STEP: 10

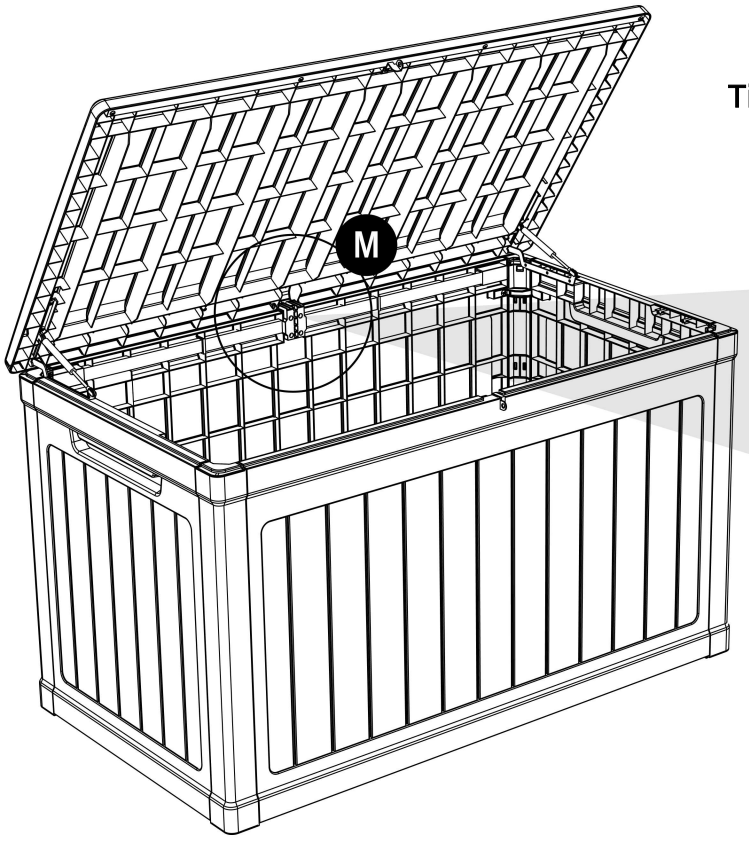

Assemble 2 Hydraulic Rods (#H) to Side Panel (#C)with 6 Screws

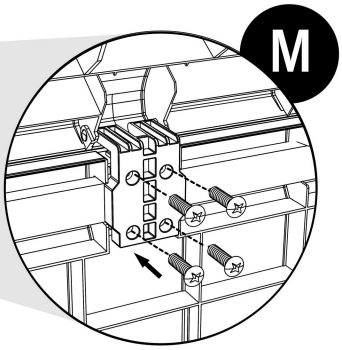

M (×4)

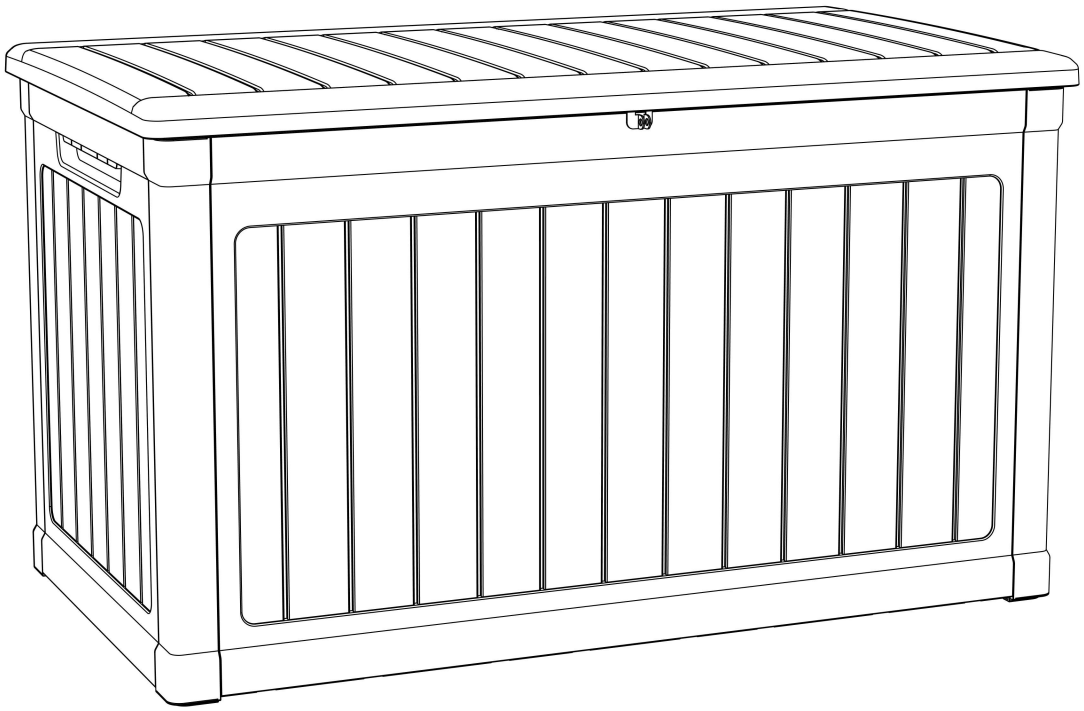

STEP:11

Tighten Plastic Hinge (#E) with 4 Screws.

Installation completely

Product Use and Maintenance Recommendations

1.At regular check the deck box to ensure that it's stable and assembly integrity has been maintained.

2.This deck box should be far away from the open flame.

3.If use outdoor, please keep the deck box in a dry and flat place and covered with rainproof cloth on the roof

4.If the environment permits, install the deck box in a cool place, as prolonged expo-sure to direct sunlight may deform the panel and accelerate aging.

5.Do not store hot items(recently used grills, blowtorches etc.),flammable or caustic chemicals in the deck box.

6.Wash with a mild soap and water if there is any stain on the deck box. Do not use a stiff brush,bleach,ammonia or any other caustic cleaners, as these may damage the deck box or could result in permanent staining of the plastic. This is not manufacturing defect and is not covered under warranty.
