Read all instructions before starting assembly.

Step #1 Remove all the contents from the package checking that all of the components listed in "Packaged" are included. Prepare a flat, protected work surface where the product can be assembled.

Step #2 Place Table Top (A) face down on a protected work surface. Attach one Lock Washer (E) and one Flat Washer (F) onto one Long Machine Screw (D). Align one Leg (B) into apron notch area. Push screw with attached washers thru corner block into threaded insert in leg block. Loosely tighten. Repeat procedure for remaining legs.

Step #3 Align one Angle Bracket (H) with its hole side (not slot side) over threaded insert hole located in lower portion of Leg (B). Push one Short Machine Screw (G) thru the bracket hole and into the threaded insert of the Leg. Loosley tighten. Continue with remaining brackets and screws.

Step #4 With Table still in upside down position, take Shelf (C) face down and bring up and align tips of shelf corners into notches on inside of each leg. Holding shelf with one hand, align the threaded insert of Shelf (C) with the slot of Angle Bracket (H) and push Short Machine Screw (G) thru slot of angle bracket into threaded insert. Loosely tighten. Repeat procedure in opposite holes until all six screws are attached.

Step #5 Starting with Long Machine Screws in leg blocks, securely tighten* all six leg screws. Continue with the Short Machine Screws holding the Angle Brackets to the Legs and finally, securely tighten* all six screws holding the shelf to the brackets.

Step #6 Place assembled table into upright position.
