Assembly Instruction

Hardware parts 1

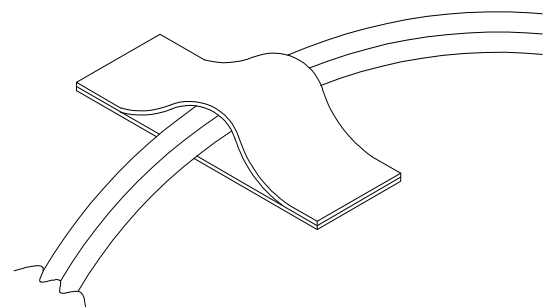

Assembly Instruction

LED light strip electronic accessories list

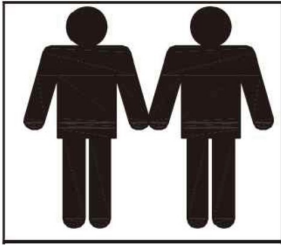

When the wires are disordered, tear off the anti stick paper, paste it on the place where the wires pass, and then bind the wires.

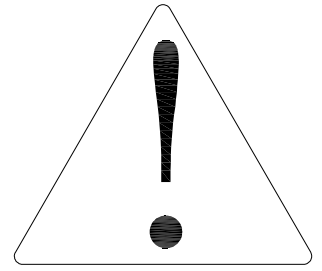

Assembly Instruction

Note:

