Notes

1. Please carefully check if the size is suitable before placing an order.
2. Please note that it cannot be installed on sloping ceilings.
3. Please note that the lighting coverage area is for reference only and depends on the bulb wattage and voltage.
4. Please note that the bulbs are not included, and you need to prepare 9 E12 bulbs yourself.
5. Please read the instructions completely before installation and use, and pay particular attention to the safety instructions included.
6. Please use the lamp within the applicable voltage range and clean the lamp regularly. Please cut off the power supply when cleaning the light or replacing light bulbs.
7. Please allow for slight color differences caused by the shooting light and a 1-3cm error due to manual measurement, and make sure you do not mind before ordering.
