## Rustic Reverie 1

D2777S55528-4700

Rustic Reverie 1 captures a nostalgic spirit by offering the iconic Americana façade—the Barn. Here, a large barn fills the flat picture plane surface with a structure of geometric shapes that build onto each other to form the whole. Line plays a distinct role by outlining the patchwork shapes while the color palette underscores the weather-worn tone of the work. Line and a color palette in smoke grey, steel blue, ivory, and creamy white combine to give the work a three-dimensional effect. Part of the carefully curated ART by TA Collection. Rustic Reverie 1 embodies the essence of the American landscape, where each line and shape speaks to a storied past. Pairs beautifully with Rustic Reverie 2.
