ACCENT

ASSEMBLY INSTRUCTIONS

IMPORTANT SAFETY INSTRUCTIONS

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

1. Safety Instructions

When using the product, basic safety precautions should always be followed to reduce the risk of injury including the following:

- This product must be assembled by an adult.
- Wearing gloves during assembly is highly recommended.
- Keep children and pets away while assembling the product.
- Do not let children climb on or play with the product.
- Always use the product on a firm, level ground.
- Do not use this product if any parts are missing, damaged, or worn.
- To avoid scratching the floor, assemble the product on a soft surface, such as a carpet.
- Do not over-tighten the fasteners.
- Regularly examine the product for wear and tear. Stop using the product at the first sign of damage or if parts become detached.
- Do not use power tools to assemble the product. Power tools may strip or damage the parts.
- Do not stand on the seat.
- Do not sit on the armrest.
- Keep all sharp objects away from the upholstery.
- Do not hang anything on the product.

2. Assembly

- For additional illustrated assembly steps, refer to the end of the written instructions.

3. Before First Use

- Suffocation Hazard: Packaging materials and small components such as screws, bolts, and other fasteners can pose a suffocation hazard. Always keep these parts out of reach of children and pets during assembly and ensure they are securely fastened to the product to prevent them from becoming loose over time.

- Children's Safety: Never leave children unattended with the chair. Teach children not to play with the chair, as it is not a toy. Climbing on the chair or playing with its moving parts can lead to falls or injuries. Additionally, ensure the chair is adjusted to a safe and appropriate height for children's use to prevent their feet from dangling, which can cause discomfort or pressure.

