Thank you for selecting this product. Before use, please carefully read this operation manual to understand the correct use of this product.

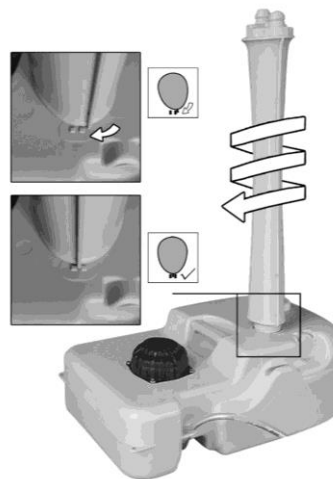

Special attention should be paid to important safety warnings and the operation manual should be kept for reference.

Note: our company reserves the right to improve the product and instructions contained therein which may be changed without notice.

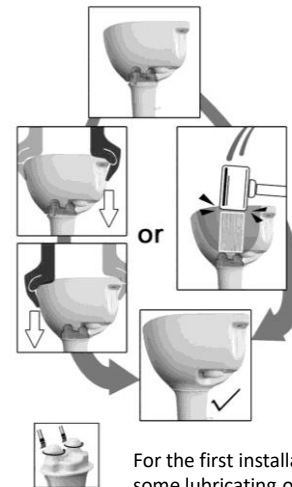

The appearance of the product depends on the material of the object.

Assemble Instruction:

A. Screw the column to the fixed point.

B. Install the washbasin onto the column.

For the first installation, you can apply some lubricating oil to the top of the column for easy installation.

C. Install water pipe and faucet.