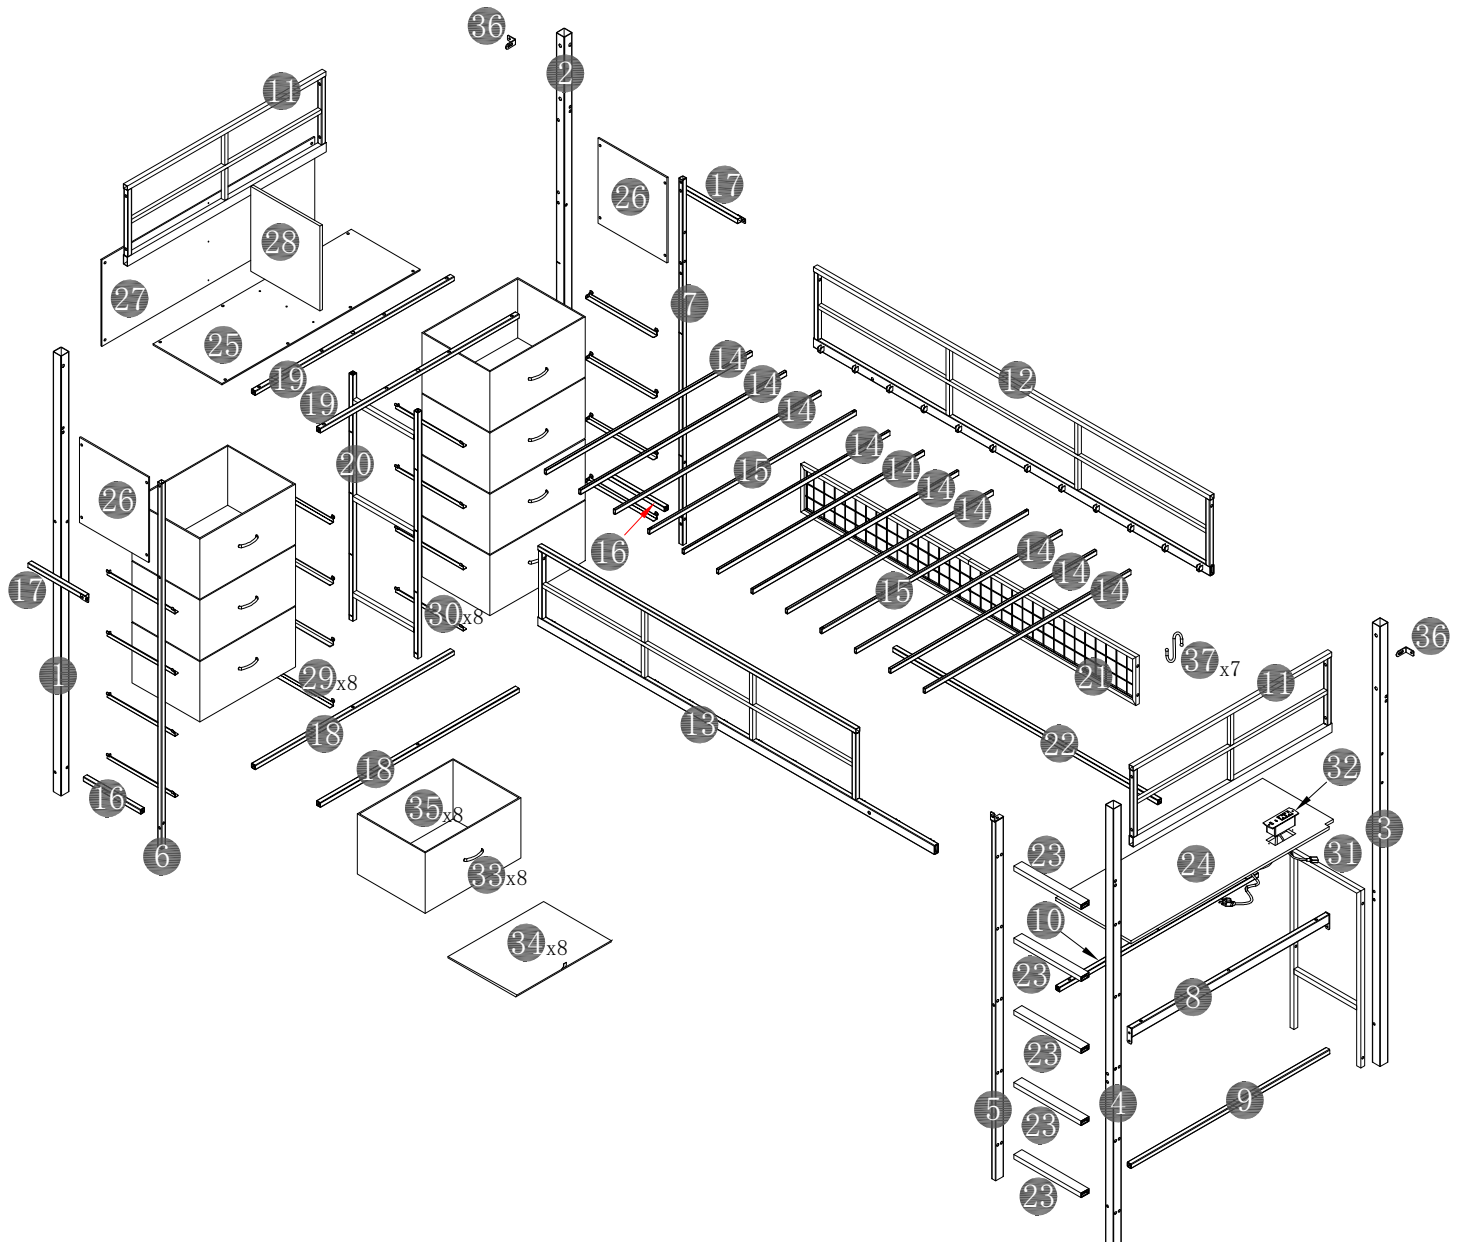

1. should be assembled on flat ground to keep balance.
2. Before completing the installation, do not tighten the screws.

