

1 Year Limited Warranty

STRUCTURE

NW Green Panels, Inc. guarantees the structural integrity of every greenhouse we make. This means we ensure that each greenhouse component will be assembled with pride and function properly. NW Green Panels, Inc. expects every greenhouse to withstand normal to severe conditions but does not guarantee against extreme weather damage and acts of God. If you are concerned that you are in a very high wind area, you will be responsible for securing the structure. NW Green Panels, Inc. glazed roof system is engineered to maintain a leak free environment however, due to the nature of glazed roofing in a greenhouse environment we do not guarantee that your structure will be water or air tight. If excessive infiltration occurs, we will instruct you or your contractor on how to minimize or eliminate any leaks. Due to the knotty nature of the wood used in our greenhouse components we cannot guarantee the wood being free of warping or swelling due to moisture. If a component does warp past the point of functioning, we will replace the part or component at no cost to you and instruct you or your contractor on how to install the replacement part or component. NW Green Panels, Inc. treats every greenhouse with an oil stain. NW Green Panels, Inc. guarantees the wood being free from rot for One year from the date of purchase provided the greenhouse is elevated and away from any long term standing water or saturated ground.

GLAZING

All Materials used for glazing come with manufacturer guarantee of 10 years. We guarantee the glaze materials are applied correctly and should a product become defective or fail we will cover 100% of the material and shipping to replace the defective glazing. Return of defective glazing will be determined on a case by case basis.

VENTING MECHANISM

NW Green Panels, Inc. uses Bayliss MK7 automatic greenhouse vent openers to open and close our unique passive ridge-line ventilation system. Bayliss guarantees 2-year warranty. If for any reason your lifter should fail within that 2-year period contact NW Green Panels and we will facilitate the exchange.