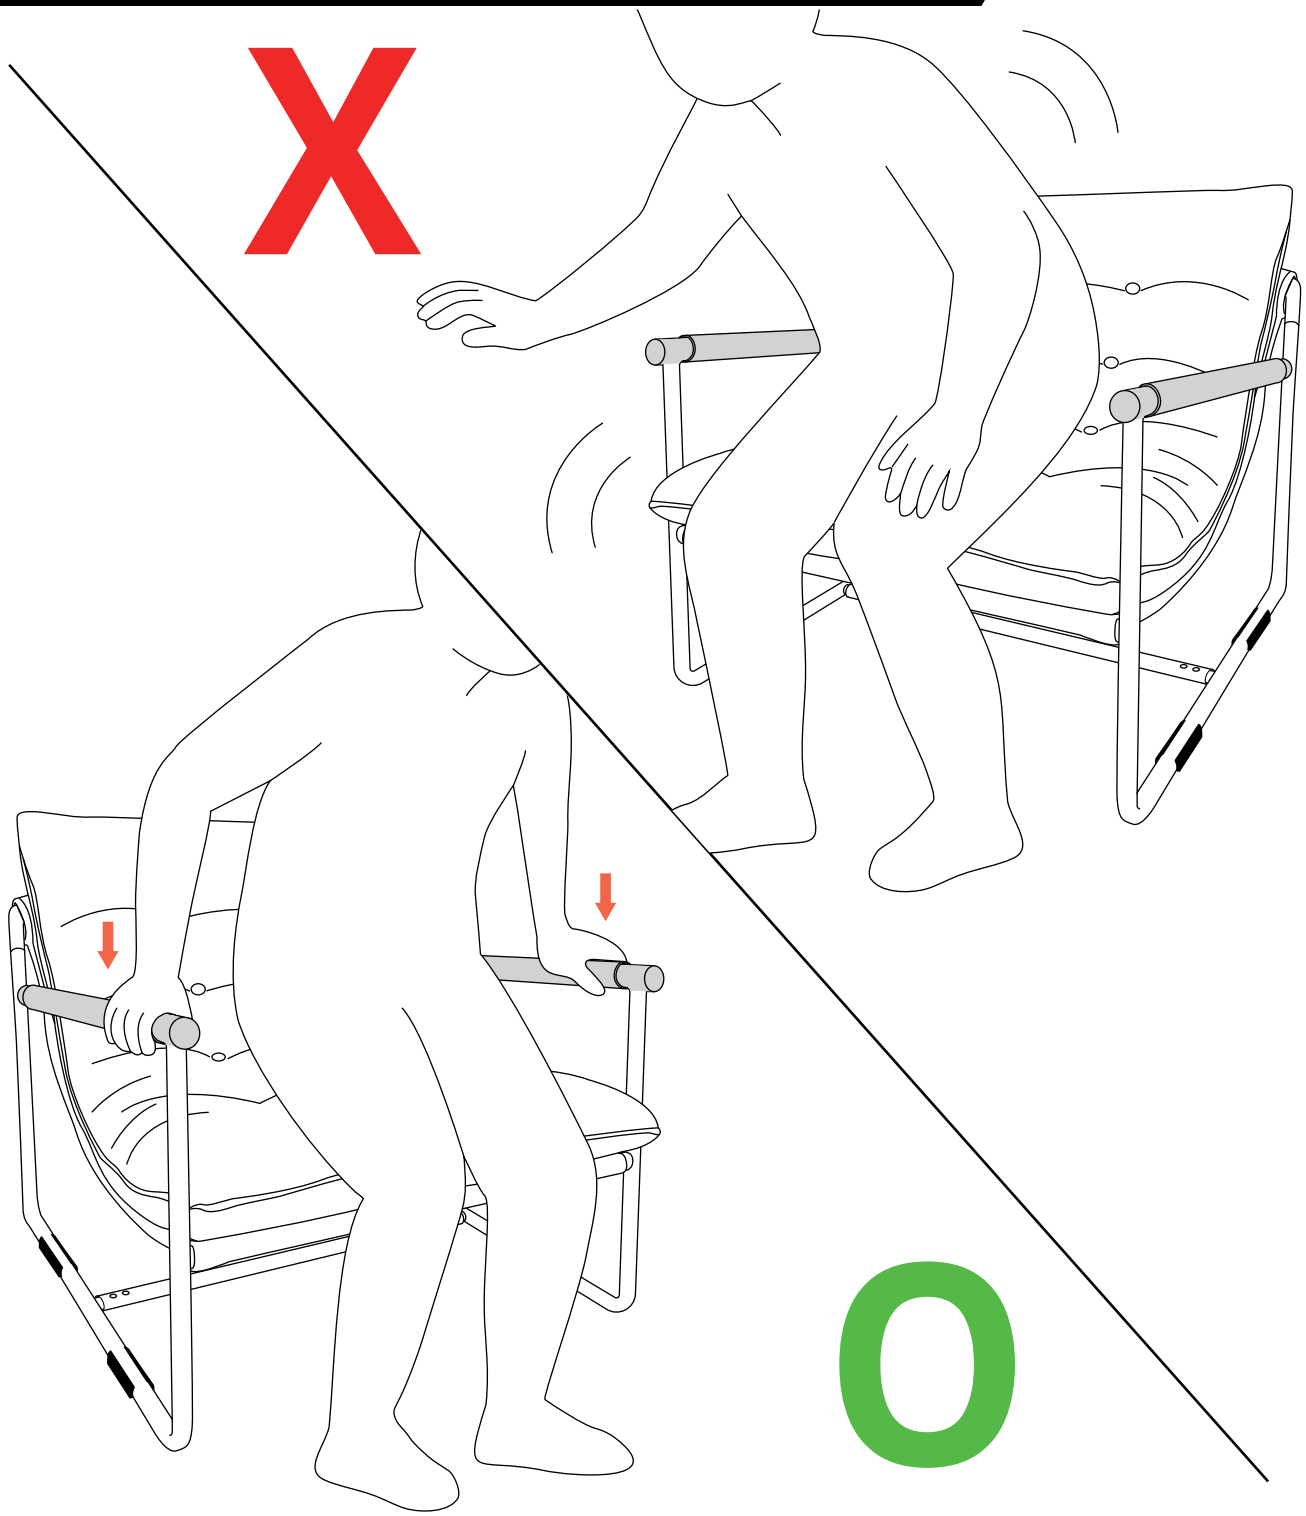

- Pet Safety: Be mindful of pets around your chair products. Pets, particularly those with a tendency to chew or claw, can damage the chair or even ingest small parts, leading to potential injury or health issues. Consider using protective covers or deterrents if your pets are known to chew on furniture

- Remove all the packing materials.

