

# Installation & Assembly

## Warning

The assembly of the item must be done by adults.

1. Please remove all assembly parts before giving the item to your child. You can only give the item to your child after it has been fully assembled.
2. Please remove all assembly parts and packaging materials from the product.
3. Sharp points on the assembly parts may pose a potential risk of injury to the toddler.
4. The product is intended for children to play on smooth surfaces. When using, please avoid swimming pools, stairs, driveways, slopes, and roads. Keep away from fire.
5. Please check regularly that all assembly parts are still tightly connected. Please maintain the main parts of the product.
6. Immediately remove the product from the child's reach if any cracks or other signs of material fatigue become apparent.
7. Please keep the instructions for future reference.
8. Warning: Not suitable for children under 36 months!

This product complies with European standards EN71 for toy safety and ASTM F963 for the USA.

SOR2011-17 for Canada.

To avoid potential wood splintering, please do not apply excessive force when screwing in the screws.

## WARNINGS

**24M+**

**THE SAFETY OF YOUR CHILD IS YOUR RESPONSIBILITY.  
NEVER LEAVE YOUR CHILD UNATTENDED.**

1. Adult assembly required. Remove all packaging and complete assembly before giving this toy to your child.
2. Due to functional sharp point at screws, potentially hazardous may be formed. Keep all assembly parts and packaging materials out of reach of children.
3. Only use on flat, horizontal ground. This toy is not intended to be used close to or in stairs, steps, inclines, swimming pools, or roads. Keep away from fire.
4. To be used under direct supervision of an adult at all times.
5. Carry out regular checks to ensure fitting and fastening are secure.
6. Discontinue use at the first signs of damage or weakness.
7. Retain packaging information for future reference.
8. Not suitable for children under 24 months!

This product conforms to European standards EN71 safety standard for toys and ASTM F963 for USA, SOR2011-17 for Canada.

Clean with a damp sponge.

Made in China

Adult assembly required.

Due to the sharp functional points of the screws, a potential hazard may occur. Please keep all assembly parts and packaging materials out of reach of children.

This toy is not intended for use near swimming pools, stairs, roads, hilly streets, or slopes. Keep away from fire.

Children under 36 months should be used under direct adult supervision. There is a risk of falling.

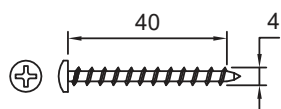

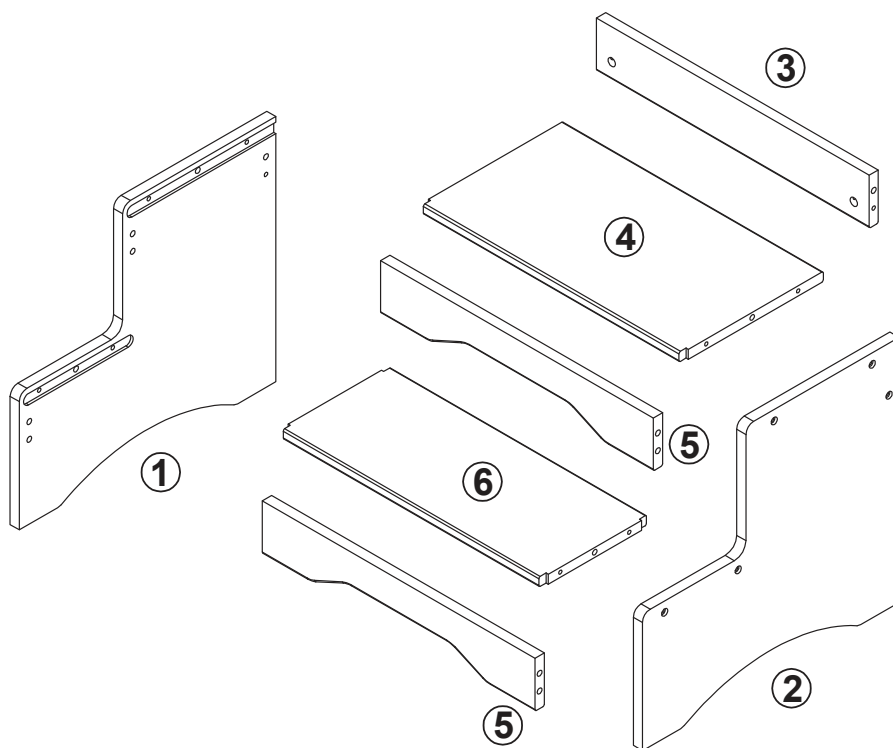

Skill required. To avoid possible injury to themselves or others, children should be reminded to use toys carefully to avoid falls or collisions.

