STEP 1: Install sofa foot to the base plate of ottoman with hardware.
Note: hardware face the smooth surface of ottoman base.

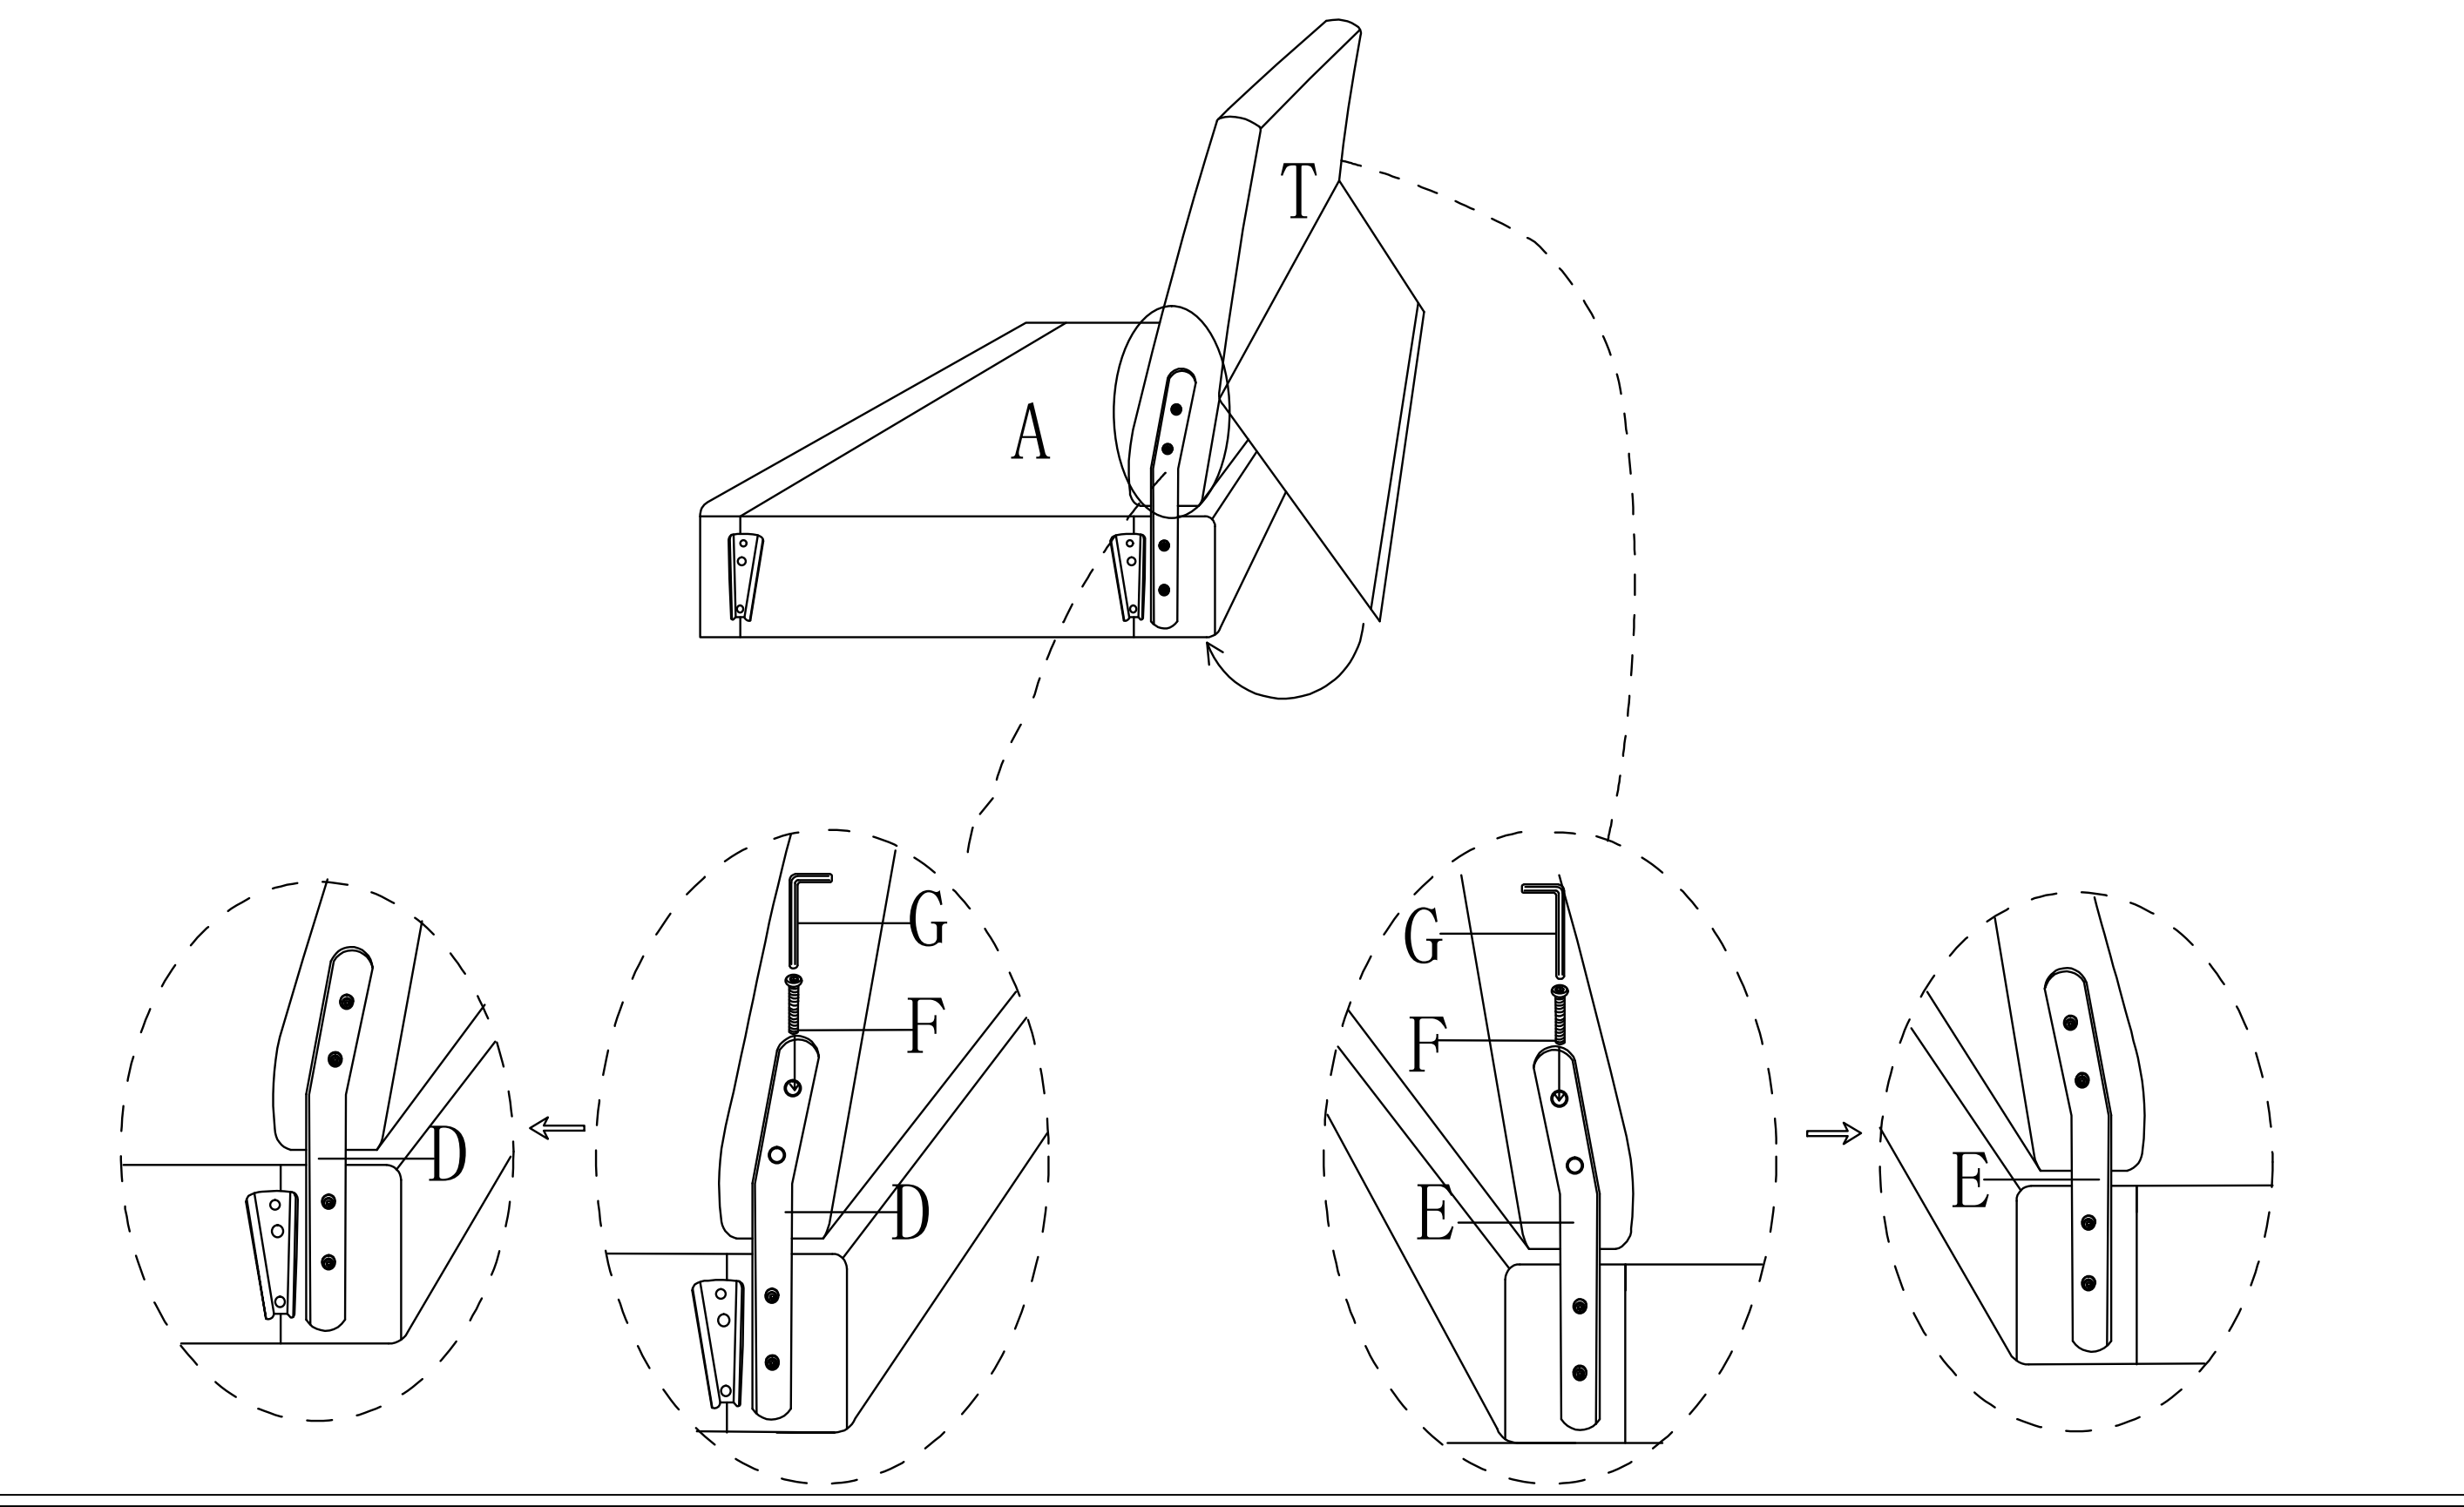

STEP 2: Connect the side panels of ottoman to the base plates with hardware. Note: please distinguish between top and bottom of the side panels