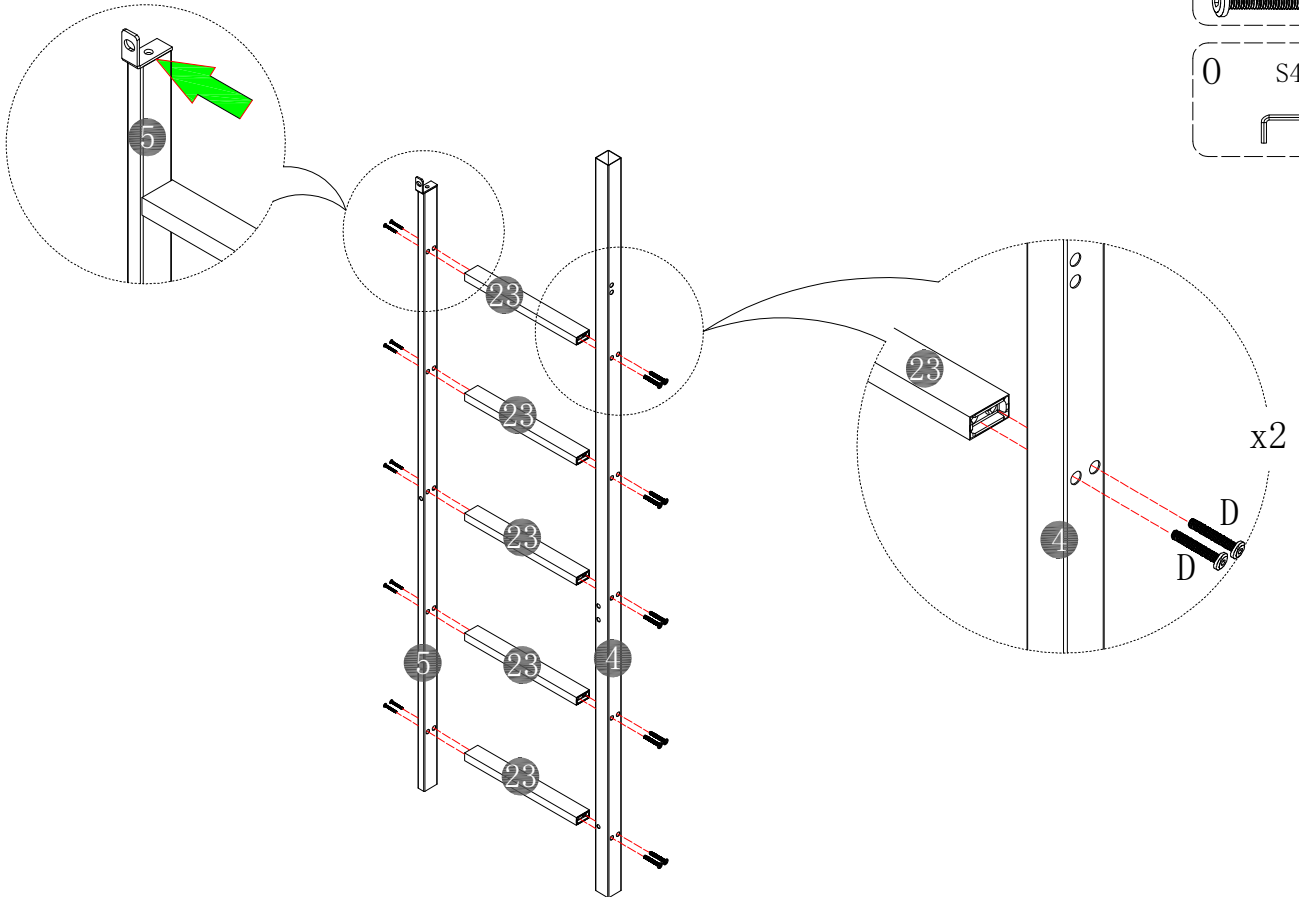

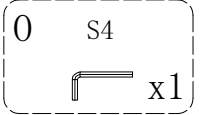

It needs at least two people to install.

