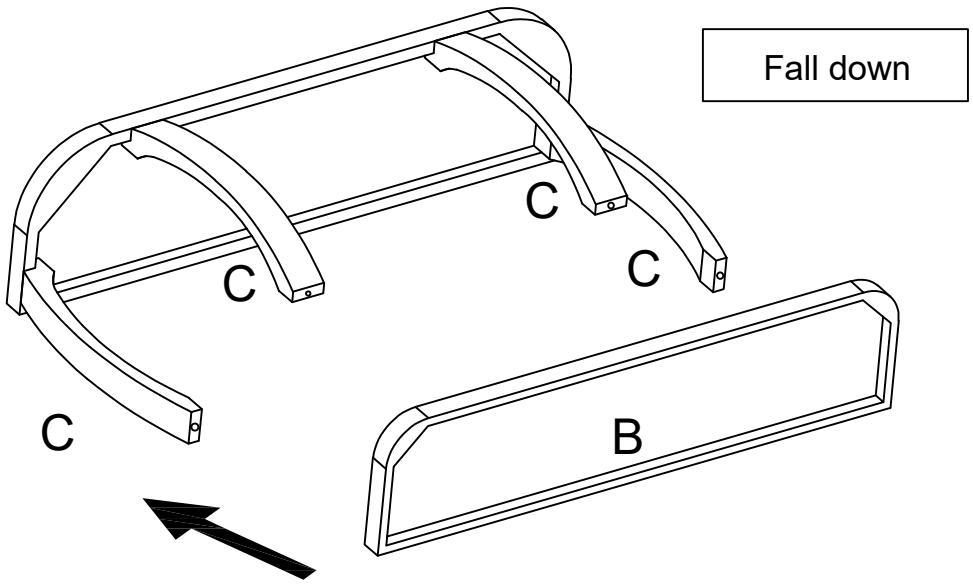

This console table has multiple parts and may require up to some 25 minutes to assemble.To give you an overview of the console table parts, the above picture is to help you put thevarious parts into perspective.Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