- Review all components before assembly. Check the product for transport damages.

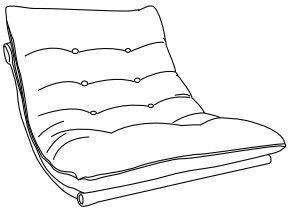

PRODUCT PRECAUTIONS

⚠ USE CAUTION WHEN SITTING DOWN OR STANDING UP

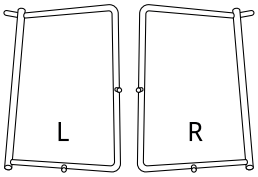

This chair has a low seat height. Use caution and hold the armrests when sitting down or standing up, as loss of balance may occur, especially for elderly users or those with limited mobility.

※Please make sure all the parts are included.

(ALLEN KEY)

⚠ NOTICE

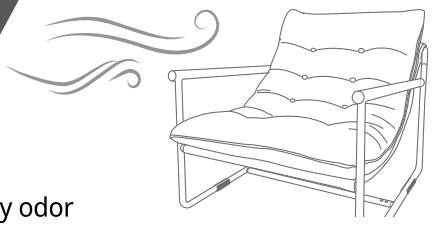

Do not tighten the bolts all the way before each bolt is in place per step.

Please use the **Allen key** included instead of an electric drill.

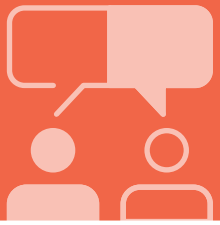

TIPS!

To remove any odor
leave the chair outside in a shaded area for 1-2 days.

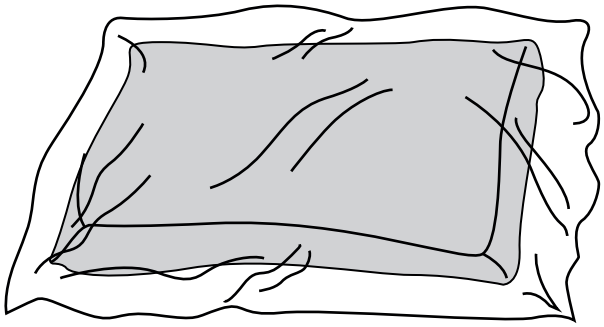

Enjoy your new favorite chair

Our goal is to create a perfect customer experience.

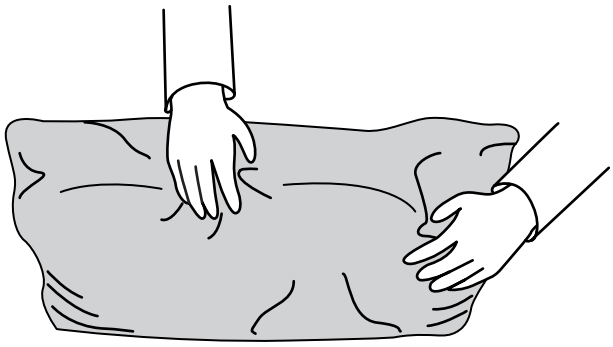

· Cushion Restoration Guide

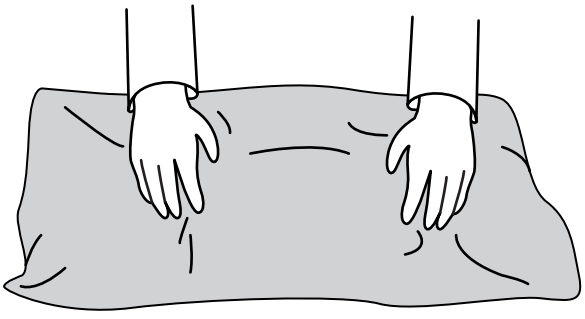

- Vacuum-packed for shipping.
- Follow the steps below to restore shape and fullness.
- Full expansion may take 72–96 hours.

