FLOATING TV STAND

How to instal Components

MINIFIX
HEAD

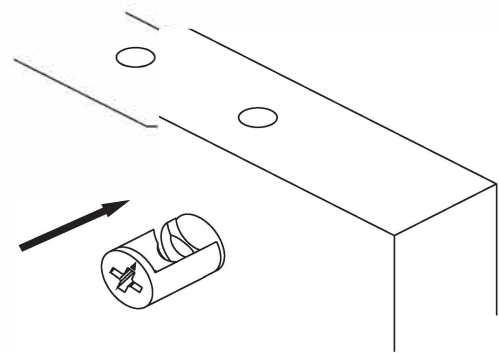

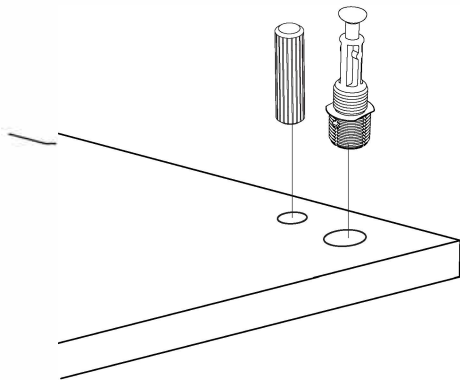

MINIFIX
SCREW

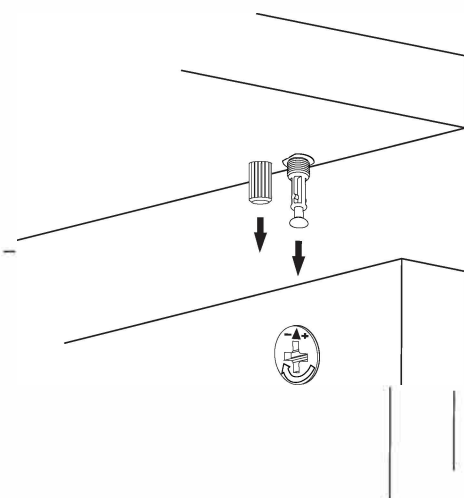

DOWEL

If the dowel is not required during the installation phase, it is not included in the package.

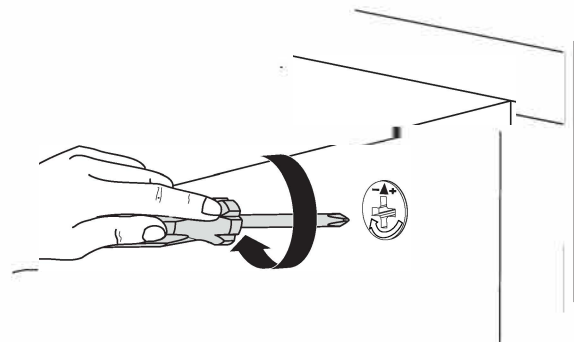

*Please notice that there is an small arrow on A03 (minifix head). This arrow should show the direction of upper hole.

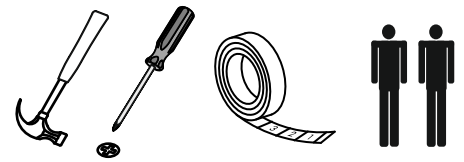

*After attaching two pieces please turn the A03 (minifix head) clockwise direction with the help of a screwdriver.

*Please do not over screw the minifix head since it may be broken if too much power is imposed. Just make sure that it is screwed to the direction "+" do not go any further.

Minifix is the main connection material used in products. Before starting assembly, please check the drawings below... Please use the wall mounting system for the TV The floating TV unit only carries 35lbs.

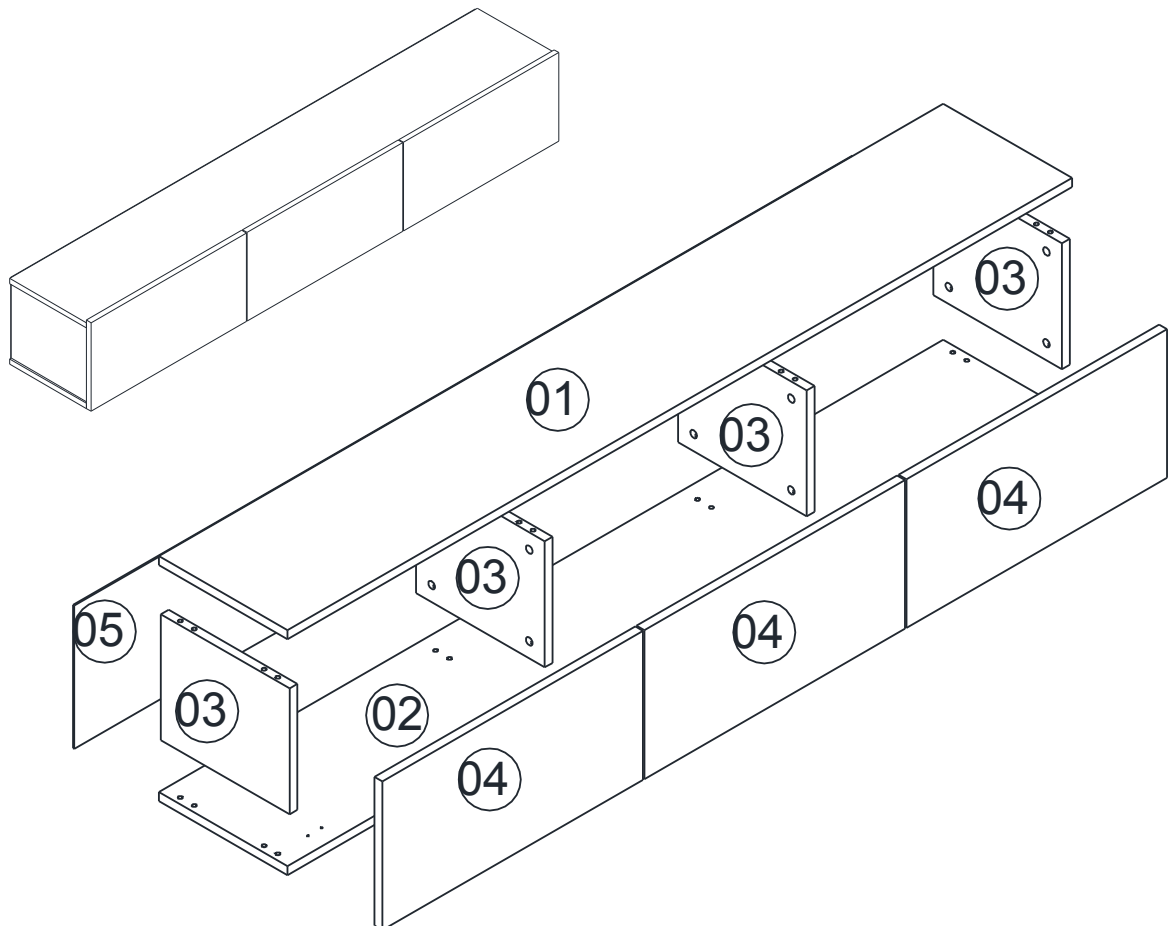

The necessary tools (not included)
