

Morrison Wall Clock 625404

Wooden Wall Clock: The Morrison wooden wall clock features a Black Coffee finish on premium hardwoods and veneers. The dark coffee is offset by the bright nickel-finish, creating a perfect contrast. Part of the renowned Studio 24 Collection by Howard Miller, this clock is crafted to provide both time-telling capabilities as well as a decorative flair.

Modern Design: This contemporary rectangular wood wall clock features a curved front with recessed brushed nickel-finished bands, offering a wholly modern look. Complementing brushed nickel-finished hands complete the look, as well as the numberless face. Together, all these features combine into one luxurious wall clock.

Bold Styling: The curved pendulum bob of this modern wall clock is also finished in Black Coffee to create a bold look for the piece. Supported by a bold brushed nickel-finished stick, which matches the case, the Morrison wooden wall clock will become a statement piece for any office or home.

Quartz Movement: Howard Miller is well known for its fixtures which are both decorative and functional. The quartz, battery-operated movement of this modern wall clock requires two AA sized batteries (not included) for operation.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
