ASSEMBLY INSTRUCTIONS

WARNING

Assembly must be performed by two adults. Do not use the table until all parts are installed and all fasteners are secure.

NOTICE

Before securing the shelves, make sure the wood grain on tabletop (A), shelf (B), and shelf (C) all runs in the same direction.

Preparation

Confirm that all parts and hardware are present. Place tabletop (A) face down on a soft, clean surface. Leave fasteners slightly loose through Step 3 so the parts can be aligned in Step 4.

STEP 1 | PREASSEMBLE ALL THREE LEGS

Use: D x3, ① x6, ② x6, ③ x6, ④ Attach two metal angle brackets (③) to the indicated mounting points on each leg (D), using one screw (①) and one metal washer (②) for each bracket. Repeat for all three legs. Tighten only enough to hold each bracket in place.

STEP 2 | ATTACH TWO LEGS TO TABLETOP A

Use: D x2, ① x4, ② x4, ④ Position two legs (D) at the mounting locations shown on the underside of tabletop (A). Secure each leg end plate with two screws (①) and two washers (②). Do not fully tighten.

STEP 3 | ATTACH SHELVES B AND C

Use: B x1, C x1, ① x4, ② x4, ④ Position lower shelf (B) and middle shelf (C) between the two installed legs as shown. Align the shelf holes with the preinstalled brackets (③). Secure each shelf to each installed leg with one screw (①) and one washer (②), using four screw-and-washer sets in total. Do not fully tighten.

STEP 4 | INSTALL THE REMAINING LEG

Use: D x1, ① x4, ② x4, ④ Position the remaining leg (D) as shown. Secure the leg end plate to tabletop (A) with two screws (①) and two washers (②). Secure the preinstalled brackets (③) to lower shelf (B) and middle shelf (C), using one screw (①) and one washer (②) at each shelf connection. Align all parts, then tighten all 18 screws from Steps 1–4 evenly and securely. Do not overtighten.

STEP 5 | TURN UPRIGHT AND INSPECT

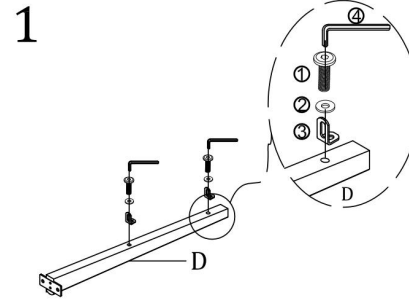

Use: Two adults With one adult on each side, carefully turn the table upright. Place it on a firm, flat, and level surface. Confirm that the table sits level and that every connection is secure before use.

FINAL INSPECTION: Verify that all three legs are properly seated, both shelves are aligned, and no hardware is missing or loose.