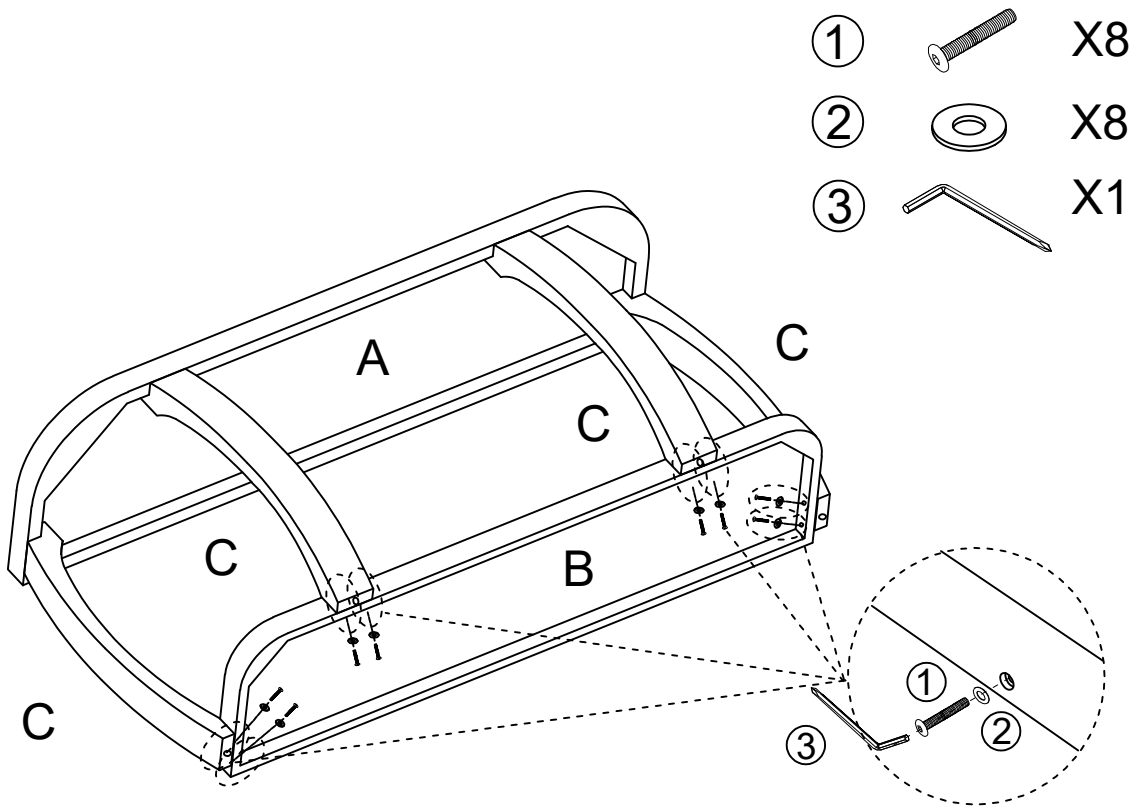

Attach table leg(C) to table top(A)with bolt(①)and flat washer(②) using wrench(③).

Step 2

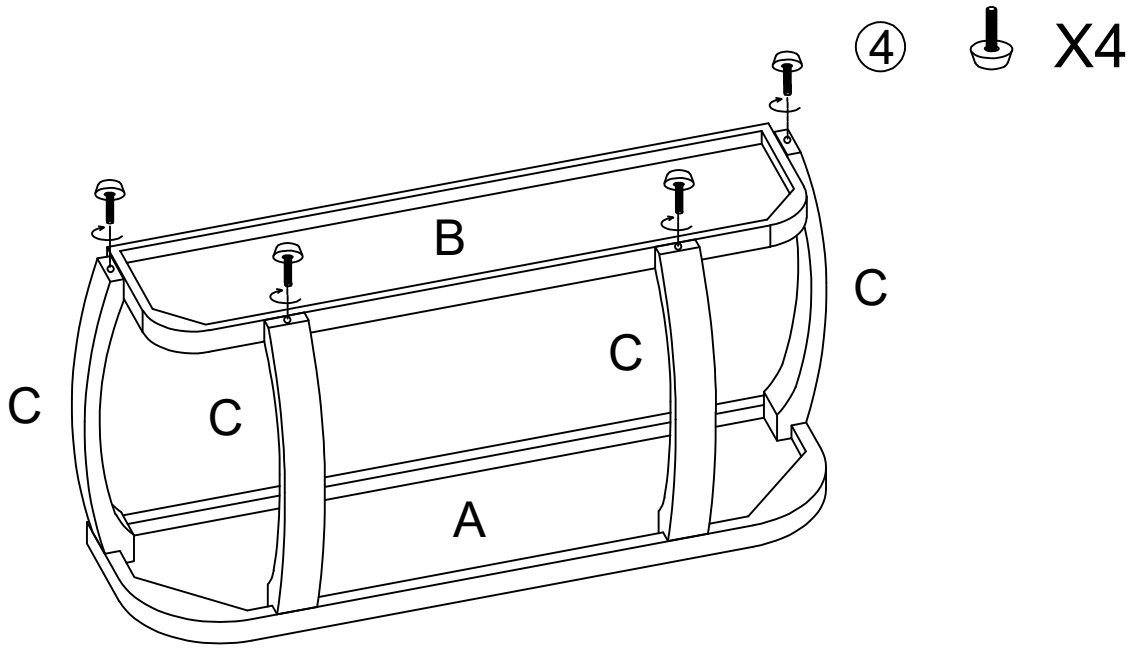

Place the assembled table top(A) together with table leg(C) on its side, Align the table base(B) with the table leg(C).