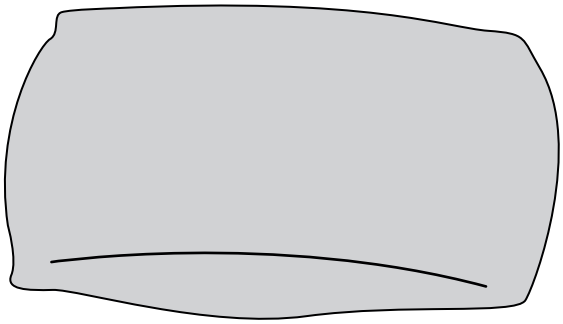

Open the vacuum bag carefully.

Press and tap both sides with both hands to allow air to fully enter.

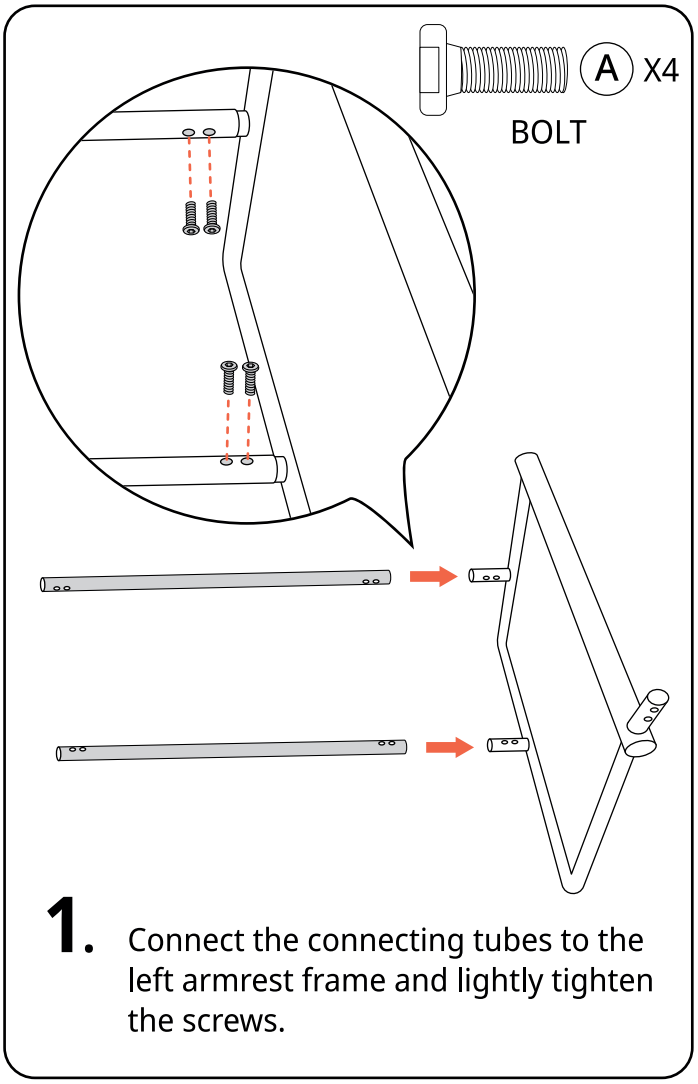

Press and tap the front with both hands to fully inflate the cushion.

