A.  * 5

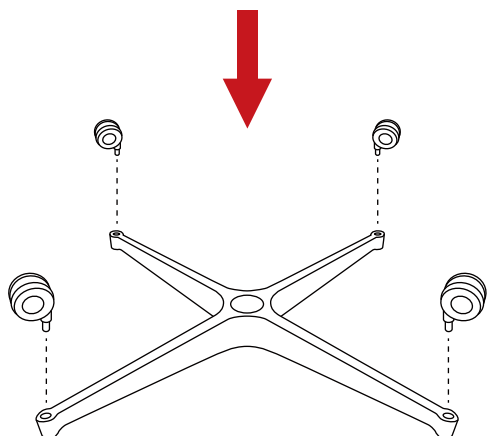

B.  * 5

C.  * 1

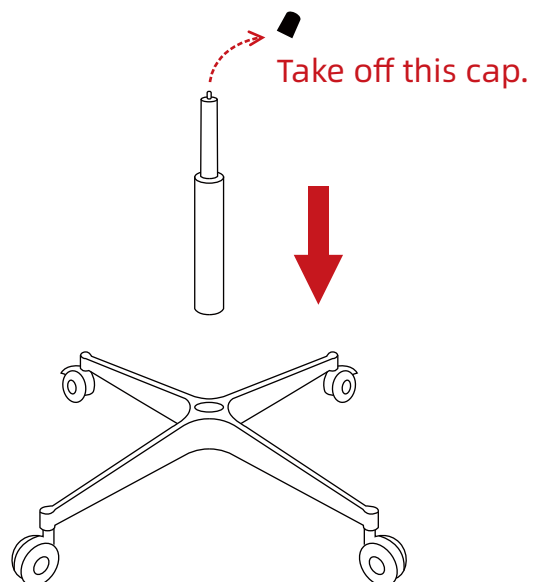

ASSEMBLY ICON

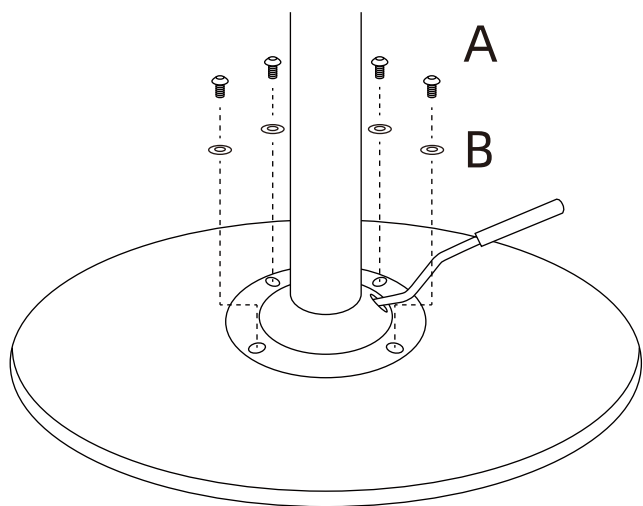

Tighten the product as shown in the figure above.

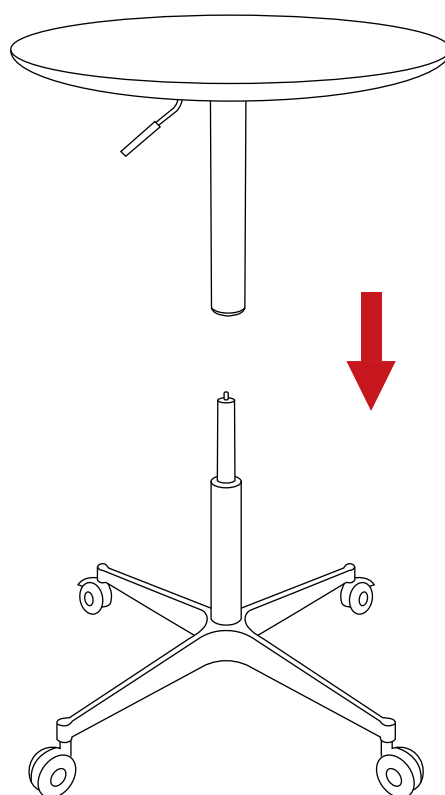

1、 Forcefully press the wheels into the iron foot base hole.

2、 Place the gaslift directly in the middle hole of the iron foot and take off the top protective cover.

3、 Flip the desktop over and then install the bracket on the bottom of the desktop.

4、 Slide the sleeve onto the gaslift to complete the installation.
