I Never Want To Come Down 2

D2527S50526-4065

I Never Want To Come Down 2 is a large-scale abstract companion print that focuses on the element of positive shape and negative space. Here, heavily outlined biomorphic positive shapes occupy a smaller portion of the picture plane. A large object defined only by the absence of color occupies the center of the work thus providing negative space. A lighter color palette in cream, sky blue, and ecru gives this work a lighter feel.

A pleasing blend of abstract forms and graceful neutrals, I Never Want to Come Down 1 is a beautiful work of art on textured paper. Part of the carefully curated ART by TA Collection, this original piece pairs elegantly with I Never Want to Come Down 2.
