Care Instructions for PU Furniture:

To maintain the original appearance of your PU, please follow the simple care procedures below:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and or exposure to heating and air conditioning outlets will fade/damage PU.
- Vacuum or wipe with a soft cloth to remove dust.
- Hardware may loosen over time. Periodically check to make sure all connections are tight. Re-tighten if necessary.

For items used on wooden floors, hard surfaces, or carpets, it is recommended to install protective pads under all legs and supports to prevent damage, scratches, and discoloration.
