

The Peacock - 48" X 72" - Charcoal Frame

A0262

This glamorous print from our Luxe Art collection is a bold portrait of a peacock and its vibrant blue crown of feathers, symbolizing pride and nature's beauty. A labour intensive process begins with reverse printing on acrylic. Silver leaf is then slowly applied by hand for a reflective, shimmering look. Finished with a charcoal wood floater frame. Due to the reflective nature of acrylic and silver leaf, images on site may not capture the artisanal characteristics precisely. Hand-finished items will vary from piece to piece, resulting in a truly one-of-a-kind artwork.
