INTRODUCTION

Thank you very much for choosing our vanity. Please read the instruction carefully before assembly and keep it for future reference. If you need further assistance on assembly, please contact our customer service through email.

TIPS

1. When installing the product, use a soft underlay (such as carpet or cardboard) to avoid scratching or damaging the surface of the product.
2. Don't tighten screws completely at first, just in case parts were assembled wrong and need disassemble. Tighten screws at last when all parts are put together.
3. The structure of this product can not meet the requirements of the placement of heavy items and children climbing.

BLUETOOTH MANUAL

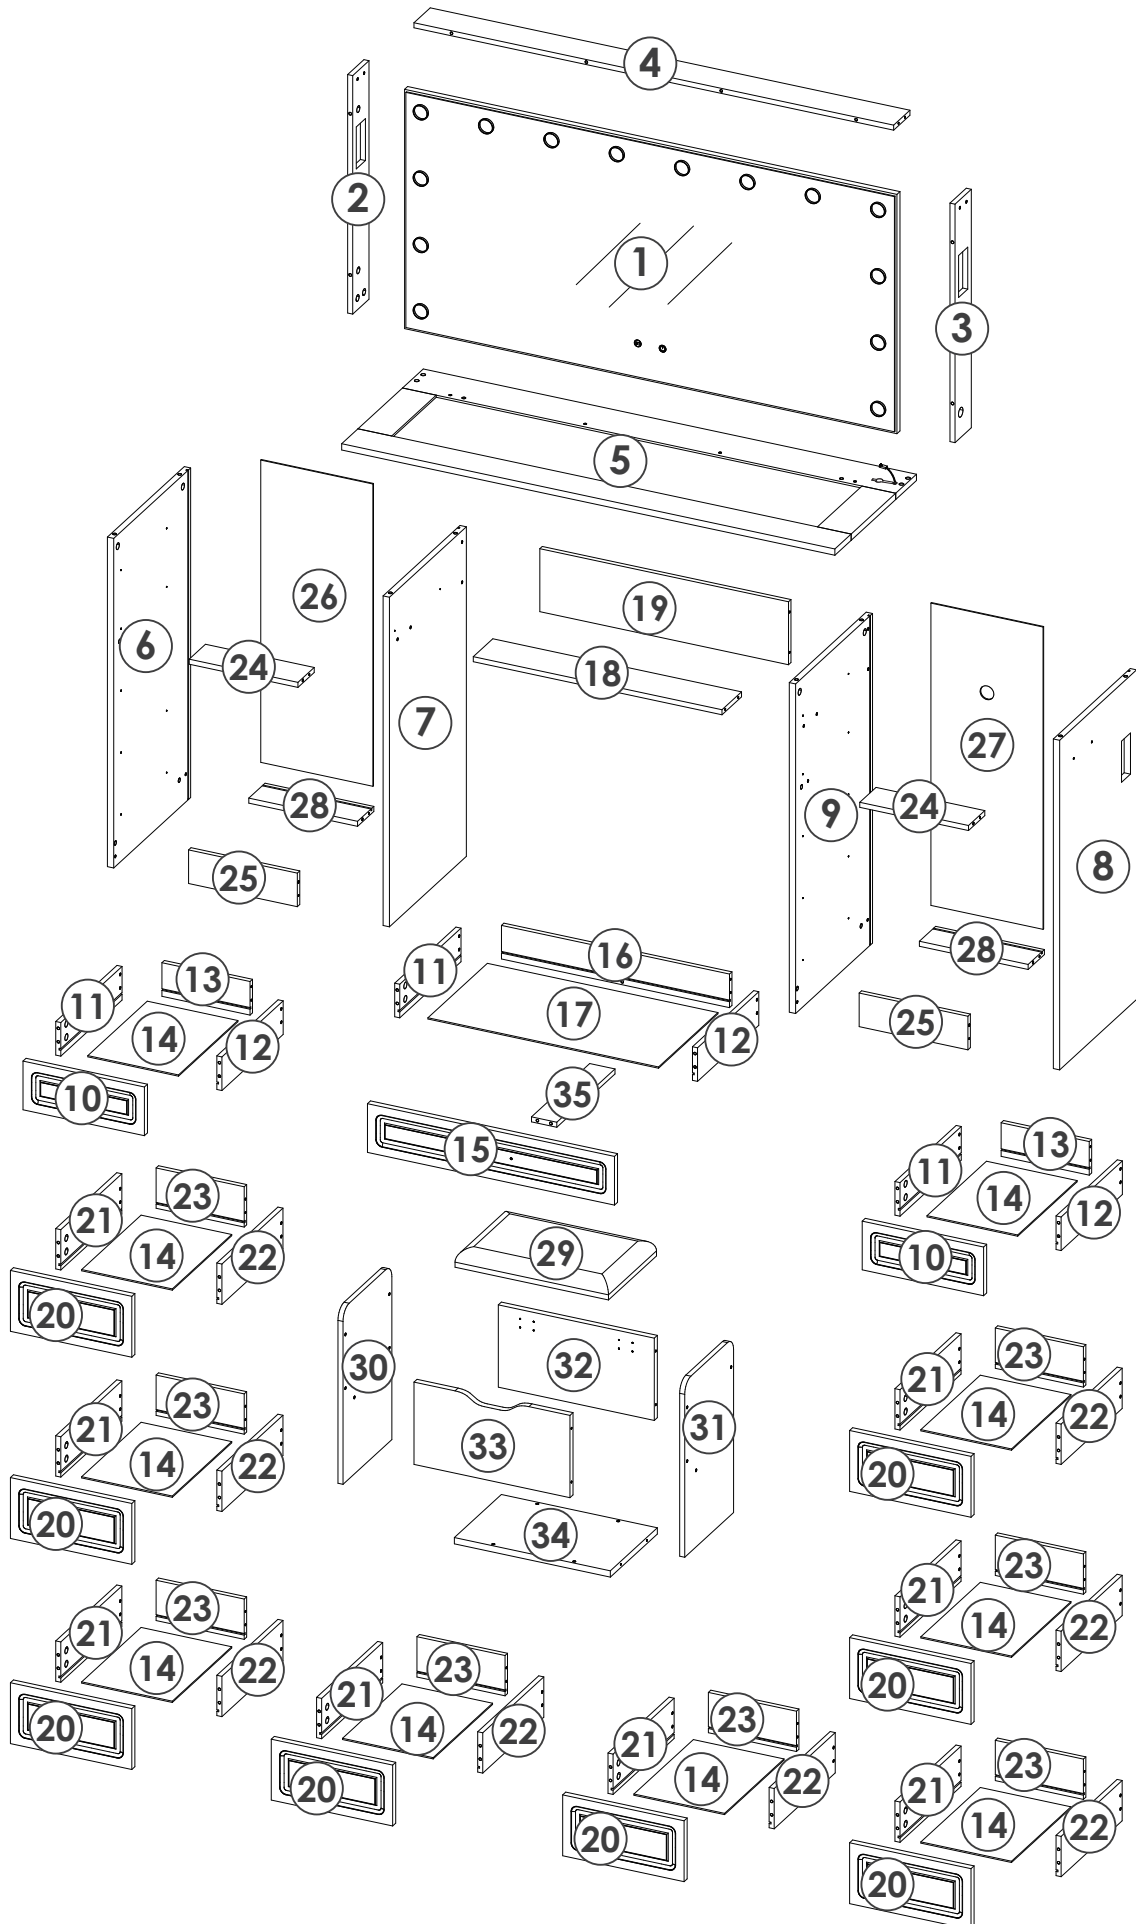

BLUETOOTH NAME: BT-MIRROR

After the product is powered on, click to connect and confirm, and then you can use the Bluetooth speaker. The mobile device can adjust the play volume and the volume level. When the mobile phone is not an iPhone, it is recommended to enter the settings item after the Bluetooth name, and turn on this setting point to synchronize the Bluetooth device and volume with the phone.

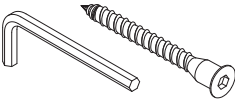

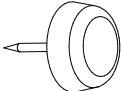

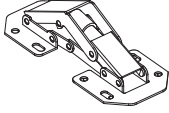

