Defined by simplicity and elegant proportions, Spadina is thoughtfully designed with style and ergonomics top-of-mind. Featuring a clean, one-piece seat and a gracefully curved backrest, this sofa is made to cradle you in comfort as you kick back. Exposed, sculpted legs in solid ash add a hint of Scandinavian style to cap off the most sophisticated lounging experience. The Spadina is also available as a sofa.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Spadina Chair

- Please add this before the Constructed bullet point - Faux wool fabric is 100% recycled PET, eco-friendly and upcycled from 82 recycled plastic water bottles.
- Constructed with a reinforced inner frame, featuring a Dacron-wrapped moulded foam body and built-in suspension for long-lasting durability.
Dowel legs are crafted from kiln-dried, FSC®-Certified (FSC® 092551) solid ash, in support responsible forest management. By purchasing this product you help take care of the world's forests. Find more information at www.fsc.org
- It is normal for solid wood to expand and shrink because of variations in environmental humidity. A consistent humidity level of approximately 50% is recommended to prevent cracks and surface splits.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
- Non-marking leveler feet can be adjusted for stability on uneven floor surfaces.
- Manufactured to comply with California Prop Phase 2 standards.
- Manufactured to meet California TB117-2013 fire safety standards without the use of flame retardant additives in the upholstery foam.
- All fabric is California TB117-2013 certified and double rub tested.
