ASSEMBLY INSTRUCTIONS

⚠SAFET YTIPS:

Static charge may cause dust on foam-clean with a dry or damp cloth. Small foam strands may be present-handle gently and dispose of properly. Do not burn or incinerate. Check local recycling guideline.

Have an assembly question or need a replacement part?
Please contact with our customer service.

Warnings

Important reminder:

⚠ Please sort and check all accessories before assembly.

⚠ Place the product on an empty cardboard box or on carpet to prevent scratches.

⚠ Please use proper tools for assembly.Using an electric screwdriver can accelerate the assemoly speed, but please do not overtighten the screws.

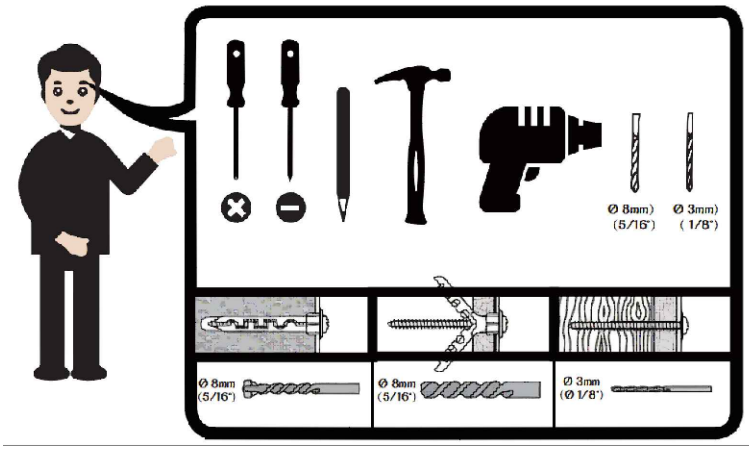

⚠ Please follow the assembly steps and do not skip any of them.

⚠ If possible, please find a partner to help you with assembly, which can accelerate assembly.

⚠ Keep all small parts of this product away from children. They may cause serious injury.

⚠ We hope you can retighten the screws 2 weeks after assembly, and check the tightening procedure of the screws every 3 months.

If you meet any difficulty, our friendly customer team are always ready to help you.