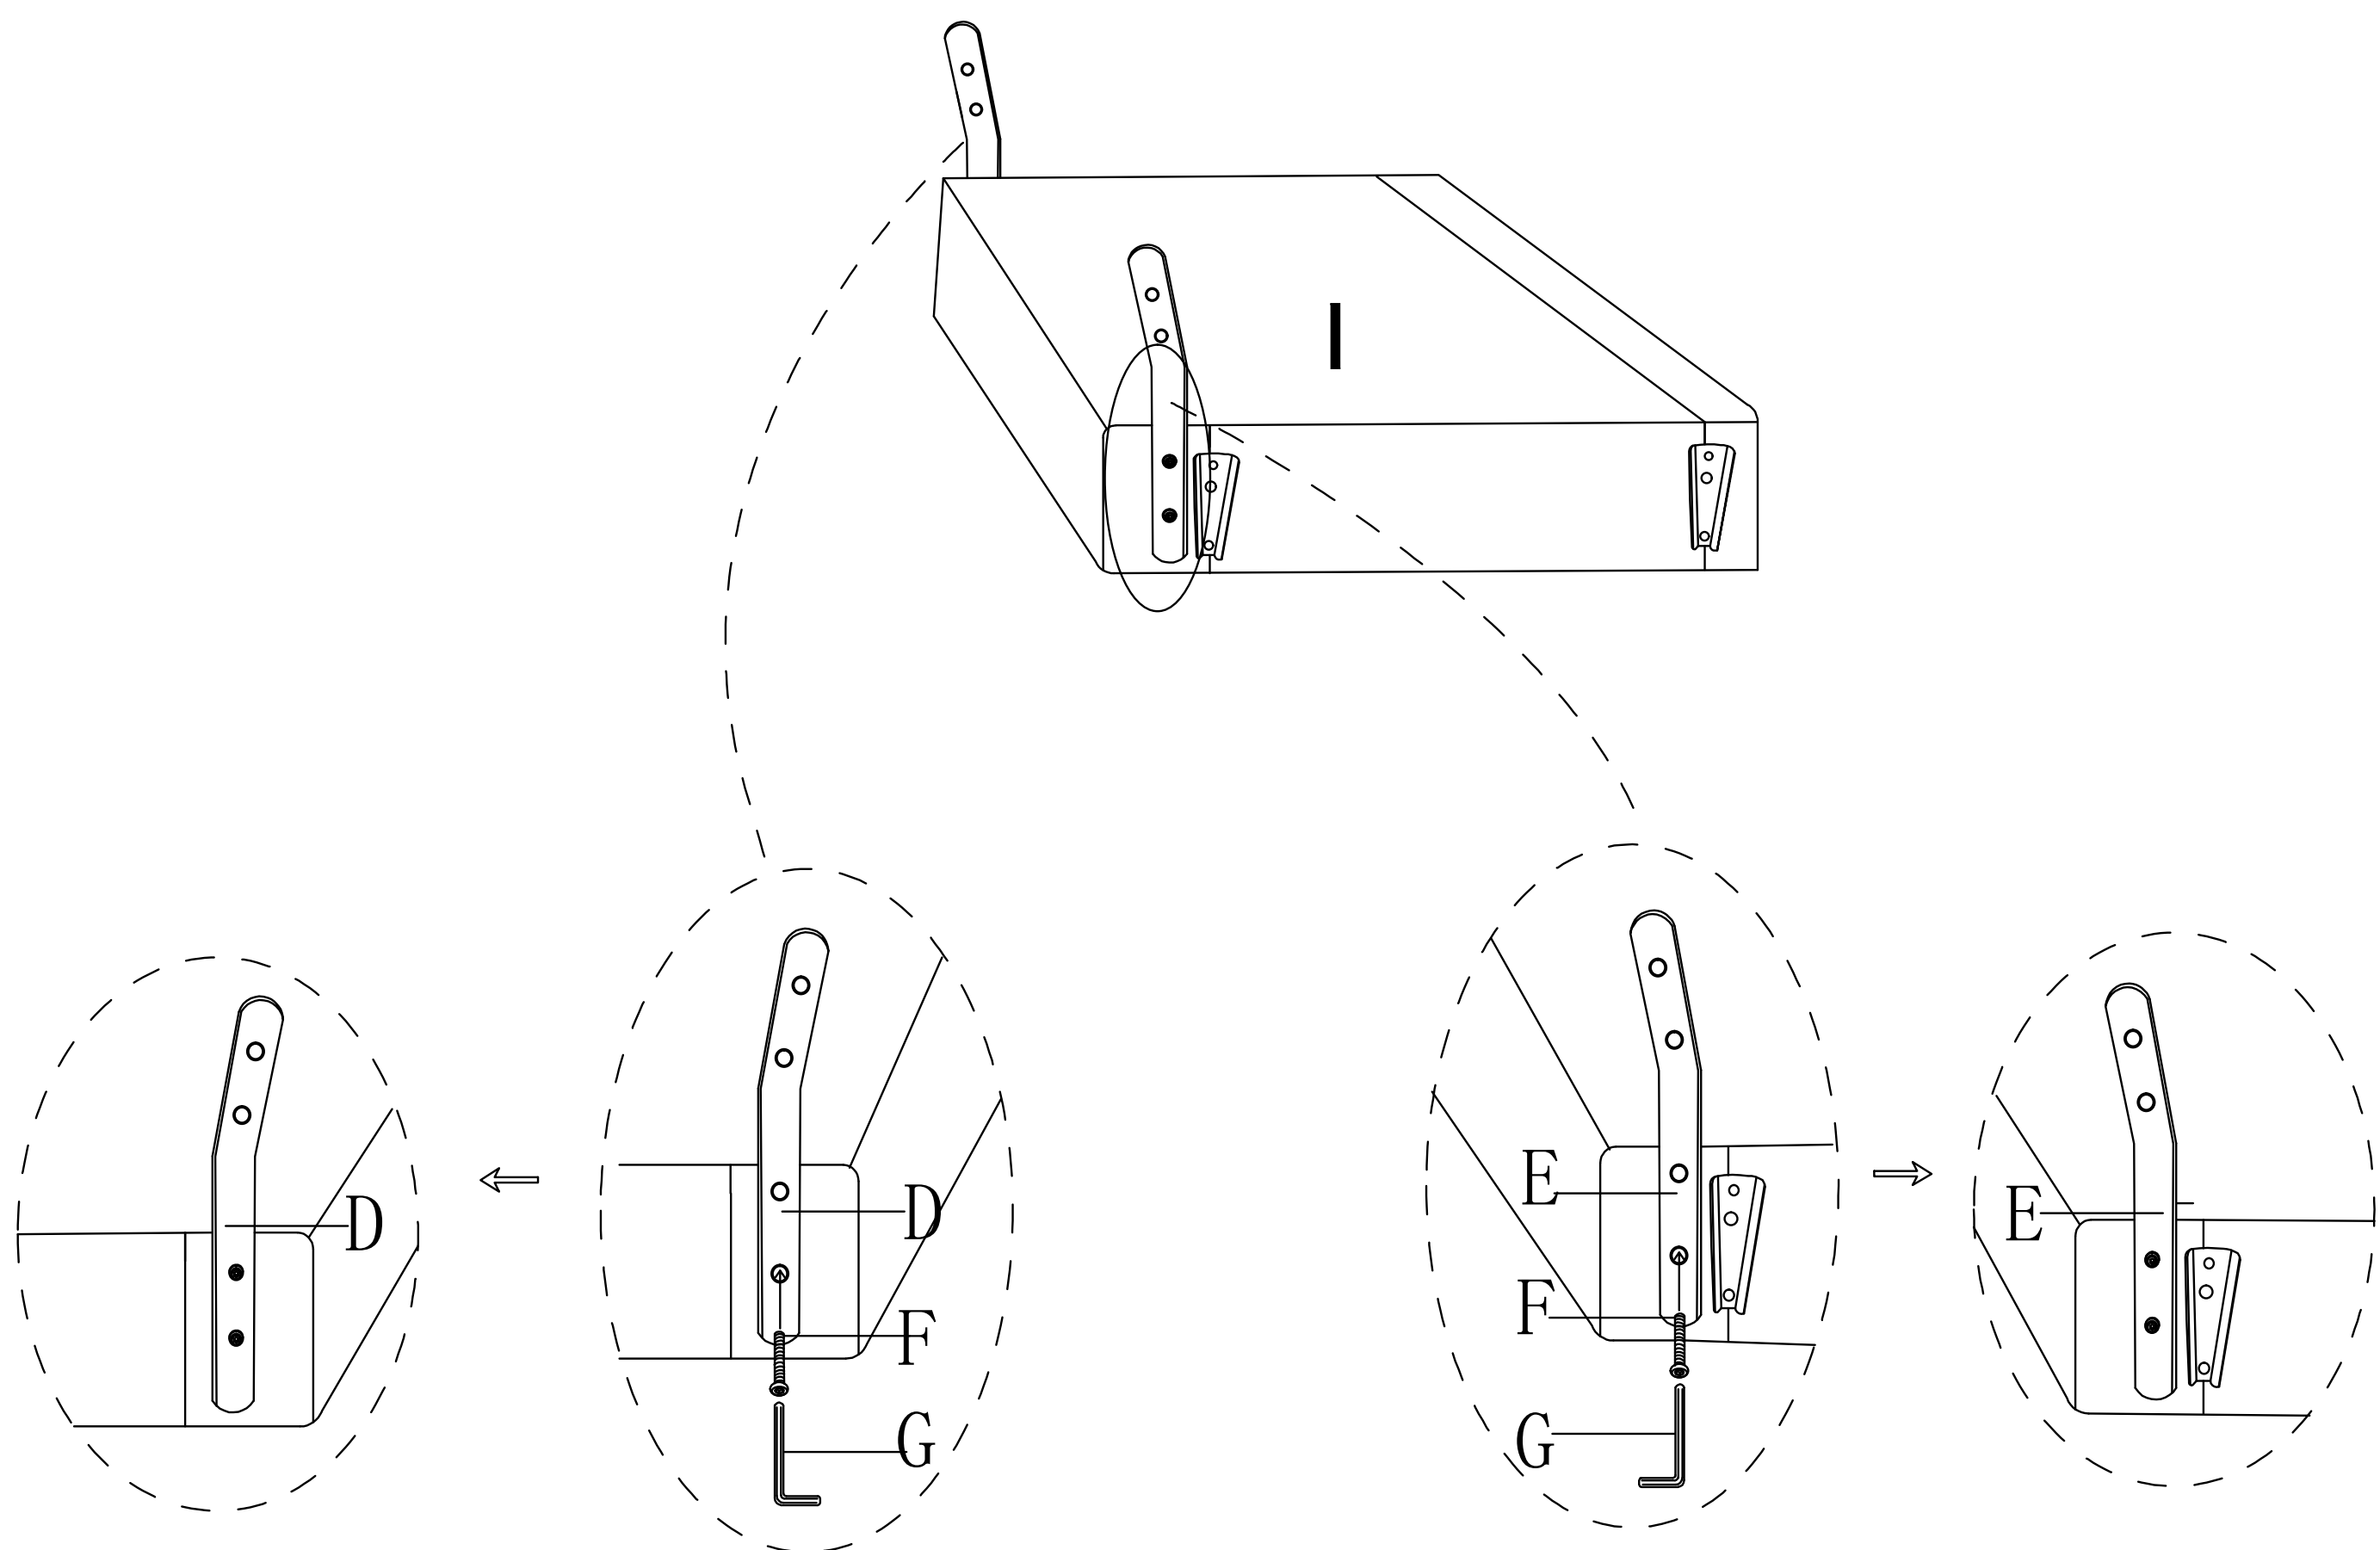

STEP 3: Install supporting members on both sides of the sofa frame, and distinguish between left and right

