INSTALLATION OF GLASS COVER NAIL BEADS

① String the small accessories onto the screws in the above order.

② Thread the threaded screws from the inside of the pot cover into the installation hole for the nail beads on the pot cover.

③ Place a stainless steel cover above the screw.

④ After installing the nail beads, tighten them to complete the installation.

WARNING:

Remember to follow the installation steps above in the installation sequence.

When tightening the screws, do not use brute force and easily tighten until the pot cover does not shake! If you have any questions, please contact customer service for answers!
