

Congratulations on the purchase of your new Glass Cabinet! We've made it very easy to install. Follow all instructions carefully.

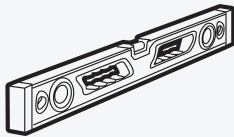

Be Careful when using a knife or box cutter to open the packaging. Please read every step in the instructions before you begin installation. You are responsible for assembling, installing and taking care of your Cabinet according to the instructions. Users who fail to heed the instruction run the risk of injury, so please be careful and work with caution.

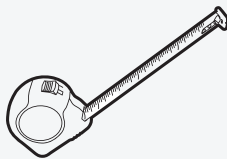

REQUIRED AND RECOMMENDED TOOLS

Drill/Driver

Level

Tape Measure

Lead Pencil

HARDWARE INCLUDED PER YOUR ORDER

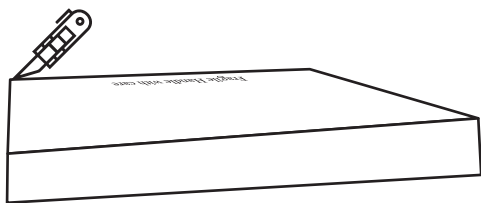

Anchor
(Qty - 2)

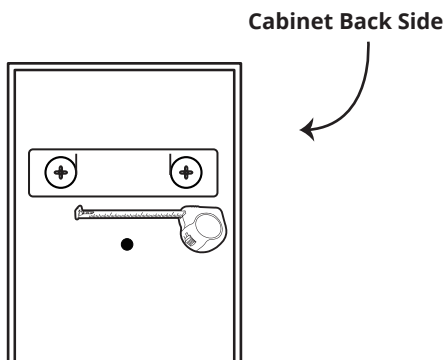

Screw
(Qty - 2)

1

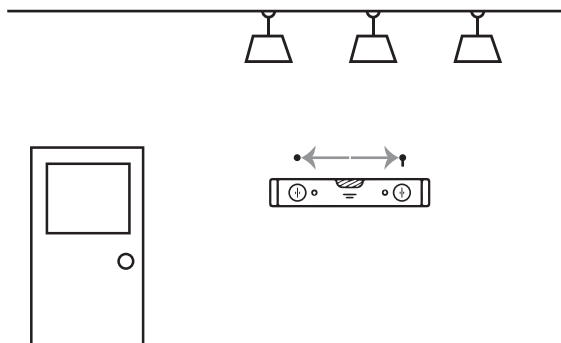

Open the glass cabinet and accessories and remove all items from packaging.

2

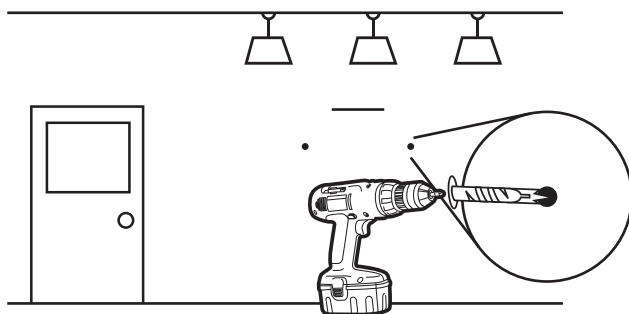

Measure the Cabinet backing strip distance between the two holes with the measuring tape.

3

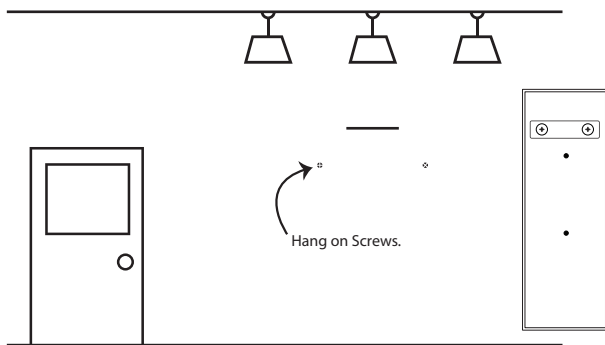

Use the lead pencil to mark the wall where you want to hang the cabinet.

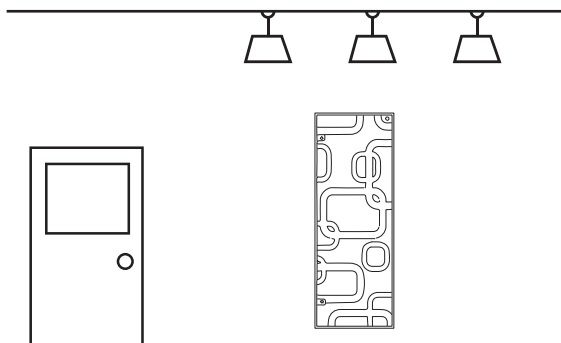

4

Drill the screws into the wall at marked points.

Hang your cabinet on the screws.

Congratulations!
