- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

Overview

This Pet Bed has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Take the Wooden Legs (B) out of the carton box to prepare for assembling them onto the Pet Bed (A).

Step 2

Turn the Pet Bed (A) upside down and place it on a soft, clean surface to prevent scratches. Align each Wooden Leg (B) with the pre-drilled holes at the Pet Bed. Insert the leg screws into the holes and tighten them clockwise until all legs are firmly secured.

Step 3

Complete assembly, flip the Pet Bed.
Your Pet Bed can only be used on a flat, level surface.
