Customer Instruction Card

To our most beloved and valued customer:

Thank you for your order, and we appreciate your trust and support.

If you need any assistance or have any questions about your order, please reach out to our customer service team with your order number.

If you would like to know more about our company or need to forward documents. You can also reach us by email.

Common Questions:

1. Normally the cushion is placed within the ottoman/chair; please turn it upside down, and you may find the cushion.
2. Please do not fully tighten the screws before all parts are assembled successfully, in case the products cannot be lined up in position.
3. Furniture sets are mostly delivered in multiple cartons. If the numbers of boxes you received are not correct/missing. Please contact us via phone or email with your order number.
4. Our cushions are considered as shower proof, and we recommend that when the furniture set is not in use, you cover it with a furniture cover or store it in a dry place.
5. Always be careful when cleaning or handling glass (Always wear gloves and read the instructions of any household cleaner.) We do not advise placing hot objects such as tea or coffee pots directly onto the surface of the glass, always use coasters.
6. If you would like to return the order, be sure to also return any accessories and packing slips that came with your original package.
7. For all your accessory needs, please visit our brand's official website.
8. To preserve the longevity and beauty of your glass-topped wicker table, we recommend placing it in a shaded area away from direct sunlight. Additionally, please use a rain cover to protect it when not in use.

Thank you for your understanding and cooperation, we wish you a fantastic shopping experience with us, and we are looking forward to serving you again!