Step 3

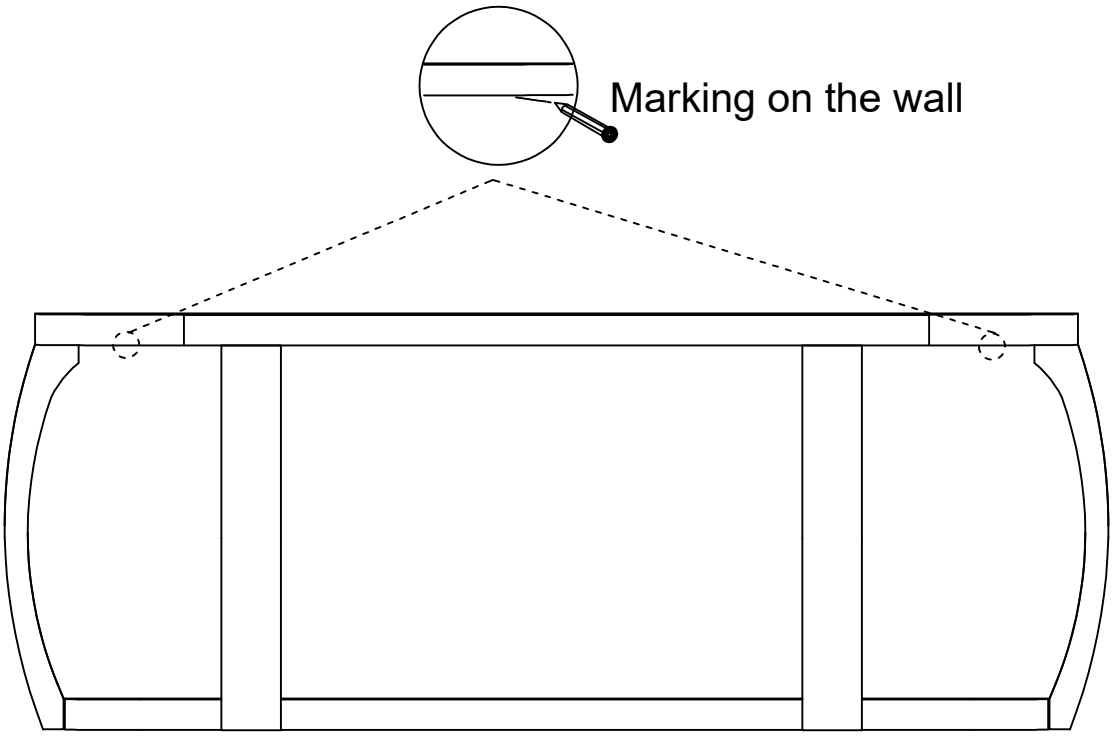

Attach the table base(B) to the table leg(C) with bolt(①) and flat washer(②) using wrench(③).

