

Foam Climb Set

Designed to combine softness, style, and playful support.

Multiple ways to play

Foam Climb Set (Recommended Age: 36m+)

This Soft Play block set is designed to spark imagination as children build, stack, and explore new structures. This versatile set is ideal for developing motor skills, coordination, and spatial awareness.

Cleaning & maintenance

Use a clean, damp cloth or sponge with mild soap, non-bleach detergent, or general-purpose cleaner.

WARNING

1. Keep the product away from fire and heat sources.
2. Do not let your children remove the foam from the cover or play with the zipper.
3. If wear or tear occurs, discontinue use and contact us.
4. Always supervise children while in use to ensure safe operation of this product.
5. Use the foam blocks in a spacious area, away from stairs and hard or sharp surfaces. Ensure the play area is clear of obstacles or hazards.
6. Avoid placing heavy objects on or underneath the product.
7. Do not allow children to throw the foam blocks, as this could lead to accidents or injuries.
8. This product is not intended for sleeping.
9. Keep foam blocks dry at all times. Prolonged exposure to water can damage the foam, causing it to lose its shape and structure.
10. Adult supervision required. Never leave children unattended. Do not place unit near high heat or moisture.
11. CHOKING HAZARD – Small parts. Not for children under 3 years.

MADE IN PRC

WARNING:
CHOKING HAZARD – Small parts.
Not for children under 3 yrs.

How to Use After Receiving?

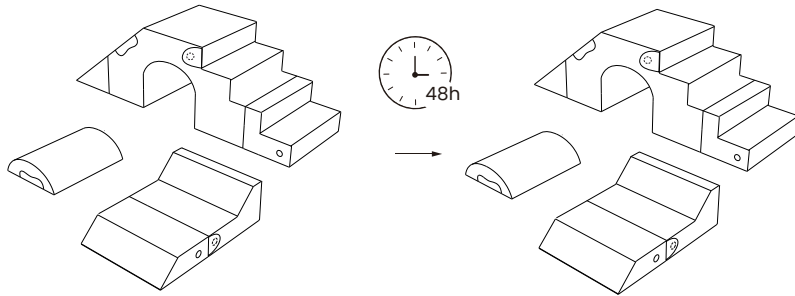

⚠️ WARNING

Adult assembly required.

⚠️ WARNING

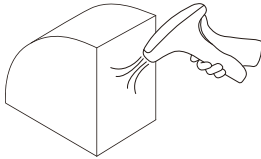

Use scissors to open the package with caution to avoid damaging the product inside.

1. Unbox and lay out all the foam pieces on a clean and flat surface.

Please allow the foam mat to fully expand and stabilize for 48 hours before use.

2. Please note that wrinkles on the fabric may take time to smooth out as the material settles. You may use a low-temperature steam iron to speed up this process.

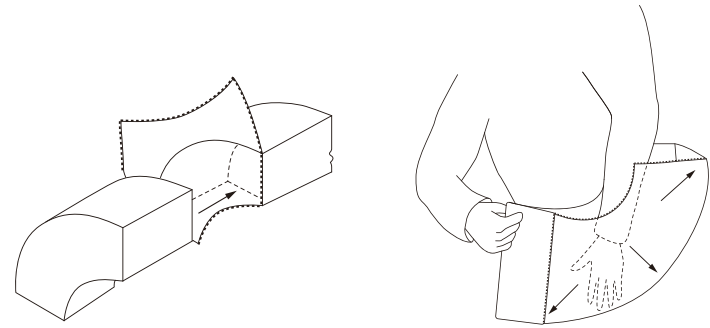

How to Reattach the Covers to the Foam Pieces After cleaning?

1. Unfold the cover and place it flat on the floor with the zipper facing up.

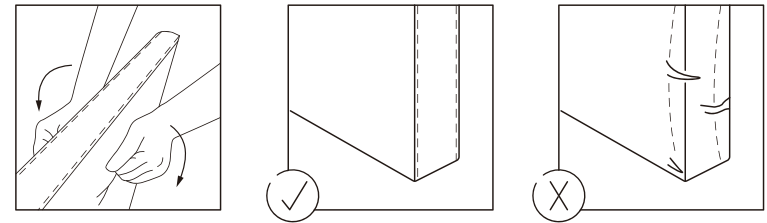

It is recommended that two people assemble this product to complete the following steps.

2. Insert each foam block into the corresponding cover, ensuring the shape of the cover matches the foam block's shape.

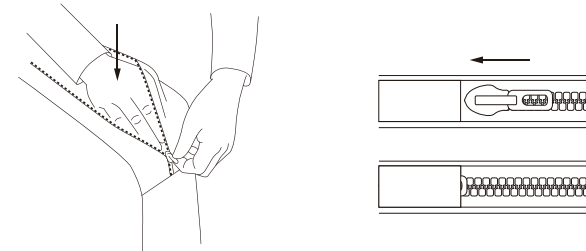

3. Using your hand, gently smooth out the foam from the inside. Start from the middle of the pad and move towards the corners, ensuring the foam is evenly distributed and properly placed inside the cover.

4. Once all the foam pads are in, smooth out any wrinkles or creases by pulling on the fabric carefully. You want to make sure that the seams of the fabric and the edges of the foam are aligned.

- ! Take your time, this step may take up to **1 hour** to achieve the best results.

5. To close the zipper, gently push the foam inside the cover. Slowly zip up and make sure to tuck the zipper pull underneath the flap to hide it completely.

Note: Fabric may wrinkle after washing. Use a low-temperature steam iron to smooth.