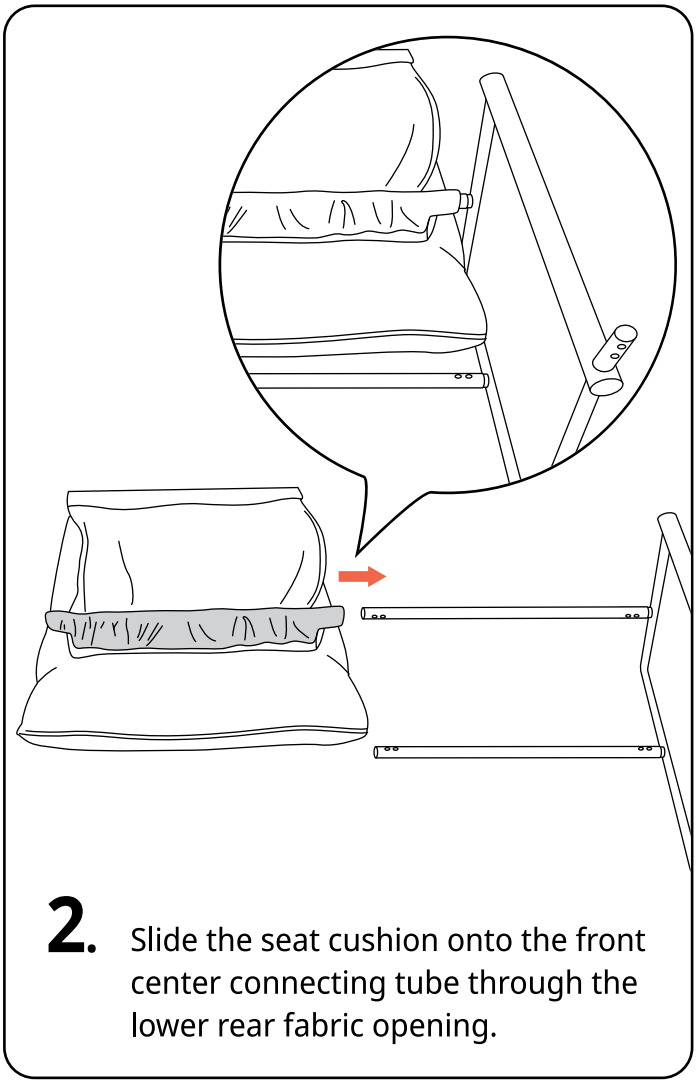

Carefully smooth out each section until the surface is even.

