We are sorry for any inconvenience. Please contact us promptly and follow these steps:
Keep the original box (in case a return is needed).
Take photos of the damaged box, the damaged part(s) and the tracking number.
Send the photos to us so we can process a replacement or refund.

2. Can I return the product if I am not satisfied?

3. What should I do if the product has an odor?
Rest assured, all materials used are harmless, and will not affect your health. We recommend placing the product in a well-ventilated area for a day or two, or using an air freshener if needed.

4.Warranty Information
Warranty: We offer a 1-year manufacturer limited warranty for this upholstered sofa, effective from the date you receive your order.
During the warranty term, if any structural parts, hardware or original accessories arrive damaged or fail under normal household use, we will ship brand new replacement components completely free of charge with no extra cost.
Warranty Exclusions:
This warranty does not cover:
Accidental damage, improper use, abuse, or man-made destruction;
Normal wear and tear, stains, scratches, fading, and fabric aging over time;
Damage caused by outdoor use, commercial use, or extreme environments;
Unauthorized modification, disassembly, or self-repair of the product;

Daily Care Instructions:

With proper care, your furniture will last for years. Please follow these guidelines:
Keep the sofa away from direct sunlight, or use curtains/blinds to reduce exposure.
Clean regularly with a dry, soft cloth or a vacuum with a soft attachment.
For stubborn stains, gently blot with a soft cloth dipped in warm water and mild soap, then dry with a clean cloth.
Avoid excessive rubbing, as it may damage the weave or cause discoloration.
Place felt pads under the sofa to prevent floor scratches. A rug underneath also adds protection and style.
Distribute weight evenly on the cushions over time for optimal care.
When moving the furniture, always lift it rather than dragging it across the floor. Dragging can damage legs, joints, and flooring.
Keep sharp objects away from the fabric or leather surface to prevent snags, tears, or scratches.