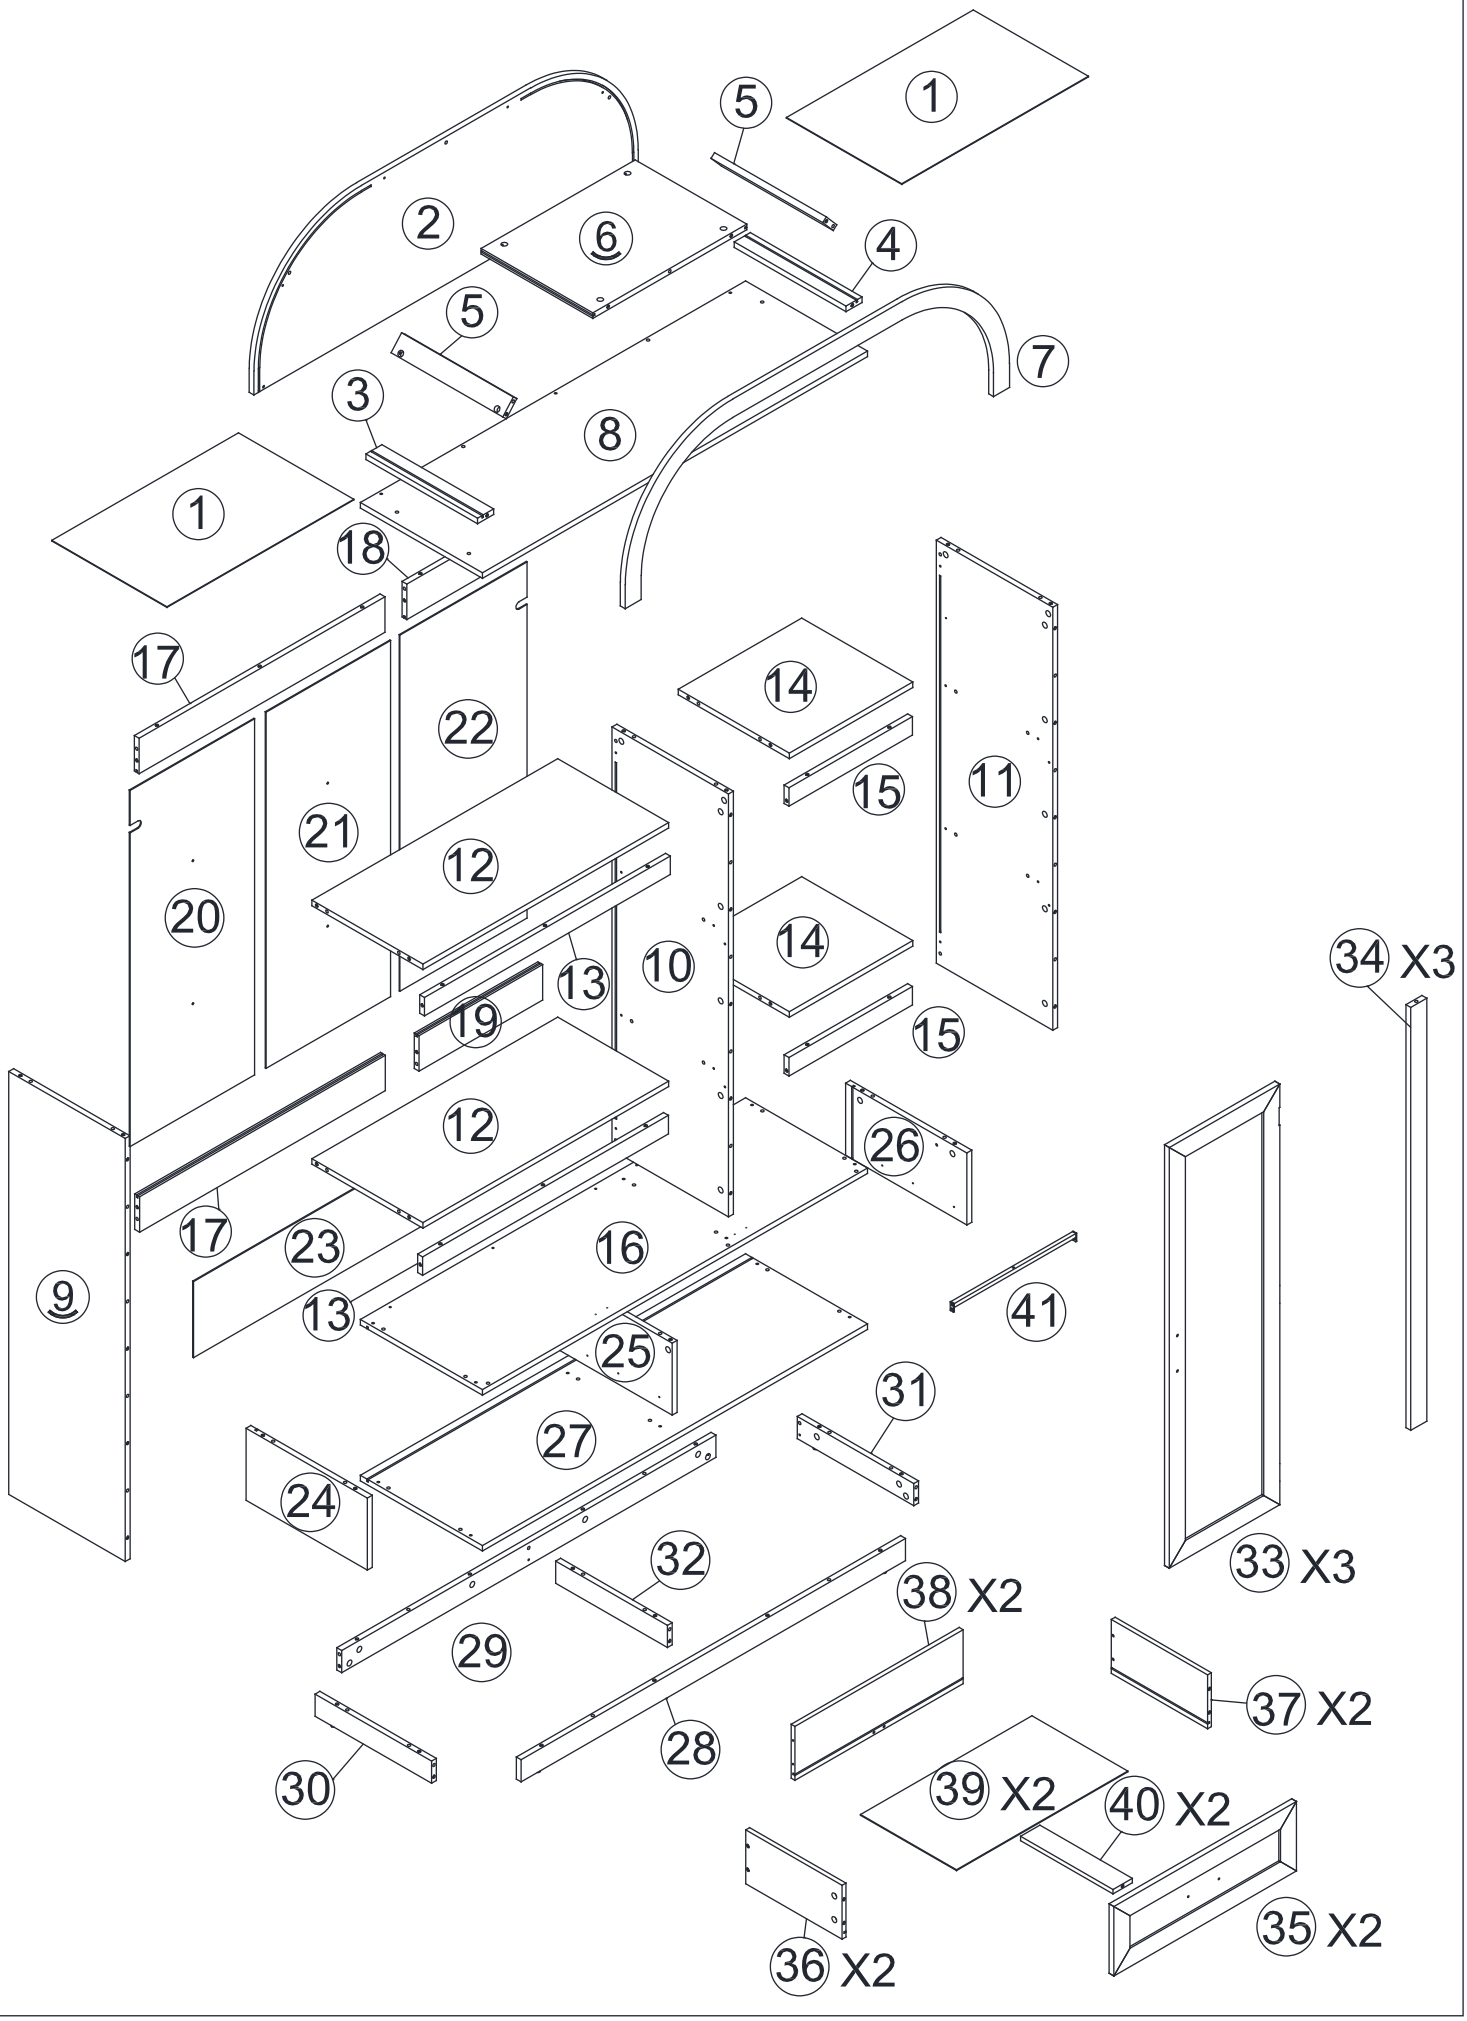

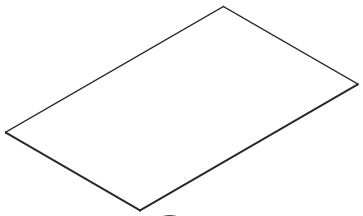

Warning: Overturning the product can cause serious injury.

A wall-connection (anti-tip) device is included—please use it according to the assembly instructions. Do not alter or modify the structure of this product. Our products have been tested and meet all relevant safety standards. We are not responsible for damage or injury resulting from unauthorized modifications.

⚠ Warning: If you overturn the furniture, it may cause serious or fatal crushing injuries. We have a wall connection device attached, please use it to hold the furniture following these instructions.

1.Mark the corresponding hole positions where you want to place the furniture;
2.Use a impact drill to drill holes and pay attention to avoid wires and water pipes;
3.Knock the expansion pipes into the wall holes;
4.Place the furniture in the corresponding position and tighten the wall connection device with screws.
