

## Installation steps:

1. Drill a hole of appropriate size in the ceiling, and then insert the expansion rubber plug into the hole
2. Put the lamp body on the ceiling
3. Connect the main line on the lamp body with the line reserved on the ceiling
- 4-5. Fix the lamp body on the junction box with the screws on the accessory kit
- 6-7. Gently bend the acrylic sheet, and then insert it into the lamp body

## Attention:

1. Please cut off the power supply before installation to prevent electric shock (installation by certified electrician is recommended)
2. Due to the different display, the actual color can be different from the image
3. Due to the manual measurement of lamp body size, there may be a deviation of 1 / 2 inch
4. If you have any questions or lost parts, please feel free to contact us and we will try our best to help you
