SAFETY INSTRUCTIONS

- Read all instructions before using your rotisserie.
- Remove the motor and store it in a dry place when not in use.
- This rotisserie is not for use by children.
- Do not touch hot surfaces. Use barbecue mitts.
- To protect against electrical hazards do not immerse cord, plugs, or motor in water or other liquids.
- Unplug the motor from the outlet when not in use, or before cleaning.
- Make sure the motor is off before placing it on the motor bracket.
- Do not operate the rotisserie motor with a damaged cord or plug.
- Do not use rotisserie for other than intended use.
- Do not operate the rotisserie motor if it should malfunction.
- Do not let the cord hang over any sharp edge or hot surface.
- Use outdoors only, do not expose to rain.
- If it is necessary to use an extension cord, always select one that has a three-pronged (grounded) power plug that is adequate for the power rating of the unit, that has been approved for outdoor use, and that has a W-A marking.
- Do not cut or remove the grounding prong from the rotisserie motor power cord.
- When using an extension cord, make sure it is not in contact with a hot or sharp surface.
- To reduce the risk of electric shock, keep the extension cord connection dry and off the ground.
- Caution must be taken to prevent tripping over the power cord.

SPECIFICATIONS

Power Supply	120V / 60Hz AC ZP
Rated Power	4W
Rotate Speed	2-2.4r/Min
Capacity	20lbs
Power Cord Length	59in / 150cm

Compatible with 22-1/2" Weber Kettle Charcoal Grill

PARTS LIST

A. Rotisserie Ring

B. Motor Bracket

C. M5 Bolt&Nut × 2

D. Motor

E. Spit Rod

F. 4-Prong Meat Fork ×2

G. Rod Bushing

H. Counterweight

I. Rod Handle

INSTALLATION STEP

1. Attach the Motor Bracket (B) to the Rotisserie Ring (A) with M5 Bolts&Nuts (C).

Note: Please make sure that the M5 Bolts&Nuts (C) are installed to the Rotisserie Ring (A) through the 3rd holes (From the top to the bottom) on the Motor Bracket (B).

2. Mount the Motor (D) onto the Motor Bracket (B).

3. Slide Meat Forks (F) and Rod Bushing (G) and Counterweight (H) through the Spit Rod (E), screw in the thumb screws to hold the forks and rod bushing in place and screw the Rod Handle (I).

4. Insert the Spit Rod (E) into the Motor (D).

5. Fully Installed Rotisserie Ring Kit.

Operating Tips

- * Tie meat or poultry with a string to make the shape as uniform as possible before putting it on the spit rod. Balance the rod by adjusting the counterweight, and making it rotate better.
- * Push the rotisserie spit rod through the approximate center of the food.
- * Remount the food if necessary for better balance.
- * If foods are too heavy or are irregular shapes, they may not rotate well and should be cooked by the indirect cooking method without using the rotisserie.

WARRANTY INFORMATION

TURBRO provides 1-year limited warranty service for Fireside Rotisserie Ring Kit, from the date of purchase, subject to the following conditions and limitations.

What is covered?

- Any alteration or misuse of the product will nullify this warranty.
- This warranty is non-transferable and is effective for the original buyer from the authorized seller only.
- This warranty is limited to the repair or replacement of part (s) proved to be defective in material or workmanship after said defect is confirmed by the manufacturer's inspection.
- The manufacturer may, at its discretion, fully discharge all obligations with respect to this warranty by refunding the wholesale price of the defective part (s).

What is not covered?

- Damage caused by the owner when attempting to fix or alter the product themselves.
- Damage caused by misuse, abuse, neglect, alterations, or unauthorized repair.
- Natural depreciation.

How to request warranty services?

To obtain the benefit of this warranty please leave a message online (www.turbro.com/pages/contact-us), or send an email to support@turbro.com. Our customer service will address your issue within 24 hours.

What will TURBRO do?

- Replace the item.
- Refund the item under certain circumstances.
