## Application

This product can hold a variety of household appliances, tableware, shower products, kitchen supplies, skincare products, wines, cups, spices, fruits and vegetables, and more. It is ideal for the kitchen, living room, bedroom, office, garage, studio, or other places where storage space is needed.

## Notes

1. Please check the size carefully before ordering.
2. Please note that this product does not include any other storage items.
3. Please use this product within the load-bearing range.
4. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
