INSTALLATION STEPS

Step1

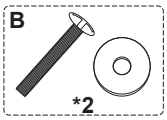

Please unscrew the pre-installed screws and place the screws in a visible position.

Optional for junction box connection

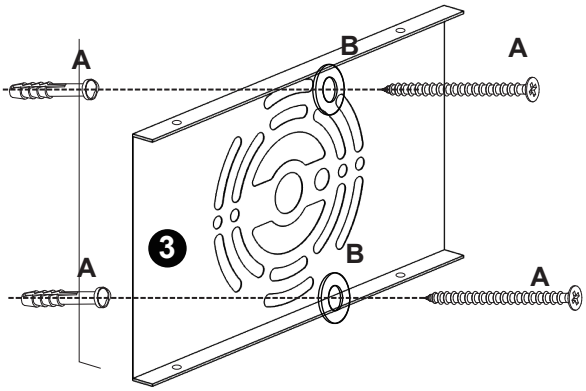

Junction box

Please use screws and washers (B) to connect the light stand to the junction box or the embedded nut.

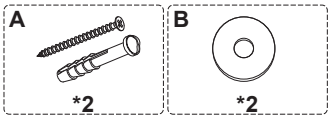

Optional for drywall or concrete wall connection

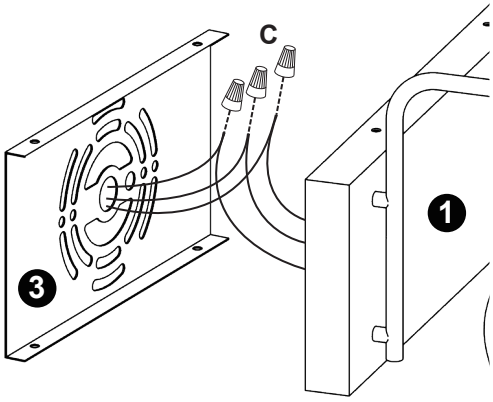

Wall

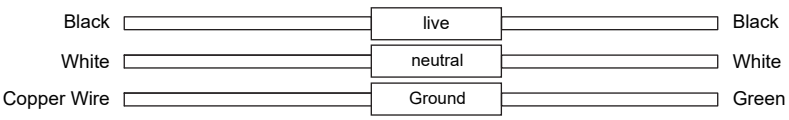

Please insert the expansion tube (A) beforehand and then attach the light stand to the wall using the screws (A) and washers (B).

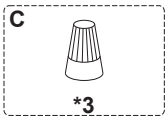

Step3

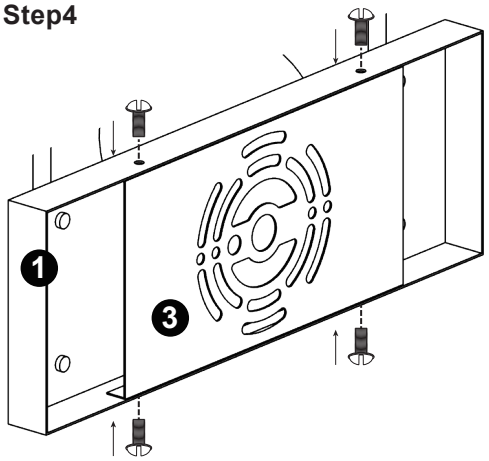

Please use insulated nylon clips to connect the fire and zero wires as shown.

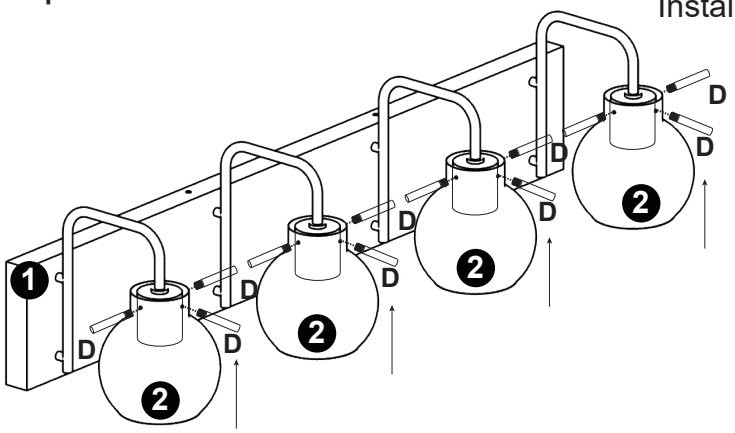

Step4

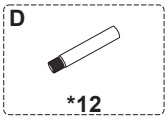

Please Secure the lamp holder to the light stand using the screws removed in the first step.

Step5

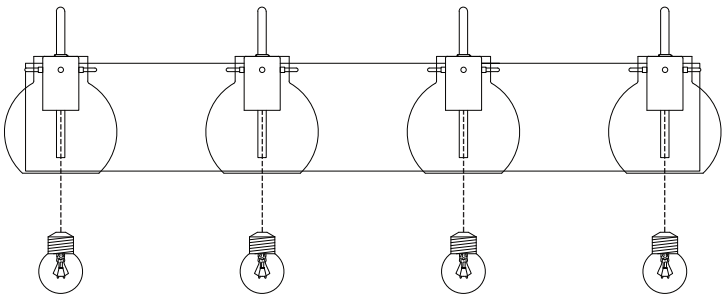

Install the lampshade as shown

Step6

Install the bulb as shown

NOTE：Please note that bulbs are **NOT INCLUDED** in the package and the appropriate **BULB SIZE IS E26.**