Step 4

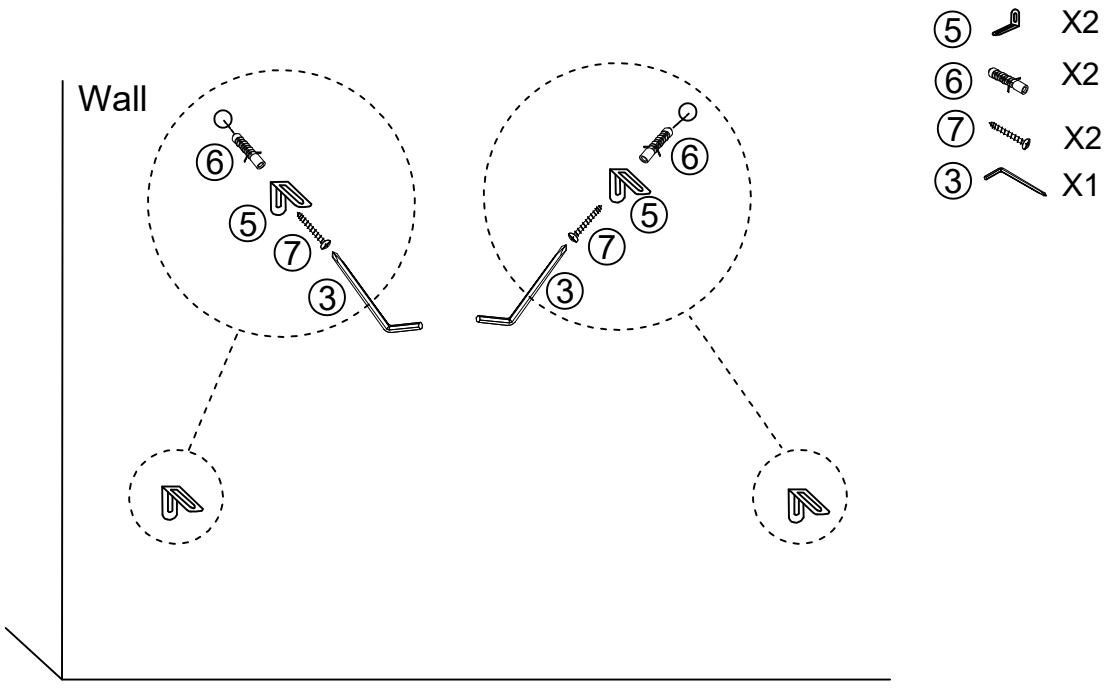

Screw the adjustable leveling glide(④) into the table base(B).

Step 5

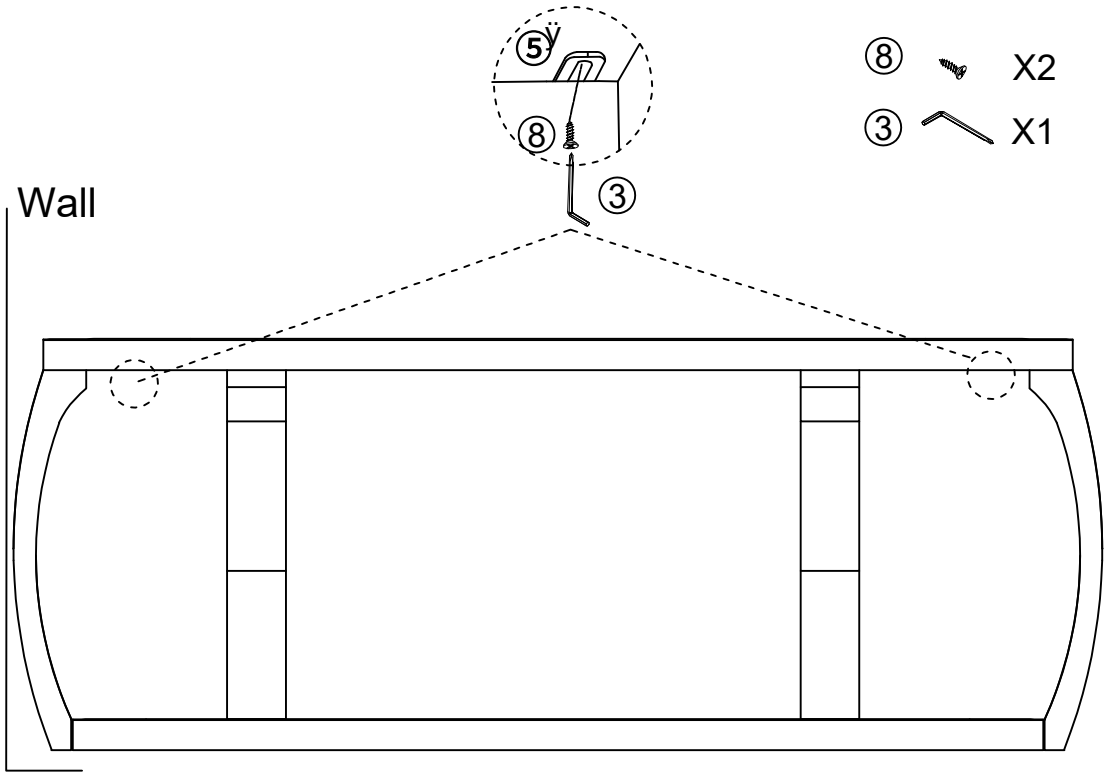

Place the console table against the wall. Mark the positions for the expansion plug on the wall.

