Tips for Assembly and Safety:

1. Assemble the Frame First: Do not open the compressed packages until the sofa frame is fully assembled.
2. Allow Cushions to Expand: Compressed back cushions and pillows need up to 72 hours to fully expand for optimal comfort.
3. Keep Children Safe: Keep children away from plastic bags or small parts to avoid potential hazards.

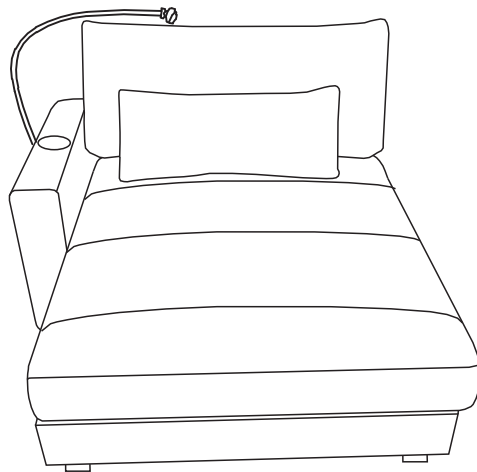

Step 7: Assemble the cushions

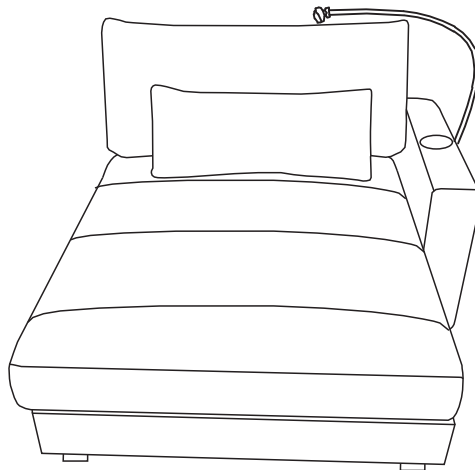

The seat and back cushions need 48 hours to decompress and fully inflate before using them.
