

Unser Manual

【Specifications】

Product Size:	81.5*51*53cm
Product Weight:	13.5kg
Package Size:	59*72*25cm
Package Weight:	15.64kg
Material:	Rubber Wood, Rattan, Wrought Iron Screws
Package Contents:	Legs*4, Seat Plate*2, White Panel*2, Backrest*2, No. 1 Screw*24, Iron Sheet*4, No. 2 Screw*16, Linner six -Way Wrench*2

【Installation】

Step 1: Align the seats with the two legs, align the screw holes of these seats and leg, and insert the screws from the inner holes of the seats into the holes of the legs.

Note: A total of 8 No. 1 screws are required.

Step 2: Place the mesh spacers in the middle of the cross brace, centered and aligned.

Step 3: Use a Phillips screwdriver, Iron sheets and #2 screws to secure the cross brace at the quarter of the sides. Make sure they are on the diagonal of the cross brace (as shown in the picture).

Note: A total of 8 No. 1 screws are required.

Step 4: Align the backrest and armrest holes, tighten the screws with the inner six -way wrench to complete the installation.

Note: A total of 4 No. 1 screws are required.

【Note】

1. Make sure the screws are aligned with the holes before tightening the screws.
2. To prolong the life of the product, do not use it in a humid environment or outdoors.