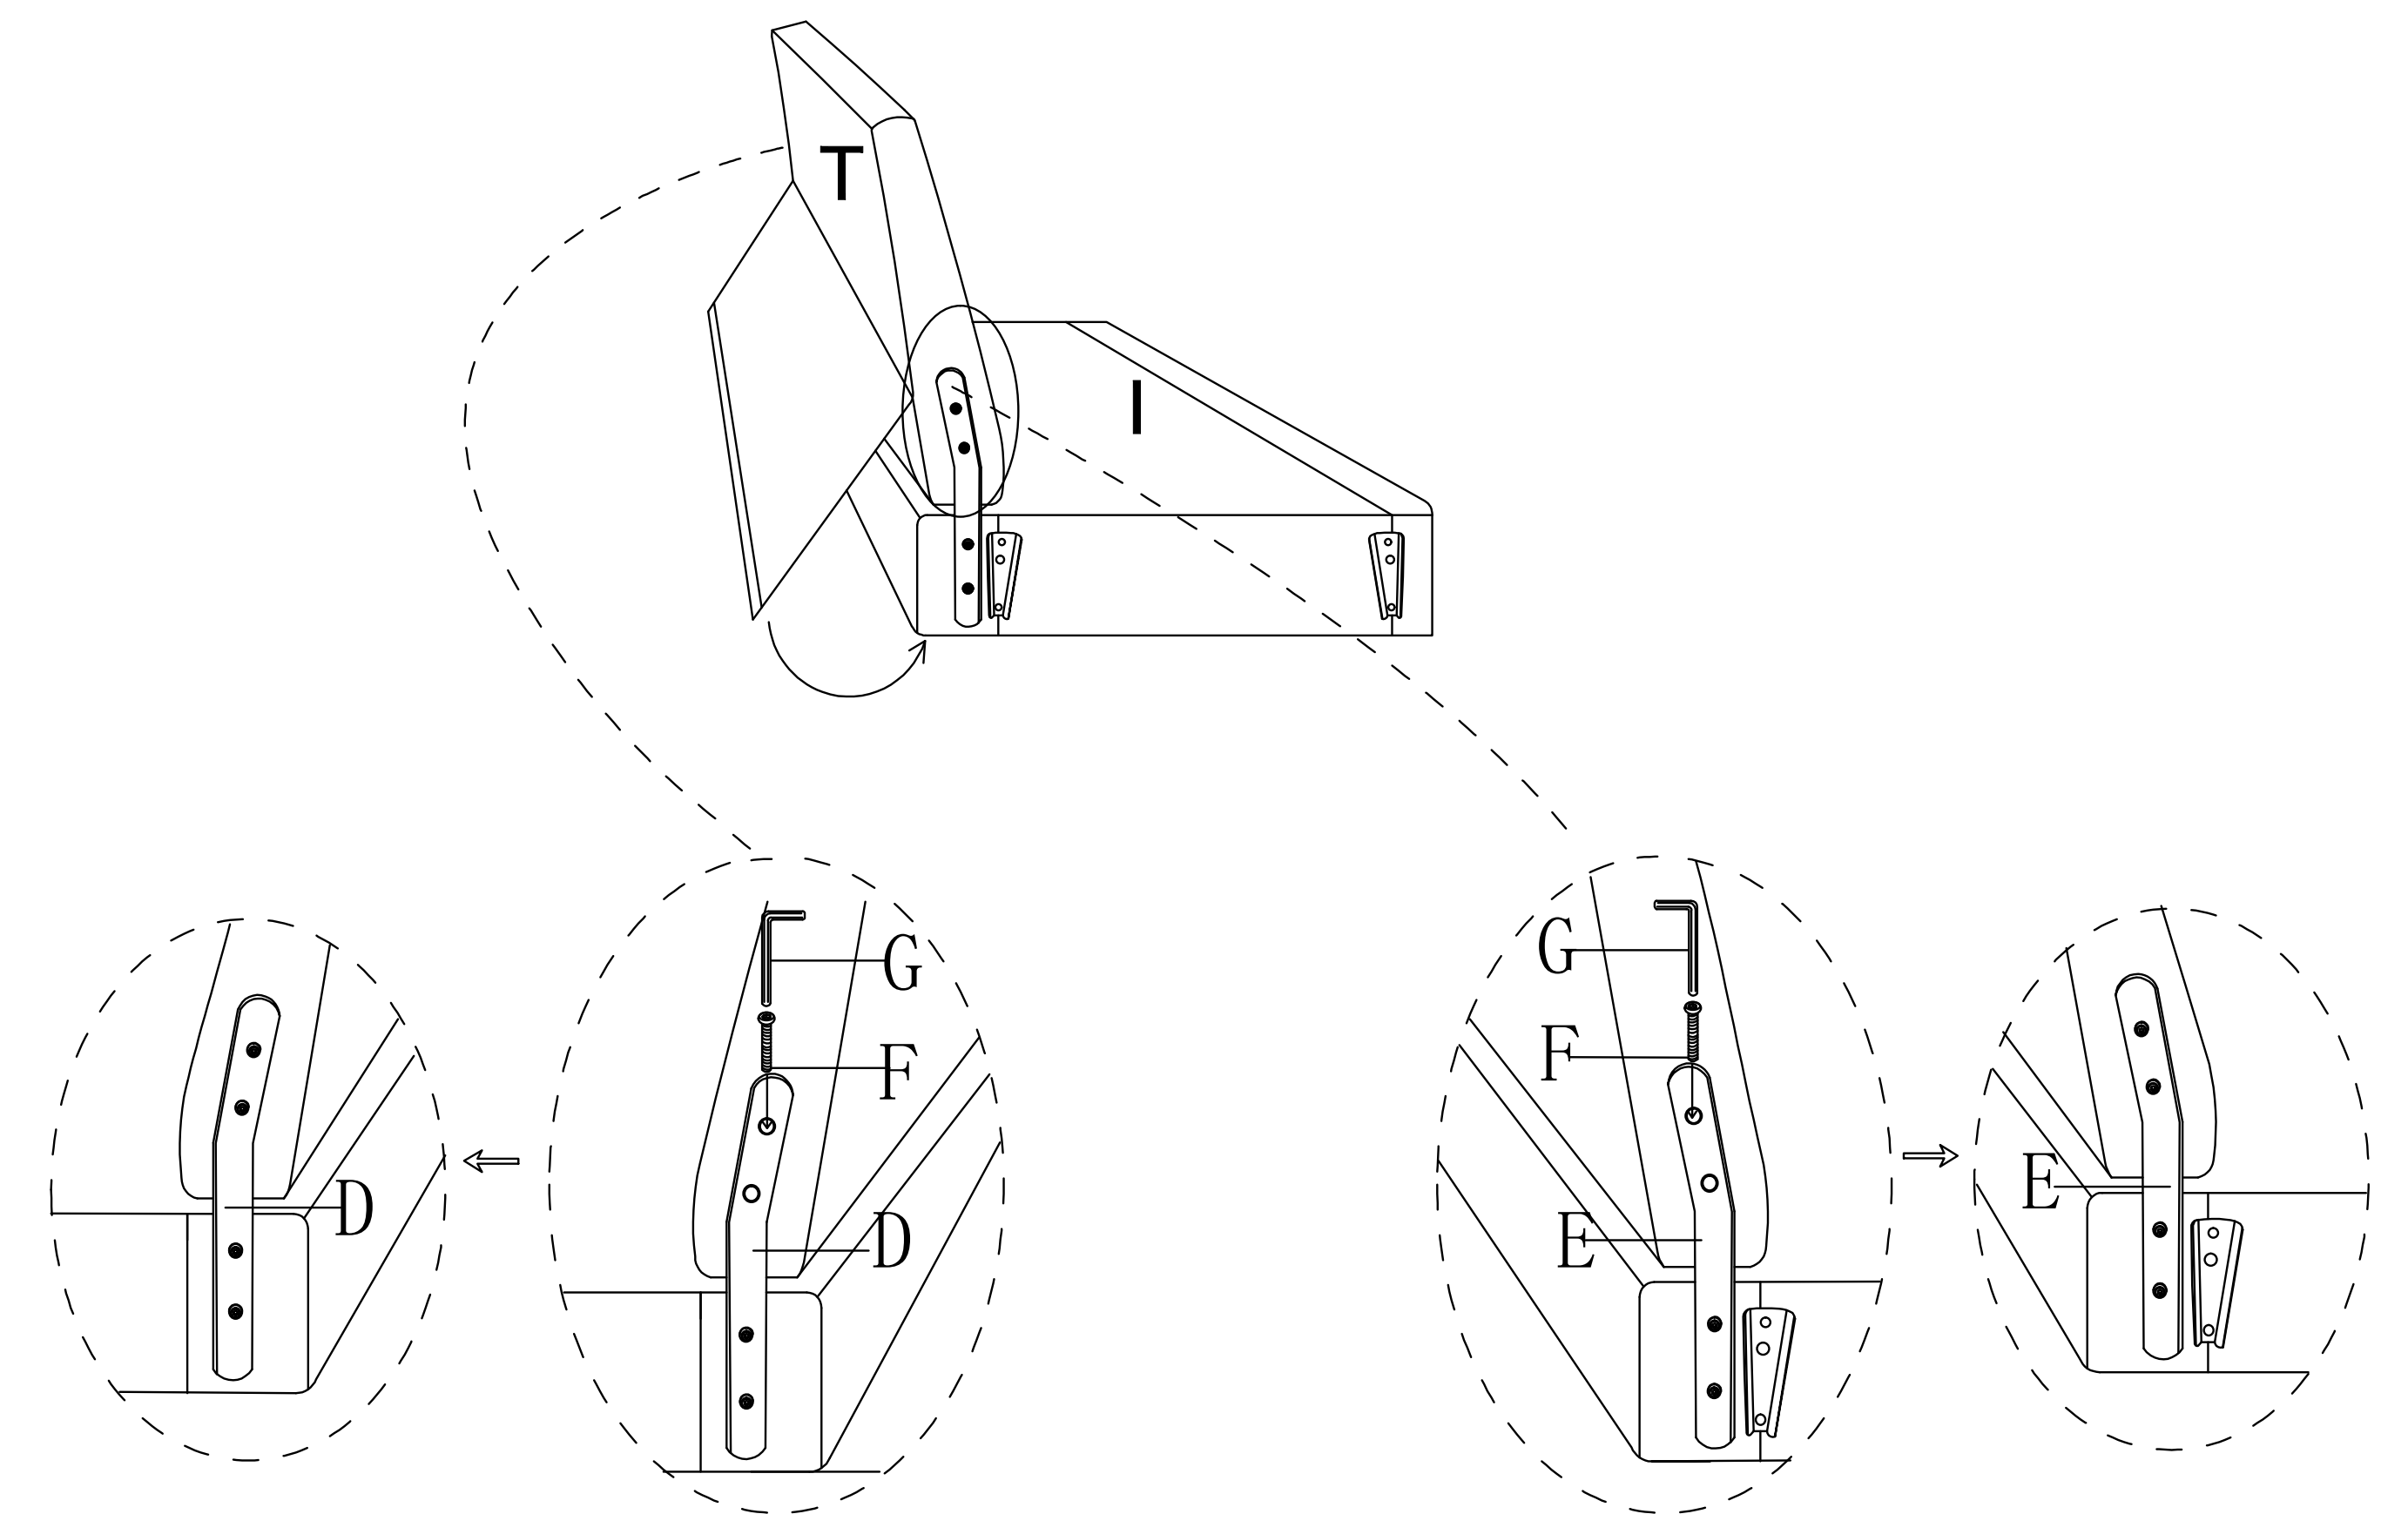

STEP 4: Secure the backrest to the brackets on both sides of the seat frame using screws. Then, lay down the back fabric and attach its Velcro strips beneath the seat frame.

