Attention

- A slight deformation of steel wire joints may occur to the tent folded, which can be corrected. Please gently twist and rotate the steel wire joints to restore their shape after the elastic band is untied.
- Ensure the tents are secured firmly and properly before allowing your cat to play in them.
- Avoid using the product near stairs, furniture, or other potential hazards.
- Be mindful of the temperature when setting up the tents outdoors. Ensure that it is not exposed to direct sunlight or extreme heat, as your cat may need a shaded area to rest or play.
- Always supervise your cat for safety while it is using the product.
- Keep any sharp objects, chemicals, or other harmful substances out of reach of your cat while they are playing in the tents.
- Avoid placing any cords or cables in the tents to prevent your cat from accidentally getting tangled or injured.
- Regularly clean the tents using a damp cloth or mild detergent to remove any dirt or debris.
- Store the folded tents in a clean, dry place when not in use.
