Please read this instruction manual carefully before using the product

# Work Uniquely Play Unbound

Installation takes x 2~4hour

# Package Contents

Plates and  
iron components

Assembly tool kit

Instruction manual

## ⚠ Precautions

1. Avoid extended periods of direct sunlight exposure.

2. Stay away from fire.

3. Keep away from sharp objects.

4. Keep infants and children away from assembly parts to avoid choking and suffocation.

5. Keep away from corrosive substances.

6. Pay attention to avoid over-tightening fasteners, as they may cause cracking within the board.

7. Prevent objects from being damaged by immersion in water.

8. Prevent object collision and damage.

9. Be careful to avoid collisions.

## ⚠ Installation of Cams and Pins

Be sure to use the proper screws to avoid damaging the parts

Wrong screws can cause the plank to crack

The right screw is the right size

## ⚠ Matters needing attention

1. When installing the screws in the installation step, the screws do not need to be tightened.

2. After this installation step is confirmed and the holes are aligned, then tighten all the screws.

3. If the screws are tightened during the installation process, it will cause problems such as misalignment of the screw holes and misalignment of the board in subsequent installations
