

instruction for installation

1. Take out all lamp fittings and wear gloves.
2. Connect the lamp body with square branches and water pipes as shown.
3. Install the hanging board to the ceiling, and then reserve electricity for the main line of the lamp body and the ceiling. Connect the wires, install the ceiling tray and fix it with flower branches.
4. Install the glass on the lamp body, and pay attention to the installation from the bottom layer to the top. Install layer by layer in turn and fix it with flower branches and tooth bars.