For use by one child only.

To avoid possible injury, please wear shoes during play and recommend that children wear protective equipment such as helmets, gloves, knee pads, and elbow pads. Please perform regular maintenance and check the leaks and main parts (such as the braking system).

Please keep this packaging for future reference.

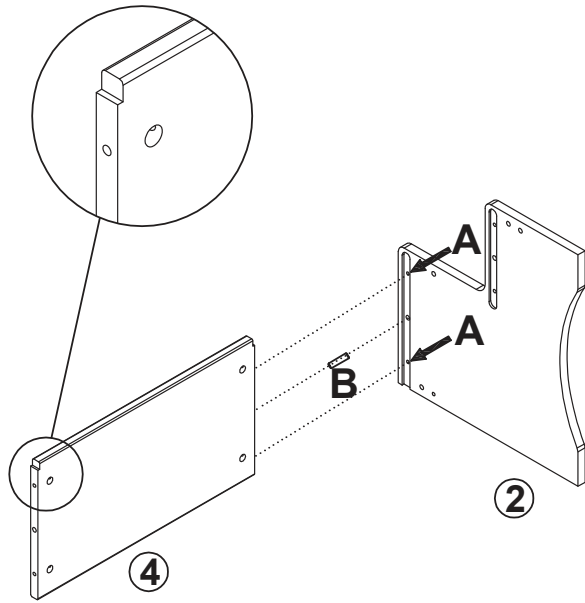

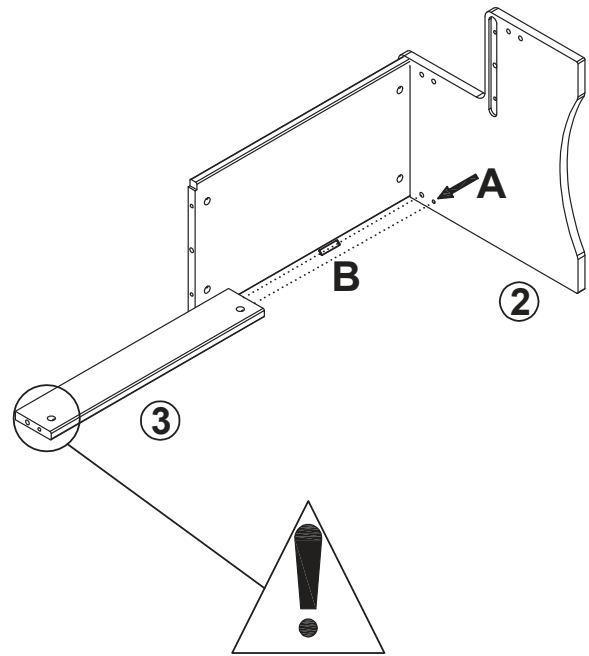

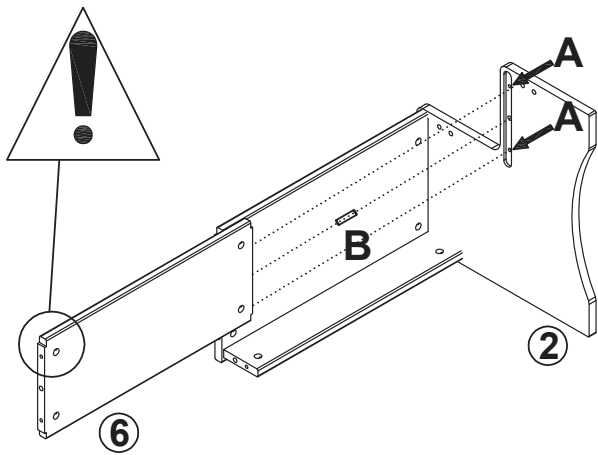

This product complies with European toy safety standards EN71 and ASTM F963, SOR2011-17, for the United States.