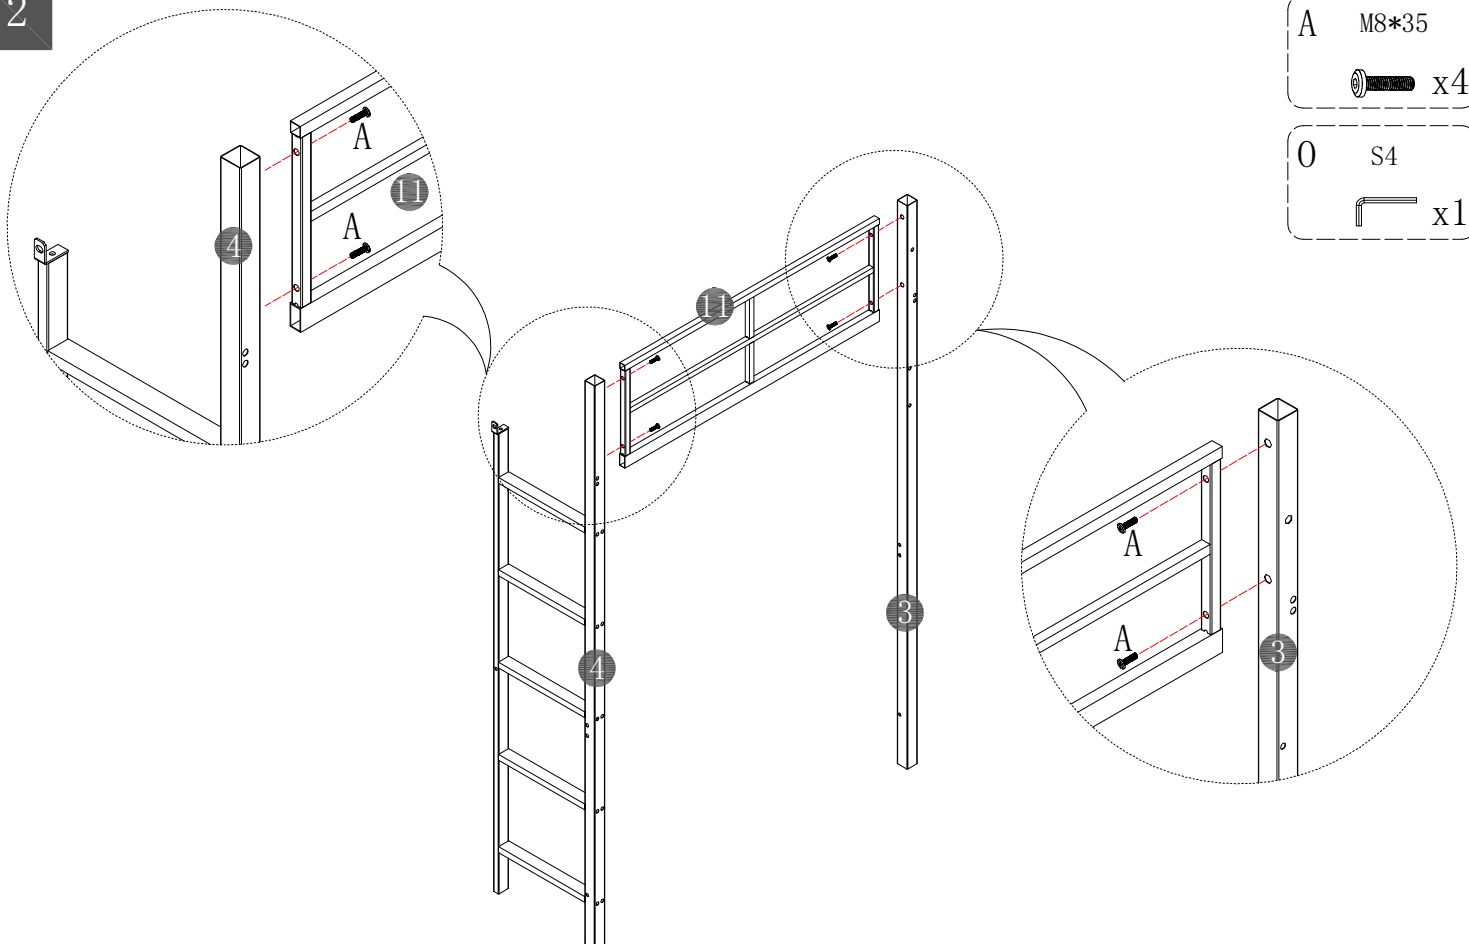

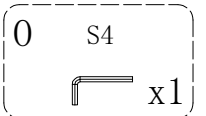

Before starting the assembly, you must read the whole manual and follow the instructions