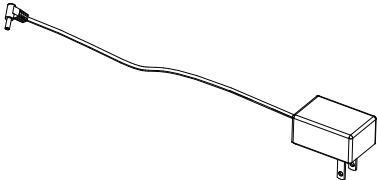

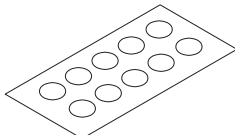

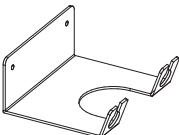

NOTICE:

1. Don't close to the magnetic and electric field, and avoid the direct light and heating appliance.
2. As the mobile WIFI and Bluetooth are using the same channel, the signal and data may interference each other when use together. Herein the download speed will be slow. If listen to the music on line, the slowing download will cause the problem of intermittent music playback.
3. Due to the different version from Bluetooth module manufacturers, some mobile phones may have the playing jam or connection lost problems. It causes some of mobile phones can't synchronize the time and date automatically.
4. The longest connection distance of Bluetooth 15 Meters is a theoretical distance without any barrier. In fact, it should be 3 to 10 meters under the actual environment. The human body is a main barrier so please make sure the Bluetooth speaker is kept within 10 meters away from the mobile phone and without any barrier such as wall or other electrical appliance.
5. Need to re-connect the Bluetooth if it is disconnected.
6. There will be slight sounds when the blue tooth signal connected. It is normal.
