SAFETY INSTRUCTION

Attach the bracket onto your wall securely. This is the base that'll hold your unit. Slide the bedside in from above - do not simply place it in & leave it there. After insertion, push it down from above lightly but firmly until the structure is stable. For additional security, you must fasten the unit with a bolt using allen key (L shaped key) to interlock the unit & wall bracket.

ASSEMBLY INSTRUCTION

In the unlikely event of a product being wobbly (due to floor surface or otherwise); adjust it by slightly increasing or decreasing the distance between the buffers provided or moving the legs inwards or outwards.

This product is handcrafted in India using sustainable resources under certified commercial plantation programme.

This furniture piece is exclusively handcrafted using 100 % solid wood with no veneers or lamination, hence features like grains pattern, knot, minor movements or variations are natural occurrence and should not be treated as defects.

Avoid placing your furniture under direct sunlight &/ or near radiators, also occasionally polish the non-painted furniture parts with bees wax to retain it's sheen & for longer lifespan.