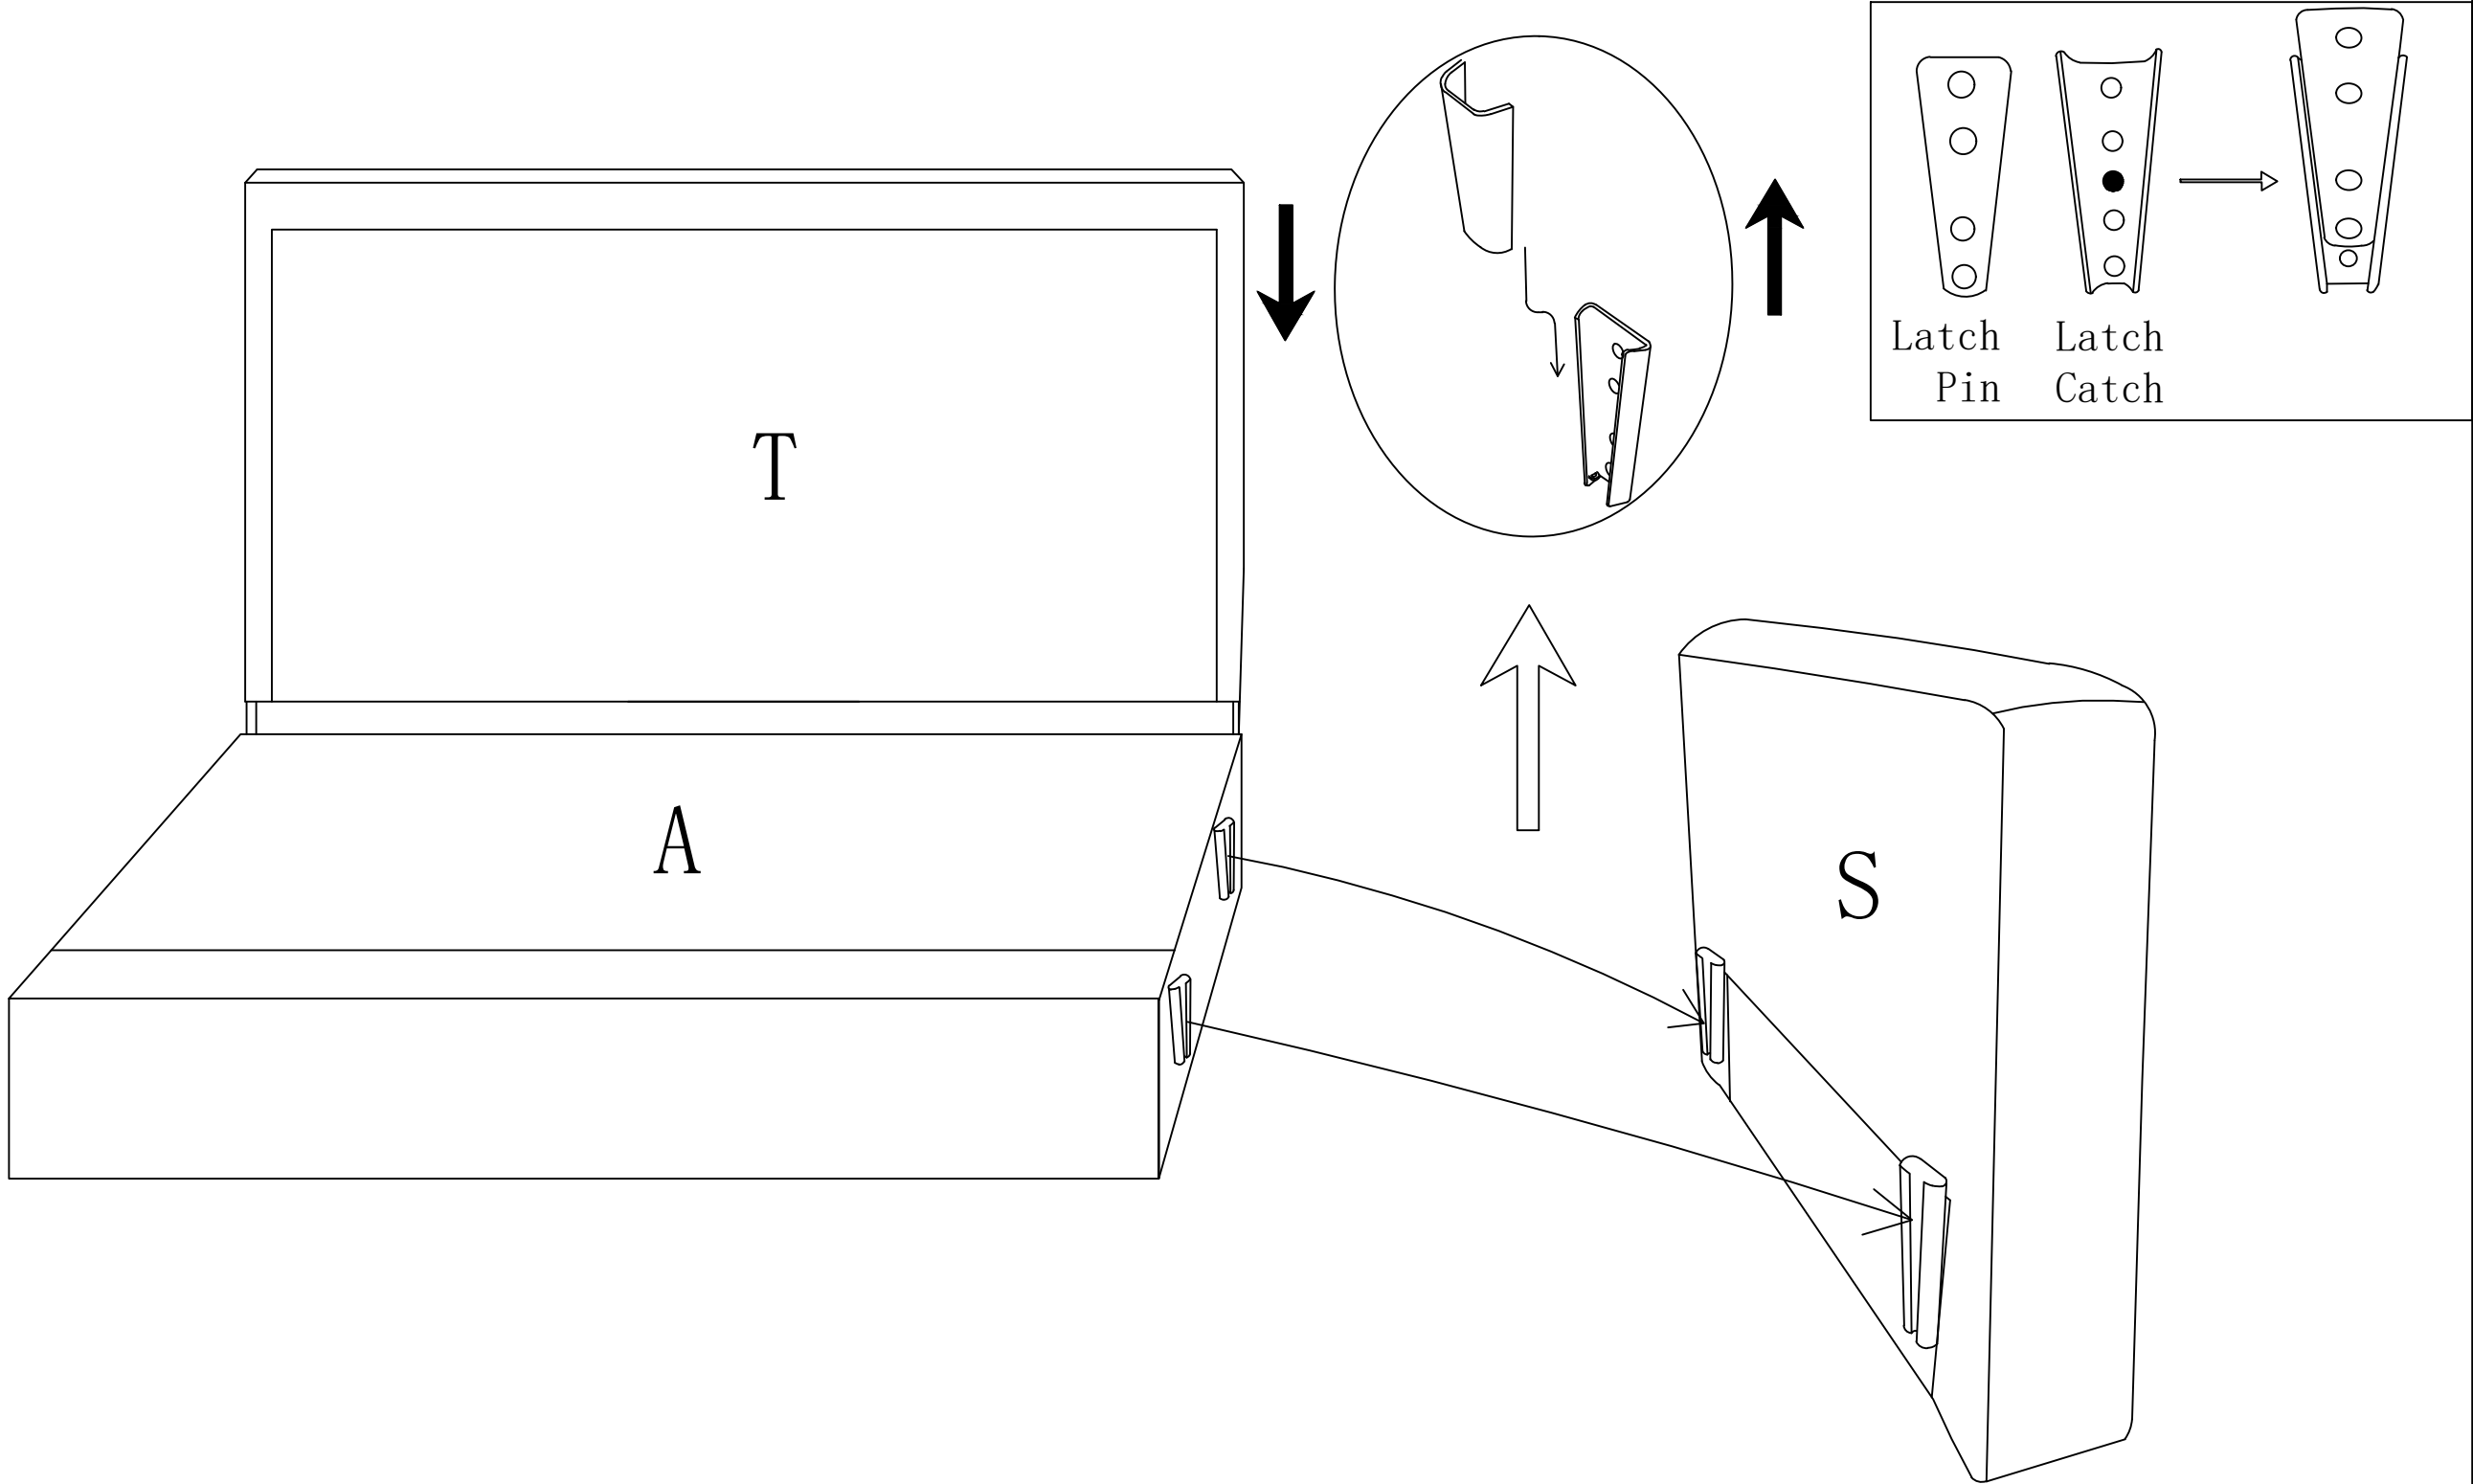

STEP 5: Install supporting members on both sides of the sofa frame, and distinguish between left and right

