LED Desk Lamp with Wireless Charger			
Power Source	Corded Electric	Net Weight	0.28 kg
Style	Modern	Color	White
USB Input	5V/2A	Main Material	ABS

## Precautions

1. While charging your mobile phone with the wireless charger, please keep your devices laid horizontally on the phone mount and aligned with the wireless charging sign.
2. The lamp is not battery operated, it is powered by a power bank, laptop, wall plug via the Type-c power cable.

3. After connecting the power supply, the indicator light is blue at first, then it will turn red when the lamp is in working condition.

## Instructions

1. Unpack and ensure the product is in serviceable condition.
2. Connect the lamp to the wall outlet using the provided power adapter.
3. Short-touch the power button to turn on the desk lamp.
4. Short-touch the power button again to adjust the brightness, then long-touch to adjust the color temperature.

## Notes

1. Warranty: 12-month warranty for the light and 60 days full refund guarantee for quality problems.
2. Damages caused by the disregard of this user manual are not subject to warranty.
