LED Tape provides lighting to enhance aesthetics while also aiding in tasks around the home. Common applications for LED tape include undercabinet lighting in kitchens to add illumination to work surfaces, highlighting back splashes in kitchens and bathrooms, and adding toe kick lighting at the bases of cabinets. LED Tape light offers dramatic and functional light. The spool has 60" of 2700K tape light that is field cuttable every 4" to end of run.

Width: 0-3/8"

Length: 60"

Height: 0-1/8"

- Tape is fully enclosed in silicone
- Color temperature 2700K
- 90CRI and 50,000 hr life
- Measures 60 in L X 3/8 W X 1/8 Ht
- 300 Lumens per foot and consumes 4.2 watts per foot
- Field tape cuttable at every 4 in to end of run
- cETLus listed damp location
- 3M adhesive backing and mounting clips standard
- Dimmable with a wide variety of incandescent and ELV dimmers
- Meets California Title 24 JA8-2016
- Comes with 60 in cord that snaps on to one end of the tape and connects to 24v transformer
- Works well with 24v transformer (P700020/P700021/P700022)
- Five year warranty

Category: Undercabinet

Finish: No Finish

Construction: Silicone Construction