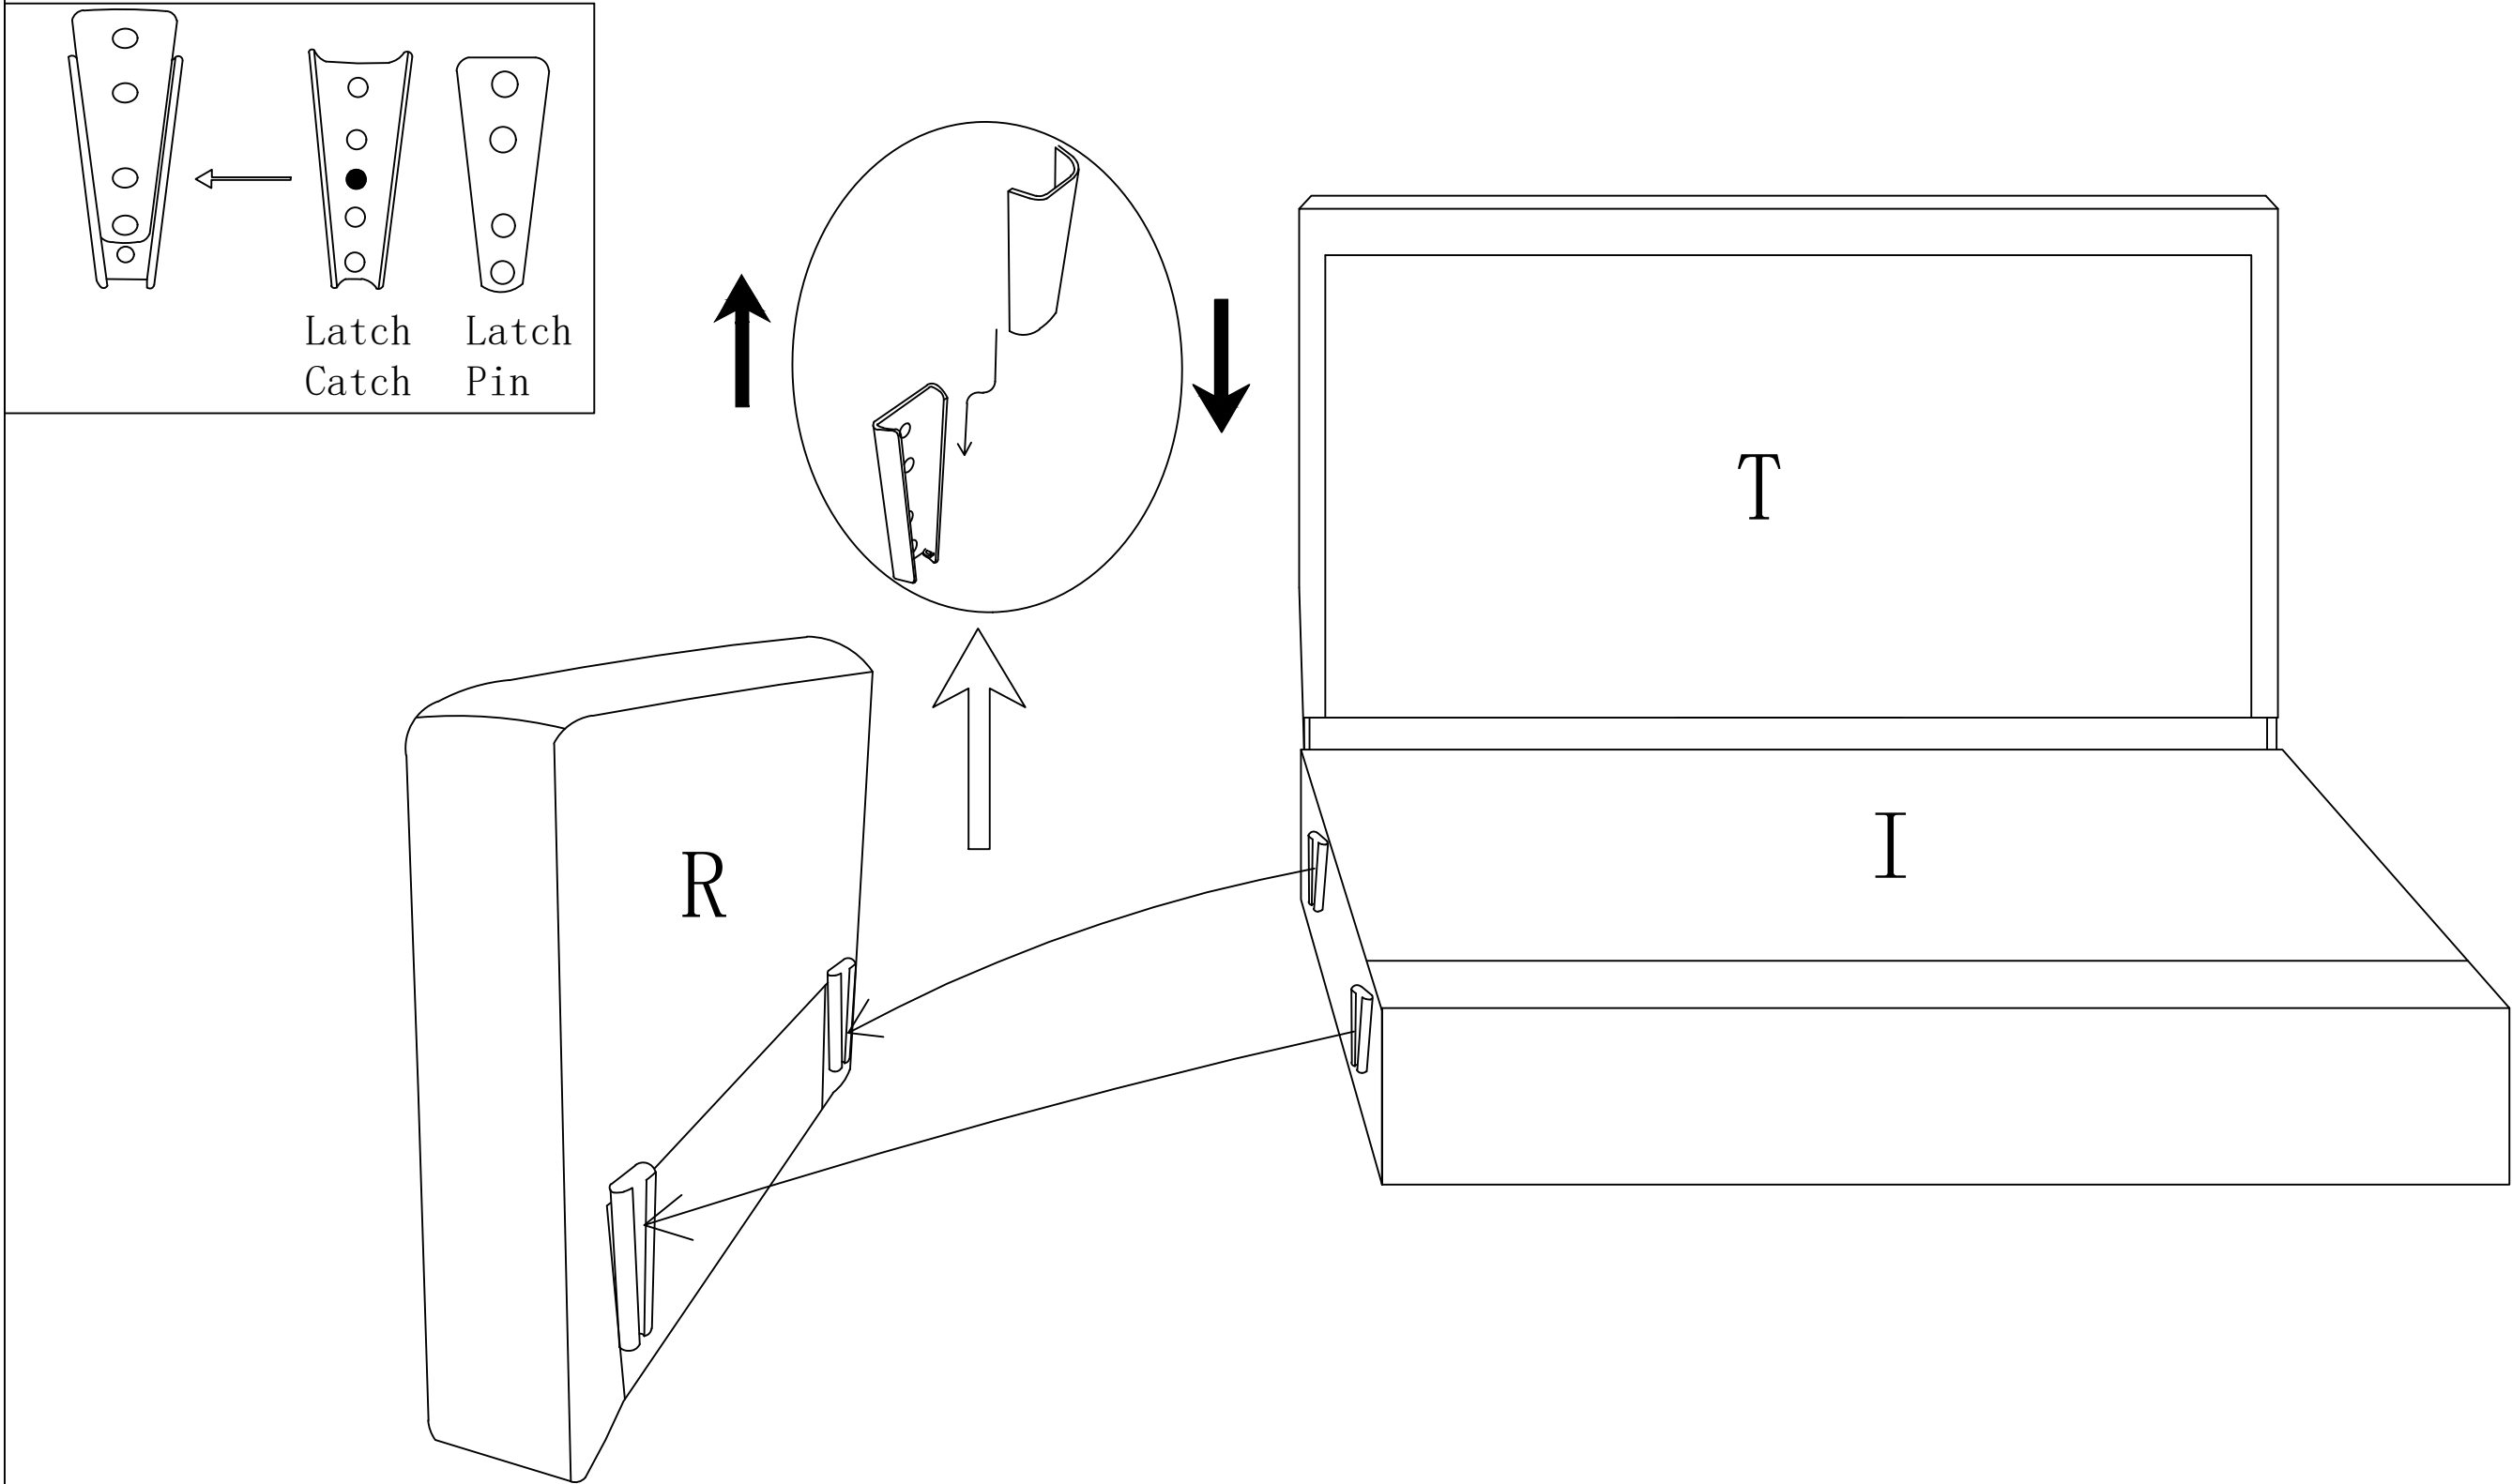

STEP 6: Secure the backrest to the brackets on both sides of the seat frame using screws. Then, lay down the back fabric and attach its Velcro strips beneath the seat frame.

