TITLE

50 Gallon Fish Tank with Premium Tempered & Ultra Transparent Glass
(Complete Aquarium Setup) Red Wood

Standard Price: \$1299.00

Key Product Features:

1. The fish tank is constructed from premium low-iron tempered ultra-white transparent glass. This material is designed to endure everyday wear and tear, showcasing exceptional durability. It is resistant to scratches, fingerprints, and both acidic and alkaline substances. The glass boasts a light transmittance exceeding 91.5%, with a thickness of 0.315 inches.
2. The fish tank's frame is entirely made of metal, providing robust resistance against saltwater corrosion. It is engineered to maintain its shape and color over time. The dimensions are 31.5 inches in length, 14.2 inches in width, and 25.6 inches in height, with a water capacity of 46 gallons. It includes a professional-grade LED tri-color lighting system.
3. The product package includes a cabinet, a 22W water pump with a flow rate of 320 GPH, and a filtration system complete with filter media. The aluminum frame dimensions are 31.5 inches in length, 14.2 inches in width, and 25.6 inches in height. This frame is designed to withstand tension and torque deformation from heavy loads, is corrosion-resistant, and is easy to clean and maintain, ensuring prolonged water clarity.

4. The inner dimensions of the filtration system sink are 26 inches in length, 9.9 inches in width, and 12.6 inches in height, with a water capacity of 4 gallons. The glass of the fish tank is bonded using a German-engineered ultra-durable biophilic silica gel, which offers resistance to saltwater erosion for up to 20 years.

5. Featuring the most stylish design, the Red Wood finish highlights a modern aesthetic in every detail, allowing for a clear view of each aquatic plant. The pet fish swim gracefully within sight, providing an enhanced immersive experience.

Product Description:

Our display stand is constructed from elegant aluminum and glass, featuring a cabinet for storage purposes. The fish tank is covered by a warranty of three years. The electrical components are warranted for one year, and lifetime service for spare parts is provided.

Specifications:

- Tank dimensions: 31.5(L) x 14.2 (W) x 25.6(H) inches.
- Water Actual Capacity: 46 Gallons
- Thickness of tank glass : 0.315 in
- Stand dimensions: 31.5(L) x 14.2(W) x 25.6(H). inches
- Inner size of filtration system sink : 26(L) x 9.9(W) x 12.6(H),
- Water Actual Capacity: 4 Gallons.
- Water Total Actual Capacity: 50 Gallons
- Water pump Voltage: 110-120V (60 Hz AC) 22W 320 GPH
- LED Lighting system
- Product weight : 154lb

Shipping Info:

- Shipping Time: 3-7 Business Days
- Handling: 3 day
- Free shipping within the contiguous United States is available (this does not include residential, lift-gate, and upstairs delivery fees)
- Weight: 194 lb