Step 6

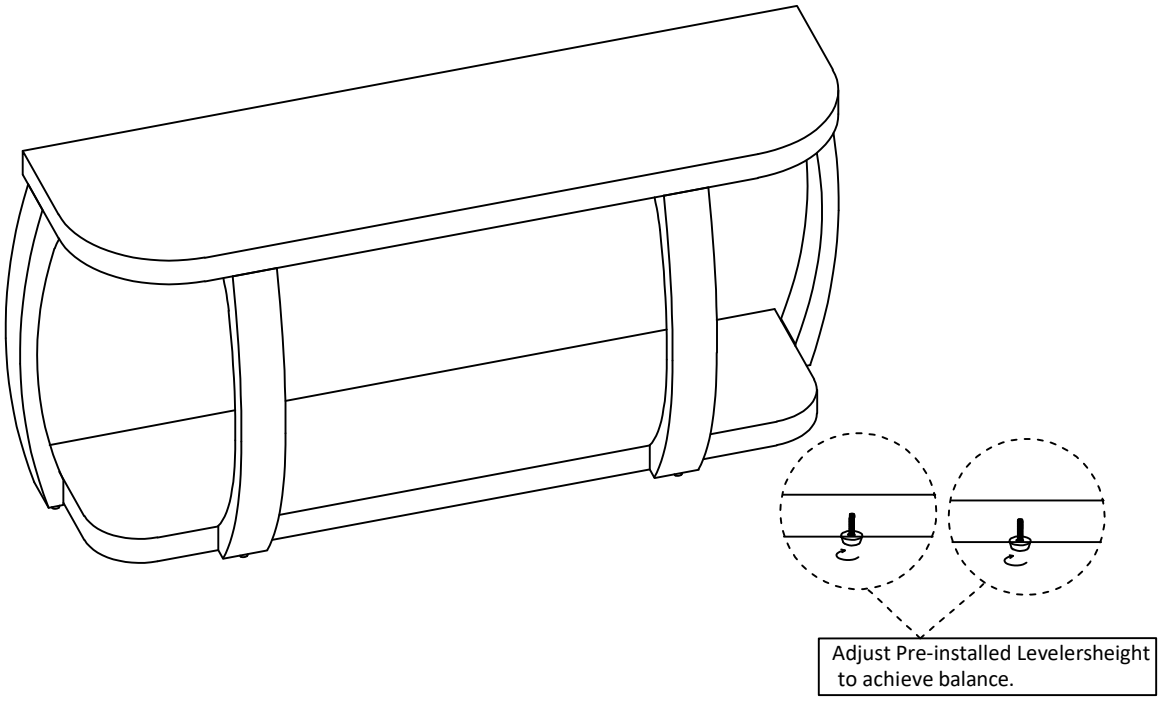

Drill holes on the wall in marking position, insert expansion plug(⑥) into the holes, align with the expansion plug(⑥),install the short side of anti-tip wall bracket (⑤) on the wall with long screw(⑦) using wrench (③).

Step 7

Attach long side of anti-tip wall bracket (⑤) at the bottom of table top (A) with short screw(⑧) using wrench(③).

Step 8

The console table is ready to use.

Questions &Answers about proposition 65

what is proposition 65?

proposition 65 requires businesses to provide warnings to californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that californians purchase, in their homes or workplaces , or that are released into the environment. BY requiring that this information be provided , proposition 65 enables californians to make informed decisions about their exposures to these chemicals.

proposition 65 also prohibits california businesses from knowingly discharging significant amounts of listed chemicals into sources of drinking water.

proposition 65 requires california to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately90o chemicals since it was first published in 1987 .

what types of chemicals are on the proposition 65 list?

The list contains a wide range of naturally occurring and synthetic chemicals that include additives or ingredients in pesticides , common household products, food , drugs , dyes , or solvents. Listed chemicals may also be used in manufacturing and construction , or they maybe byproducts of chemical processes, such as motor vehicle exhaust.

what does a warning mean?

If a warning is placed on a product label or posted or distributed at a workplace , a business, or in rental housing , the business issuing the warning is aware or believes that it is exposing individuals to one or more listed chemicals.

BY law, a warning must be given for listed chemicals unless the exposure is low enough to pose no significant risk of cancer or is significantly below levels observed to cause birth defects or other reproductive harm.

where can get more information on proposition 65?

If you have specific questions on the administration or implementation of proposition 65, you can contact oEHHA's proposition 65 program at p65 . Questions@oehha. ca. gov, or by phone at (916)445-6900 .