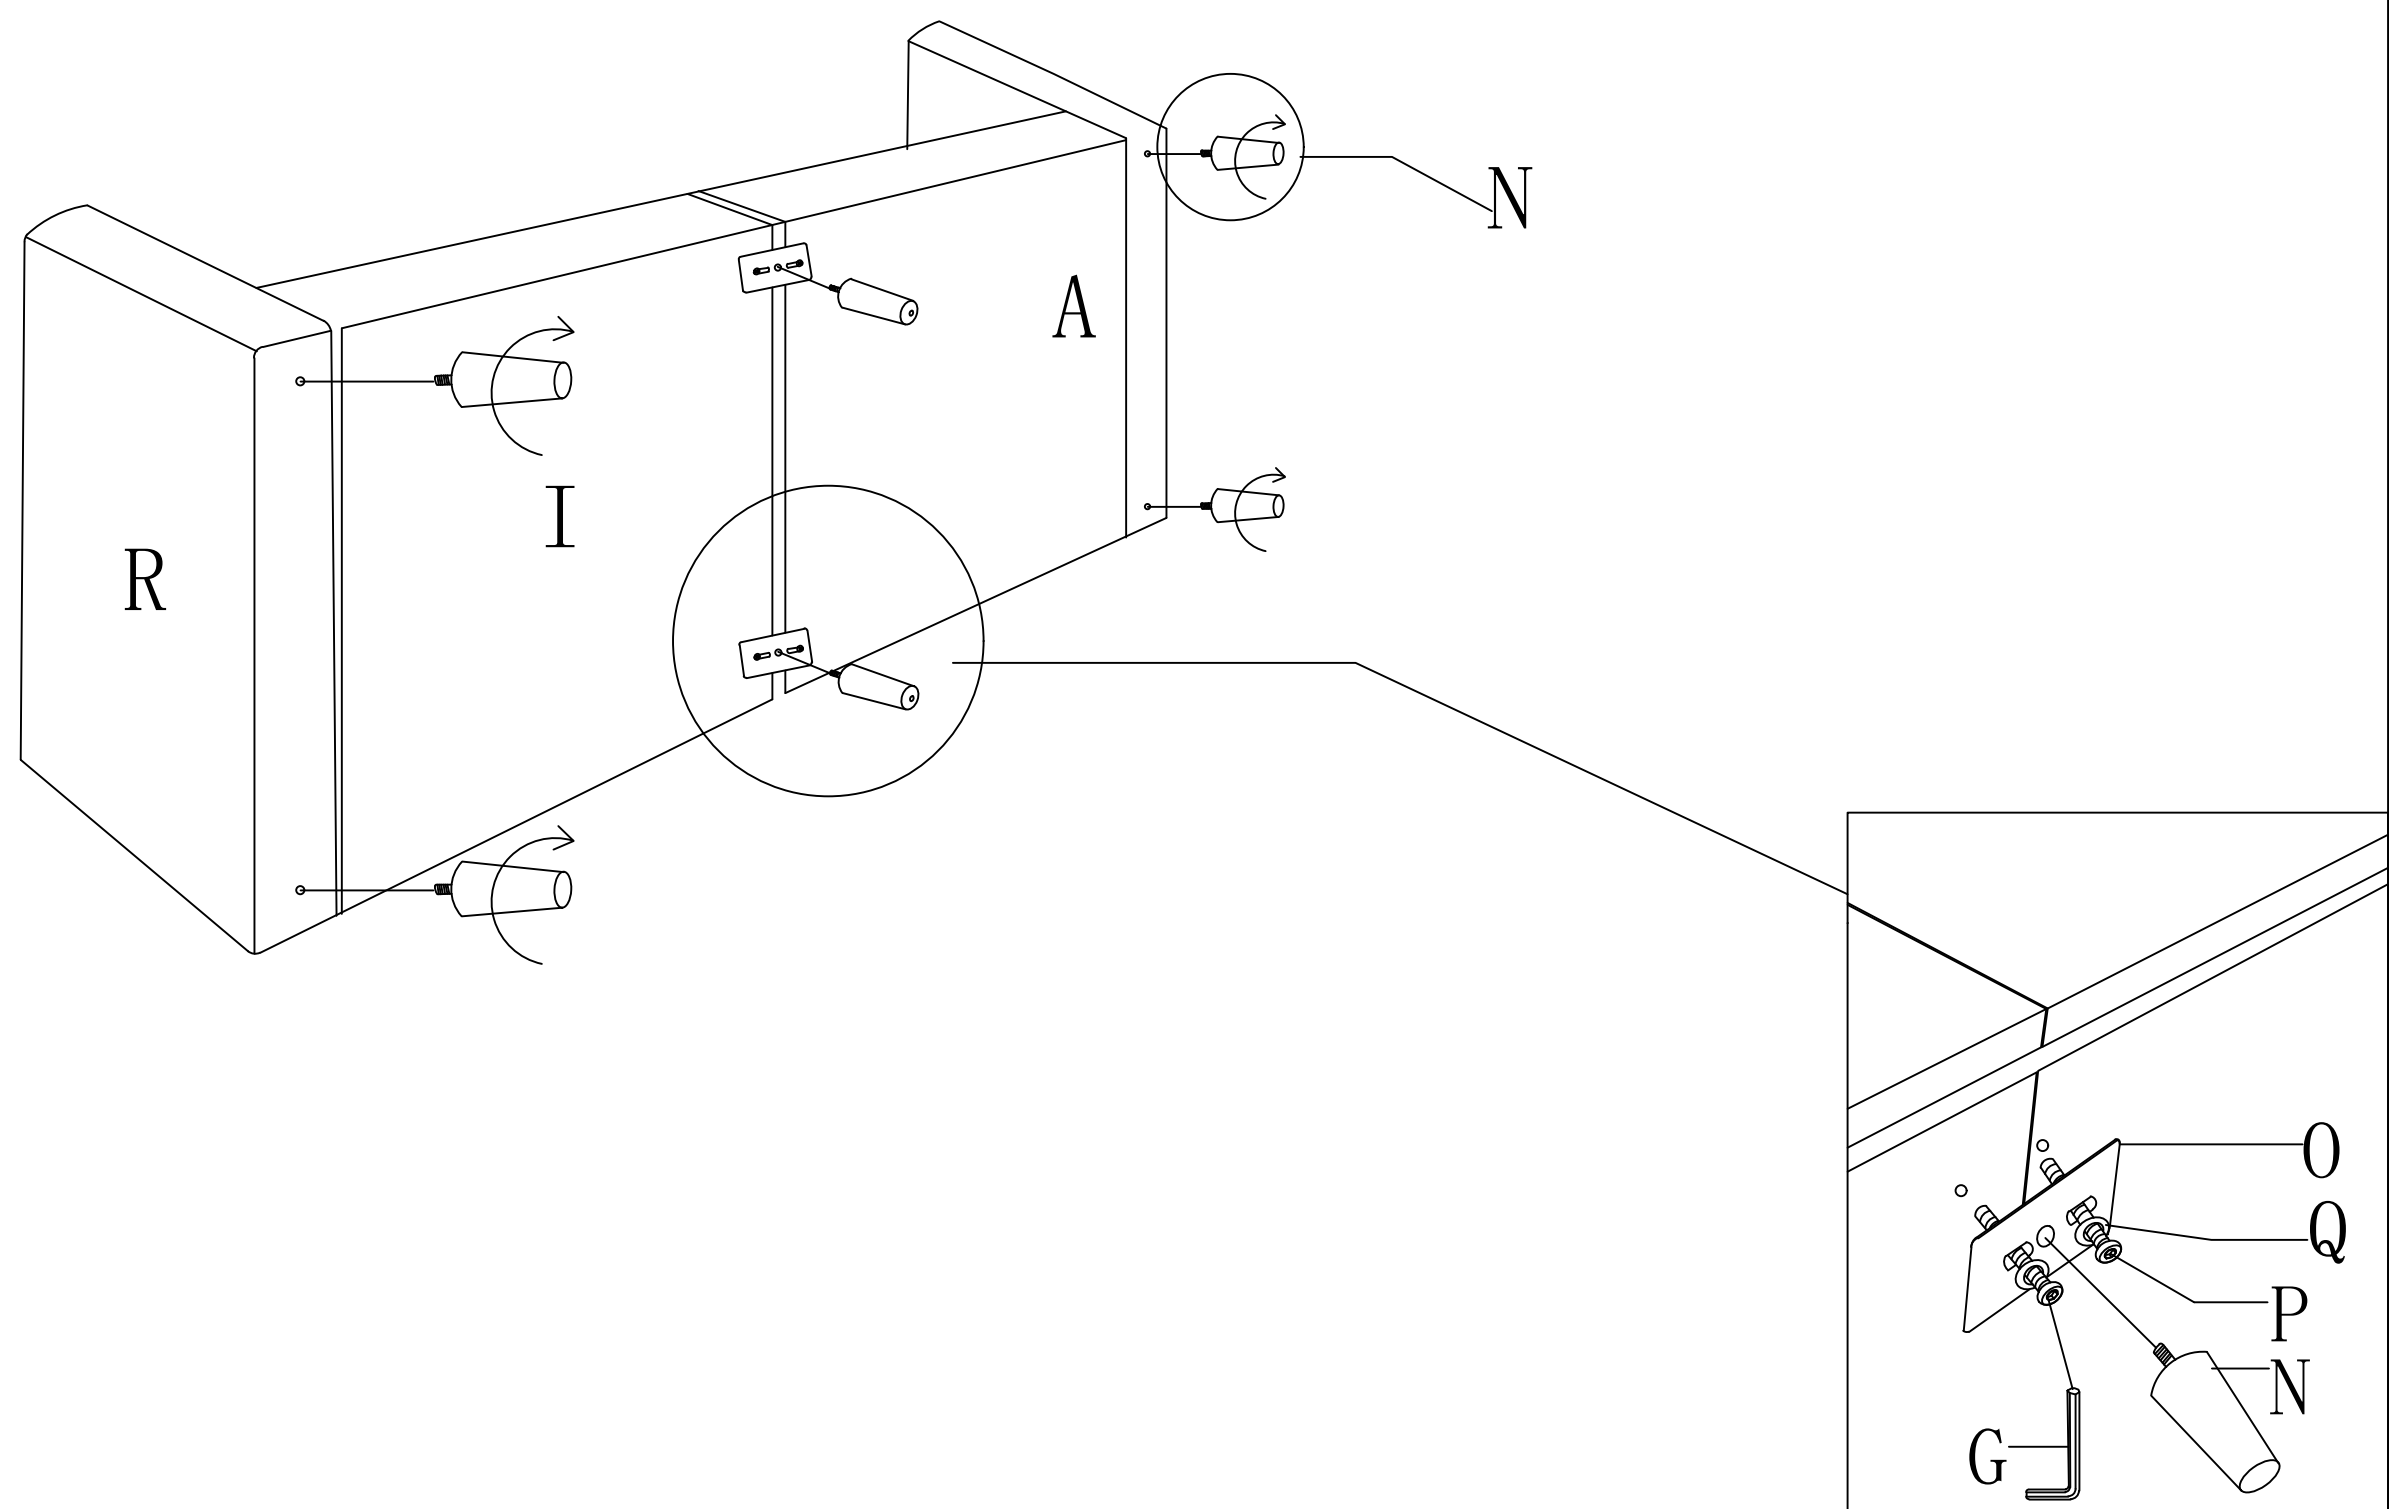

STEP 7: Lift the left seat frame (A) and insert it into the left armrest (S)

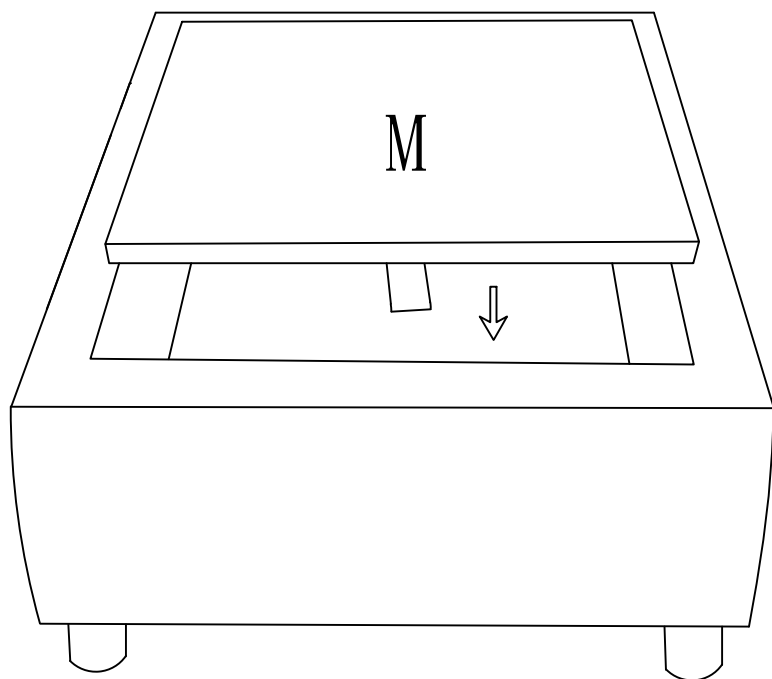

STEP 8: Lift the right seat frame (I) and