A well-rounded vanity

About The Vanity: The Luxe 30" Black Gloss Vanity delivers intentional design with a slim 18" depth body and two rounded legs. The included white solid surface countertop has rounded edges to complete the vanity's graceful profile. Form meets function with one large bottom drawer and a concealed upper accessory drawer. This wall-mounted fixture has an open back for easy installation.

A sophisticated silhouette

Made in Spain, the epicenter of lacquer finishes and glazes, the Luxe Vanity Collection offers a sophisticated silhouette for an en vogue bathroom. Its rounded edges have a mid-century influence, while its two, tastefully concealed drawers provide ample storage. Choose from three standard sizes and three classic colorways. Solid surface countertop is included.
