It is suitable for families, hotels, restaurants, parties, weddings, dining rooms, birthdays, dessert shops, coffee shops, steakhouses, and other places/occasions, and can be matched with a wood table, glass table, marble table, metal table, etc. It can be used as a decoration, matched with a variety of styles of furniture, and can be placed under cups, tableware, vases, and ashtrays.

Notes

1. Please confirm the dimensions and style before purchasing.
2. Please note that the product needs to be stored in a dry place.
3. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