insert it into the right armrest (R)

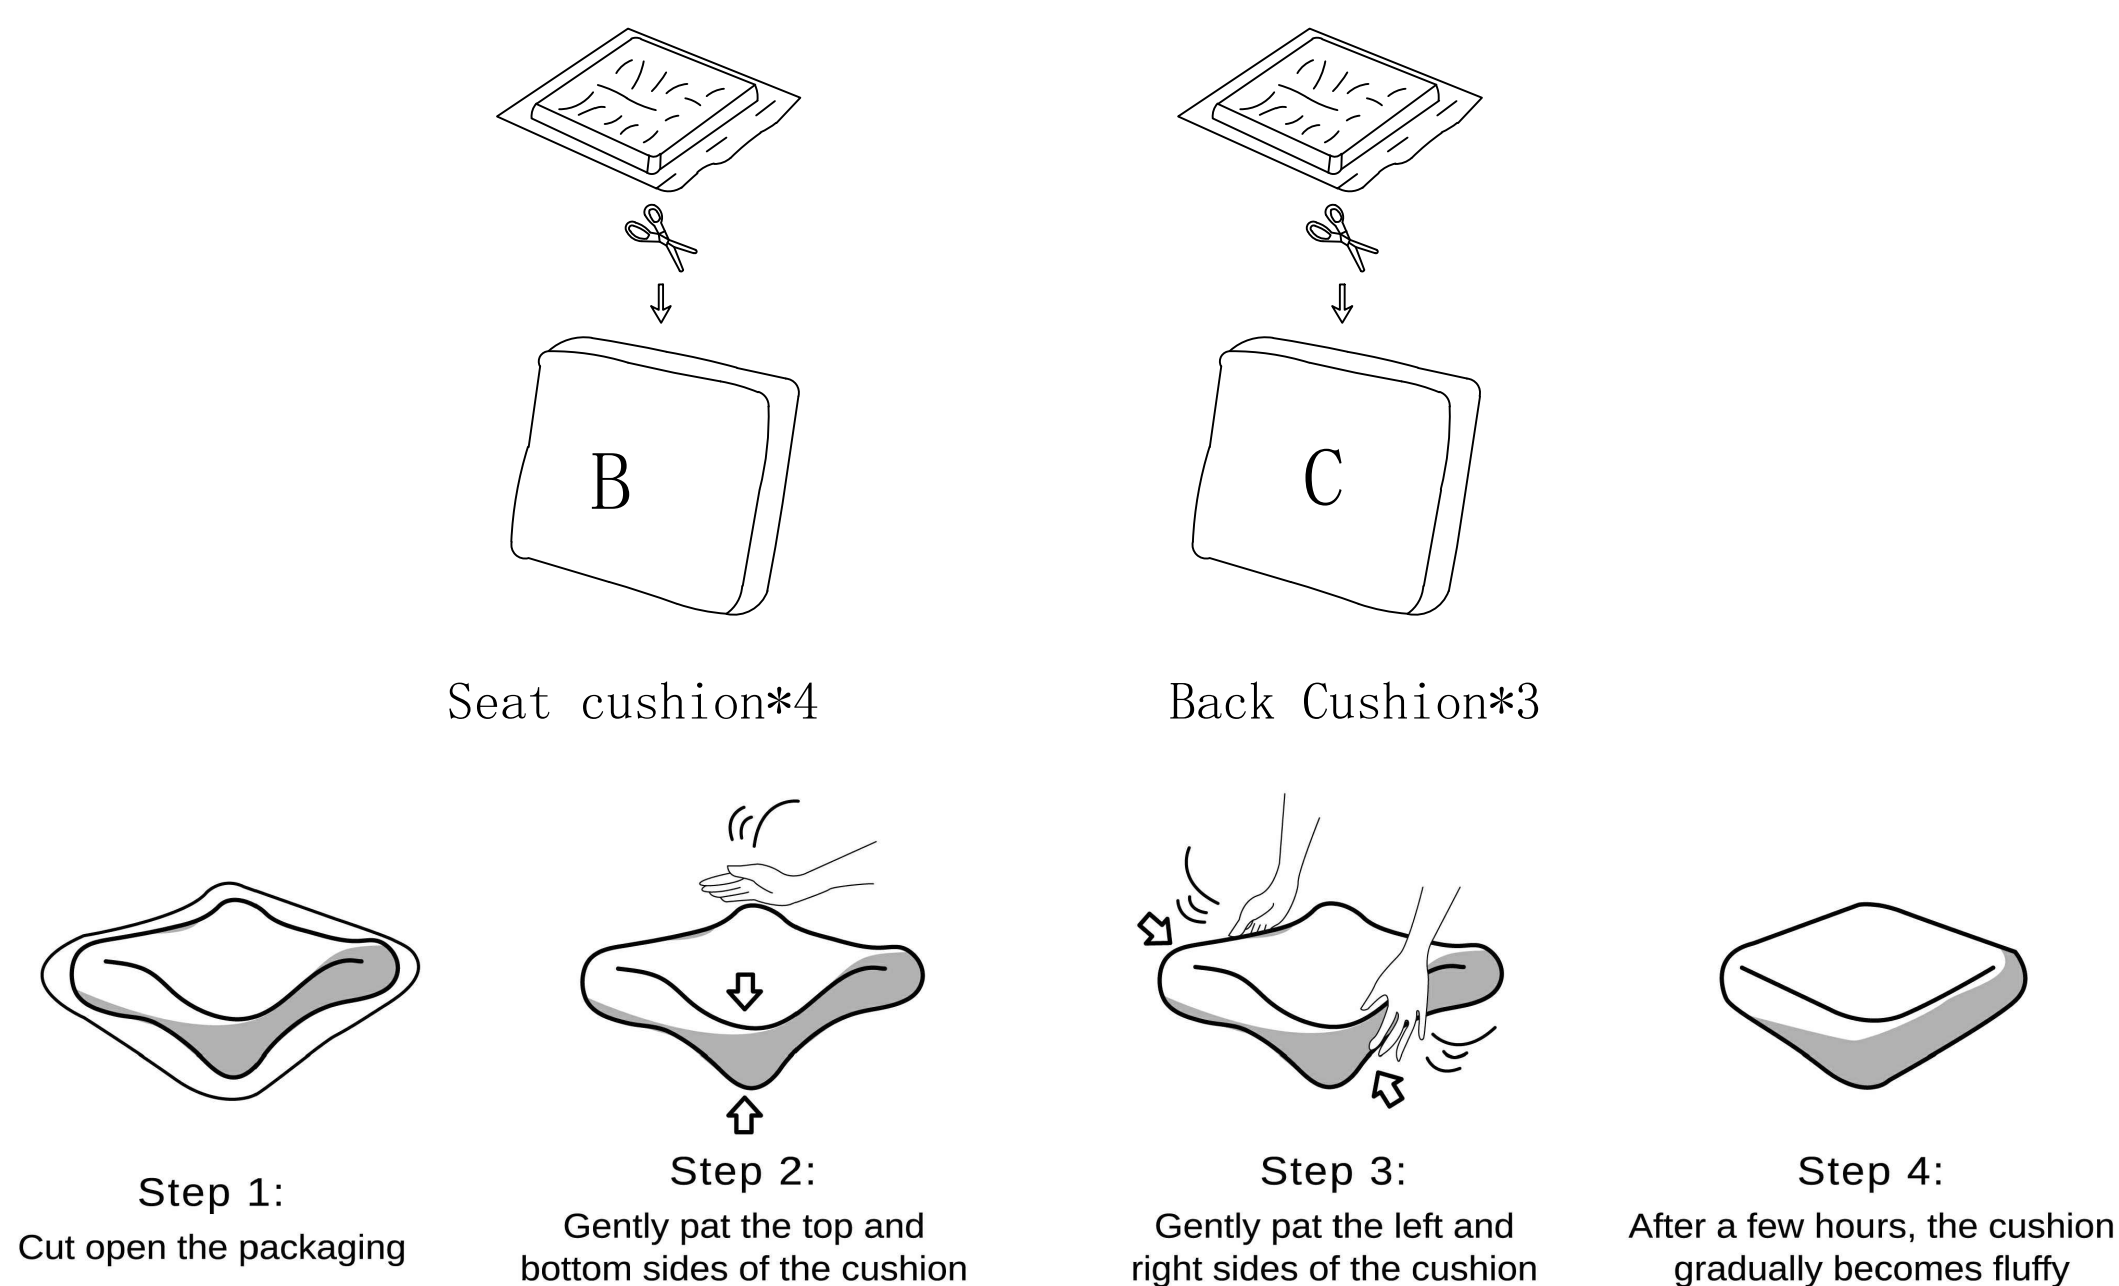

STEP 9: Install the sofa foot, Note: For the center foot, first attach the metal plate (0), then install the foot itself.

