REFERENCE
READ CAREFULLY**

See enclosed instructions for safety and care information.
Failure to follow the warnings could result in serious injury.
Handle heavy parts with care.

This product is intended for **Domestic Use** only.

This product should only be used on firm, level ground.
Ensure the product is always placed on level ground.

Furniture can be dangerous if used incorrectly or maintained poorly. Keep your furniture in a good condition at all times. No liability will be accepted for damage or injury caused by failure to follow the care and maintenance guidelines.

Dos

Unwrap all packaging materials and place the components on suitable surface to prevent scratching your product.

We recommend the use of furniture covers to protect your product when not in use.

Cushions should be cleaned following the care

instruction on the label.

If the set is stored outside then we recommend that cushions are brought inside for storage and protection.

Torrential rain! No problem, just shake it dry. Red Wine, Drinks & Sauce spillages! It's no problem, just wipe it off.

To clean the product, a pressure washer or jet wash on a wide spray can be used at a minimum distance of 1m from the product. Do not aim this directly at the joints of the furniture. Alternatively it can simply be wiped down by hand with a damp sponge and a weak solution of soap and water.

The feet on our all-weather wicker products are made from recycled PE materials. We would however still recommend lifting the products to move the items instead of dragging them which may cause some damage to either the product or the area in which you choose to use them.

Don'ts

Never drag furniture when moving it, always lift it.
Never tilt the chair or sofa during use.
Do not stand or climb onto the product.
Do not sit or lean onto the arms/rims of this product.
Never use scourers, abrasives or chemical cleaner.

This is a pre-assembled product.

Be careful! This product has folding mechanism, keep your fingers away from folding mechanism to avoid pinching. Ensure the product is always placed firmly on the ground.