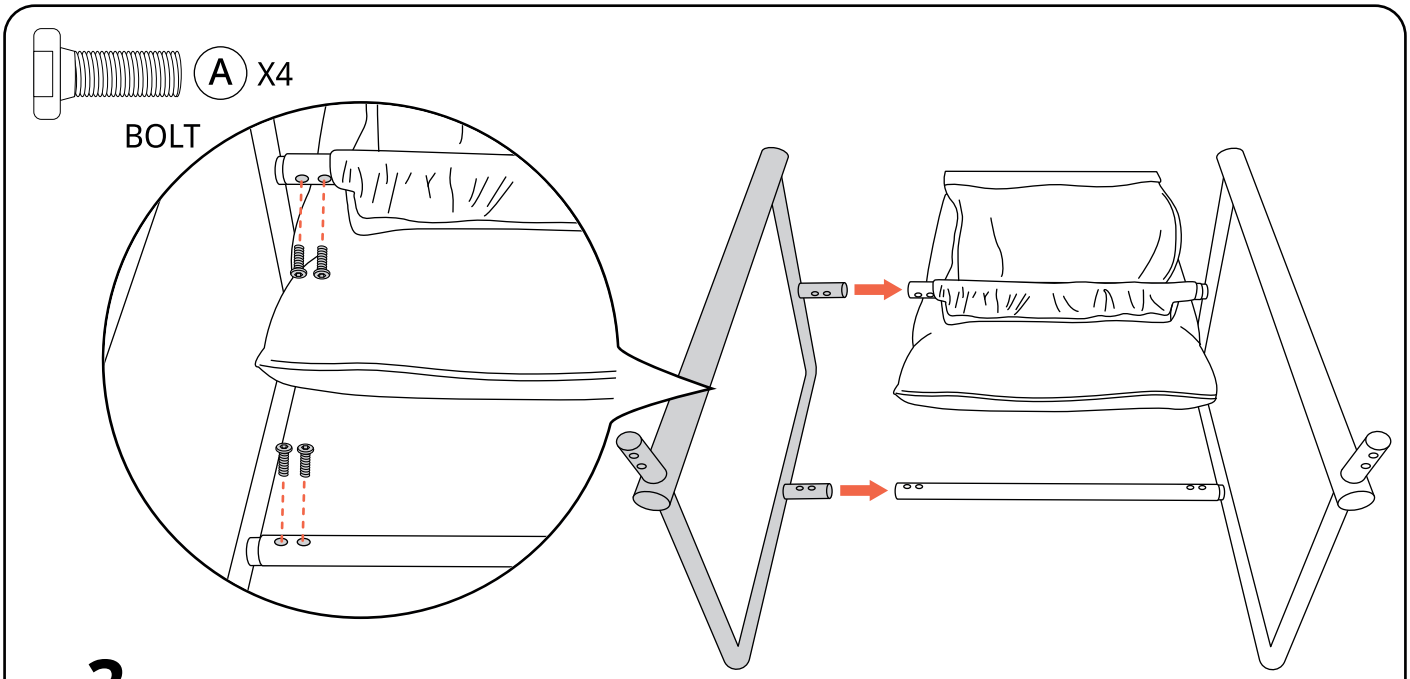

· Instructions

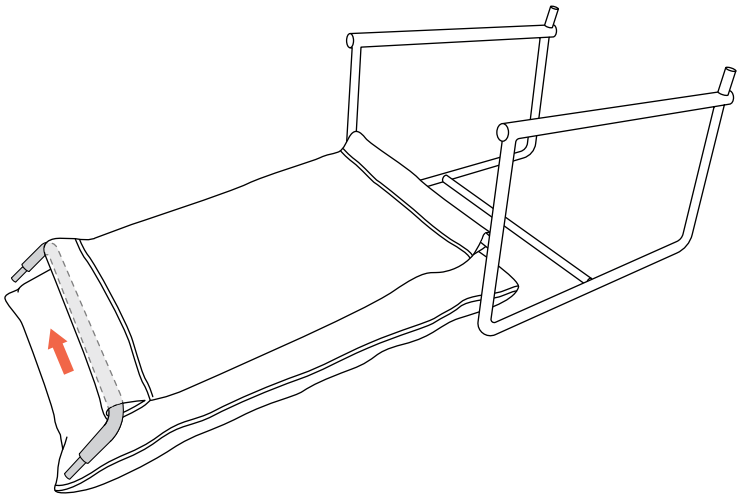

1. Connect the connecting tubes to the left armrest frame and lightly tighten the screws.

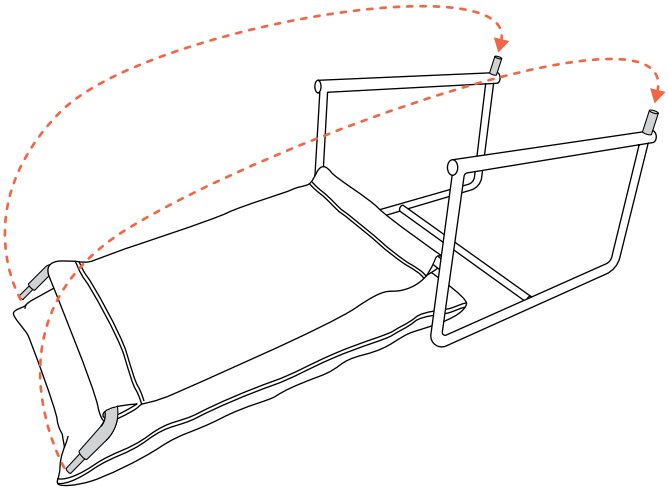

2. Slide the seat cushion onto the front center connecting tube through the lower rear fabric opening.

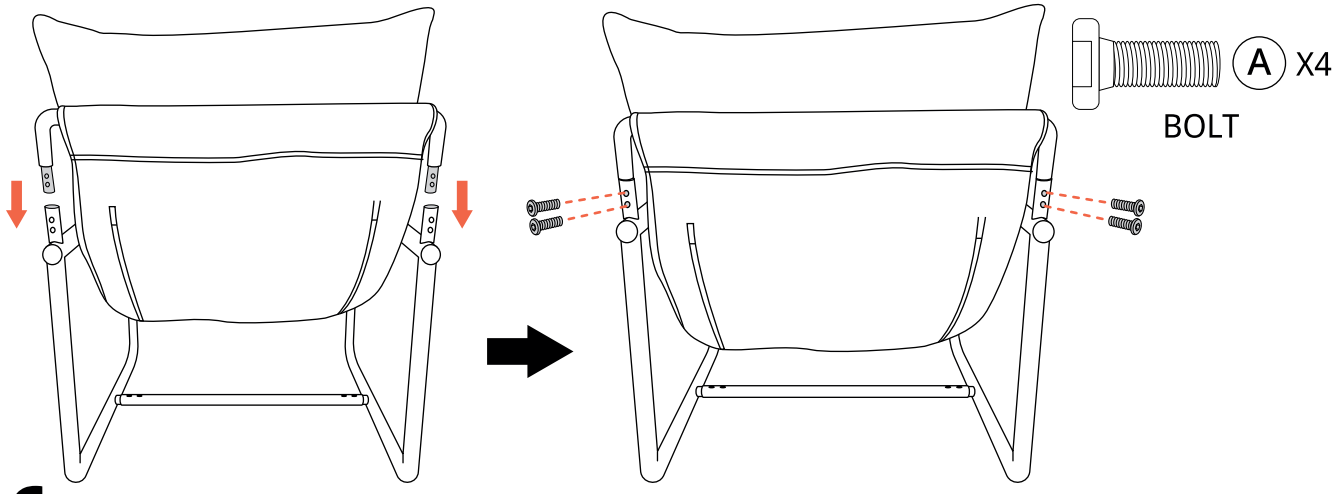

3. Connect the right armrest frame, align the holes, and lightly tighten the screws.

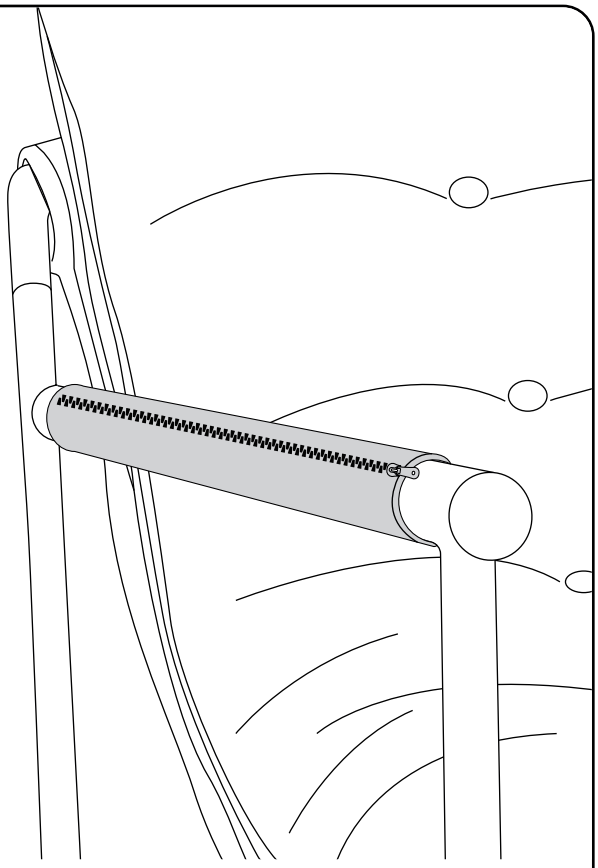

4. Insert the U-shaped tube through the upper rear fabric opening of the seat cushion.

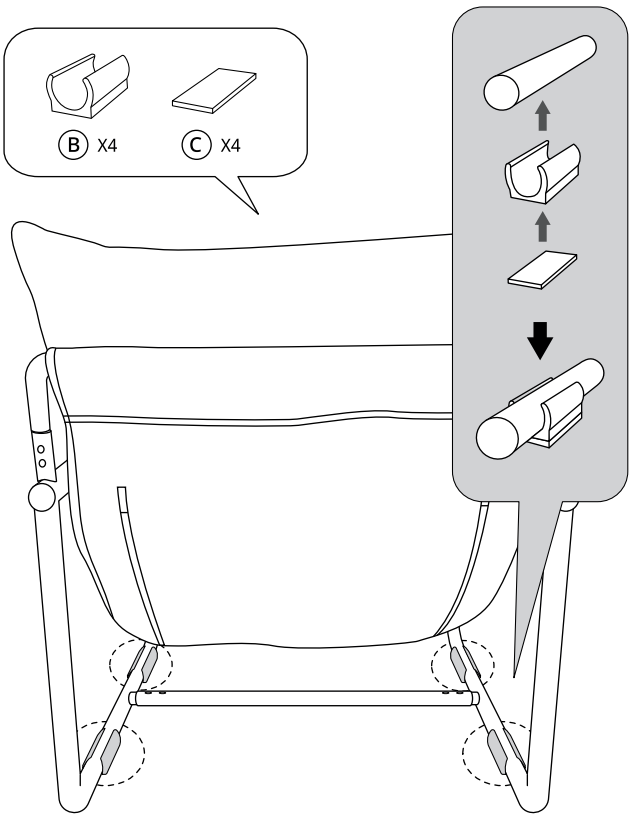

