

# designer planter

Polyresin Planter  
UV Protected  
Shock Resistant  
All Weather Material

- Built-in water reservoir and overflow drainage hole.
- Avoid using garden soil or top soil for container planting, it's often too dense and restricts air circulation. A potting mix is strongly recommended and will ensure better plant growth.
- Rinse clean with a garden hose; for a deeper clean, use a power washer.
- **15-year** warranty residential use, **5-year** warranty commercial use.

Remove fill port plug for direct access to the water reservoir.

**WARNING**  
Children can fall into planter and drown.  
Keep children away from planter with even a small amount of liquid.