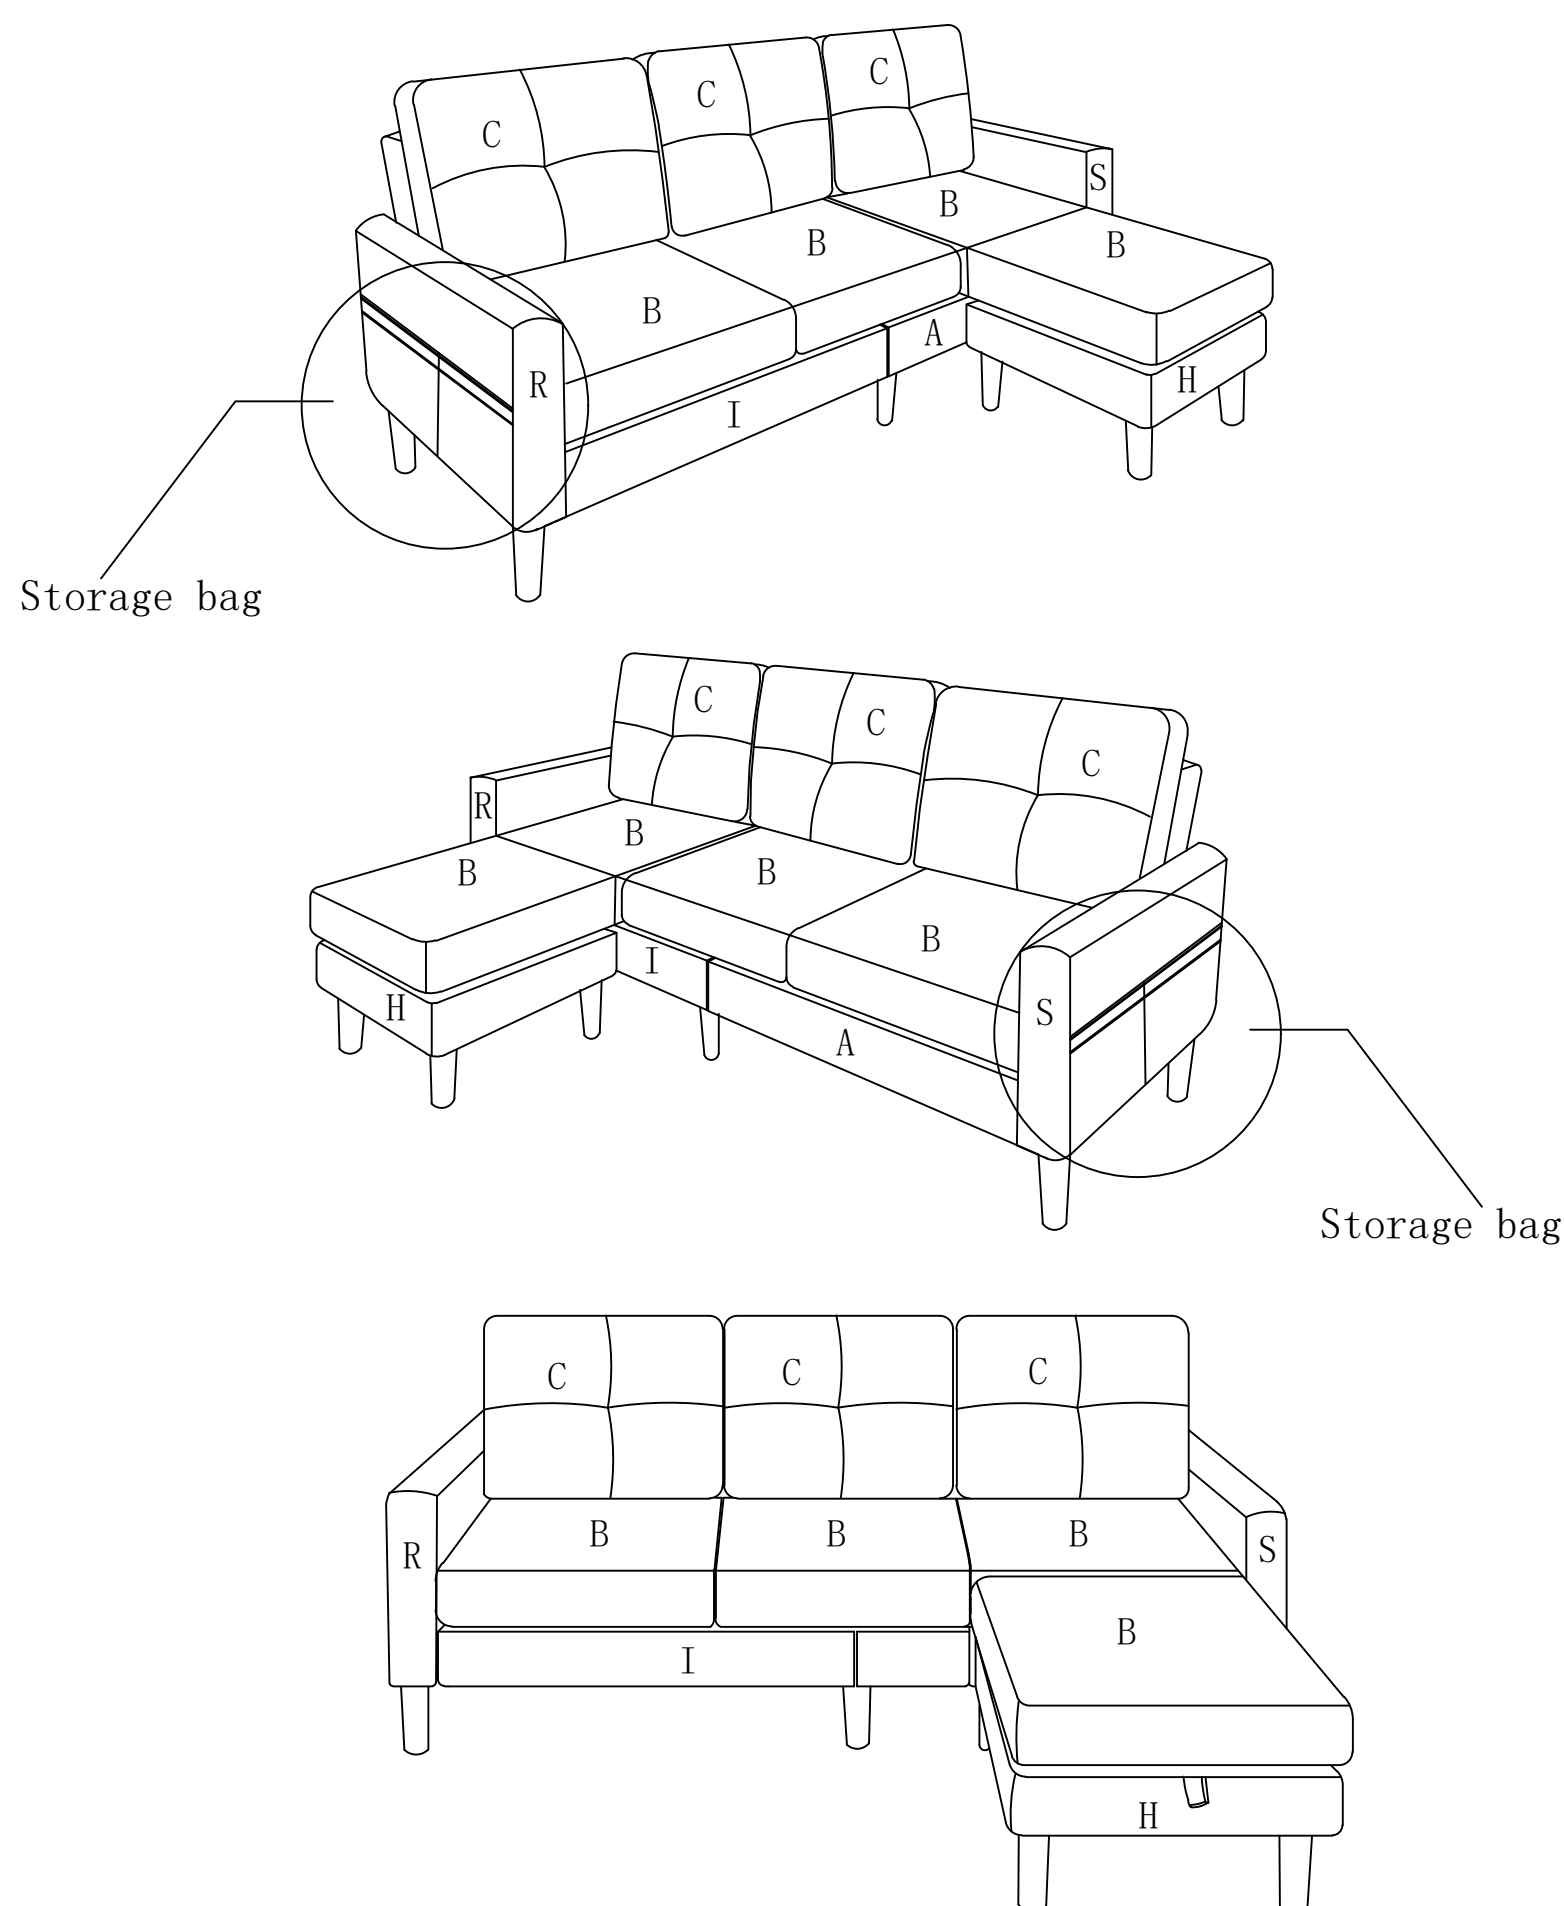

STEP 10: Place the ottoman panel on the ottoman frame

STEP 11: Open the compression bags with scissors

STEP 12: Put the seat cushion and then the back cushions on the sofa

Tip:

1. Back cushions are compressed to prevent humidity and mold, sometimes it's inevitable to find some wrinkles when you get them out, you can iron them or use them to help them to get back into the original shape.
2. Hand wash is preferred for daily care.

Customer Support E-mail Address: service-jarenie@hotmail.com

Note: Before assembly, take out all components hidden inside the sofa frame.