5. Flip the seat cushion over and insert both ends of the U-shaped tube into the armrest connectors.

6. Align the U-shaped tube with the connector holes and fully tighten all screws.

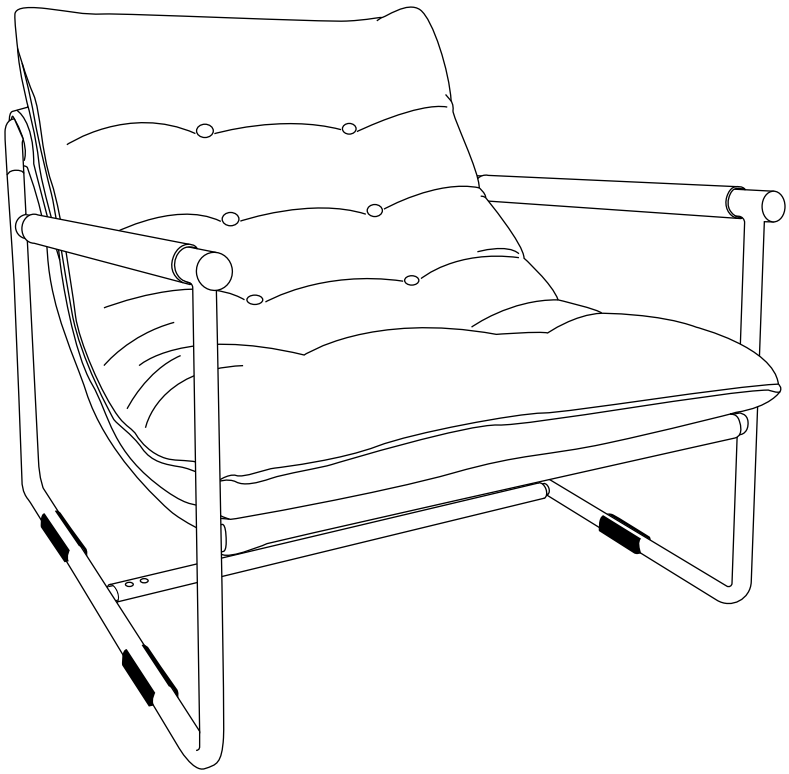

7. Wrap the armrest covers around the armrests and close the zippers.

8. Attach the felt pads to the glides and install them at the bottom of the armrest frames.

Done!

Care & Maintenance

Proper care and regular maintenance will help keep your chair clean and in good working condition.

CLEANING

- Clean regularly with a soft, dry or slightly damp cloth.
- Wipe up spills promptly with a clean cloth.
- Do not use abrasive cleaners, harsh chemicals, or excessive moisture.
- Follow any care instructions specific to the materials used on your chair.

REGULAR MAINTENANCE

- Periodically check and tighten all screws, bolts, and connections.
- Make sure the casters, base, and other components remain securely attached.
- Check regularly for signs of wear, looseness, or damage.
- Do not use the chair if any component is damaged or unstable.

CARE TIPS

- Use the chair on a stable, level surface.
- Avoid prolonged exposure to excessive heat, direct sunlight, or moisture.
- Do not drag the chair roughly across the floor.
- Use the chair only as intended and within the recommended weight capacity.
