Please pay attention to the warning signs
Read the instructions with caution before
operating and keep it properly

Warning

1. Before assembly, lay out all parts on a clean, flat surface and inspect each part for defects that may have occurred during shipping.
2. Inspect the wire insulation for any cuts, abrasions, or exposed copper that may have occurred during shipping. If there are any defects, DO NOT continue assembly. Please contact our customer service team immediately.
3. Consult a qualified electrician if you have any electrical questions.
4. To reduce the likelihood of tipping over, we recommend placing the lamp behind furniture and keeping children and pets away.
5. Never drape clothes over the lamp.
6. To prevent children from suffocating and choking, keep them away from packing materials.
7. Please keep this manual and pass it along when transferring the product.
