Assembly Instructions

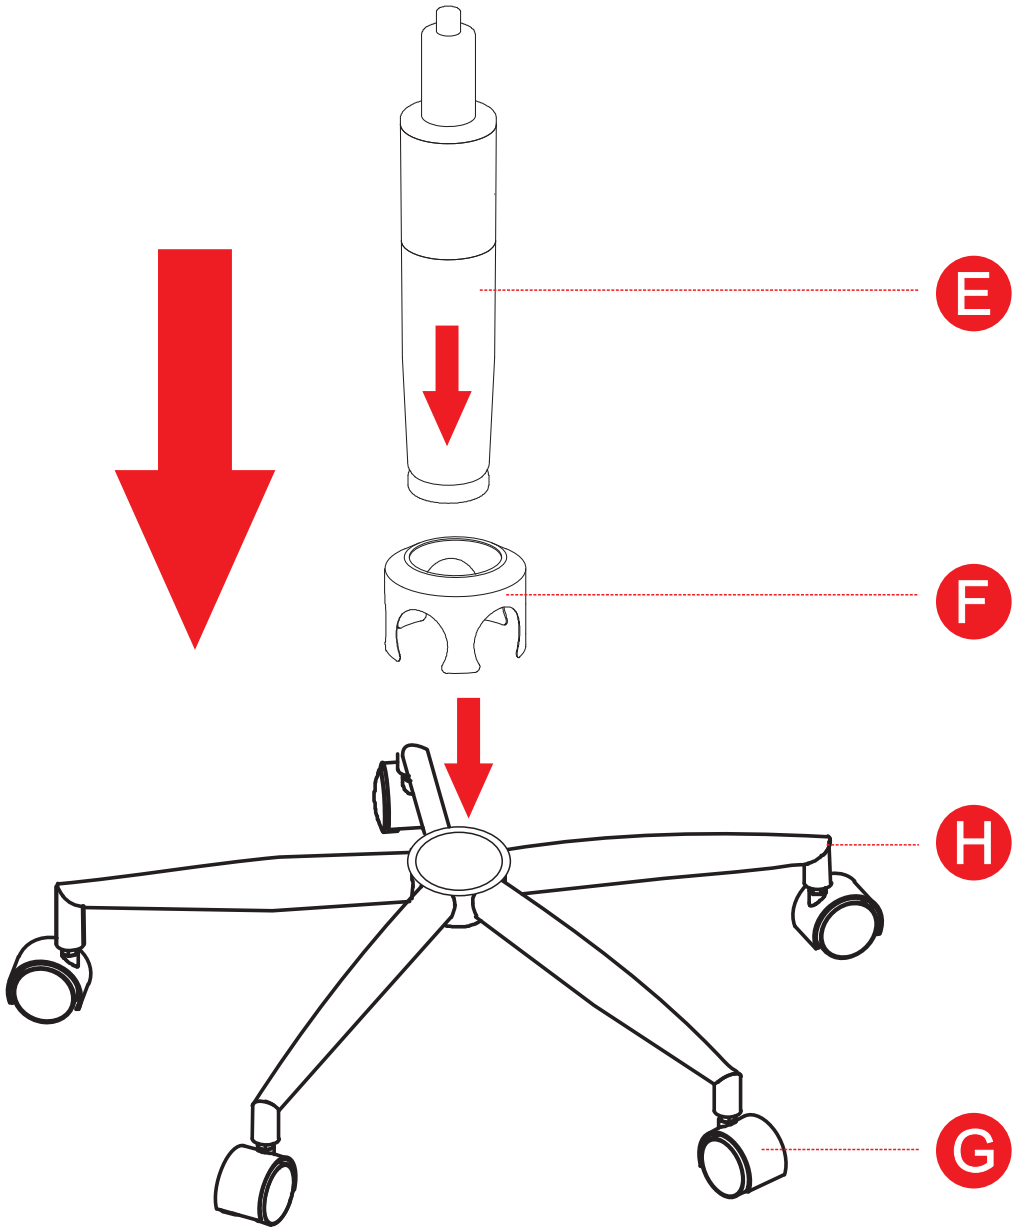

Step 1

Please flip part H over and place it on a clean cloth, then align wheel G with the hole and push it in firmly.

Step 2

Align the gas lift E and the five-claw F with the part H that already has the wheel installed, and insert them into the holes one by one.

Step 3

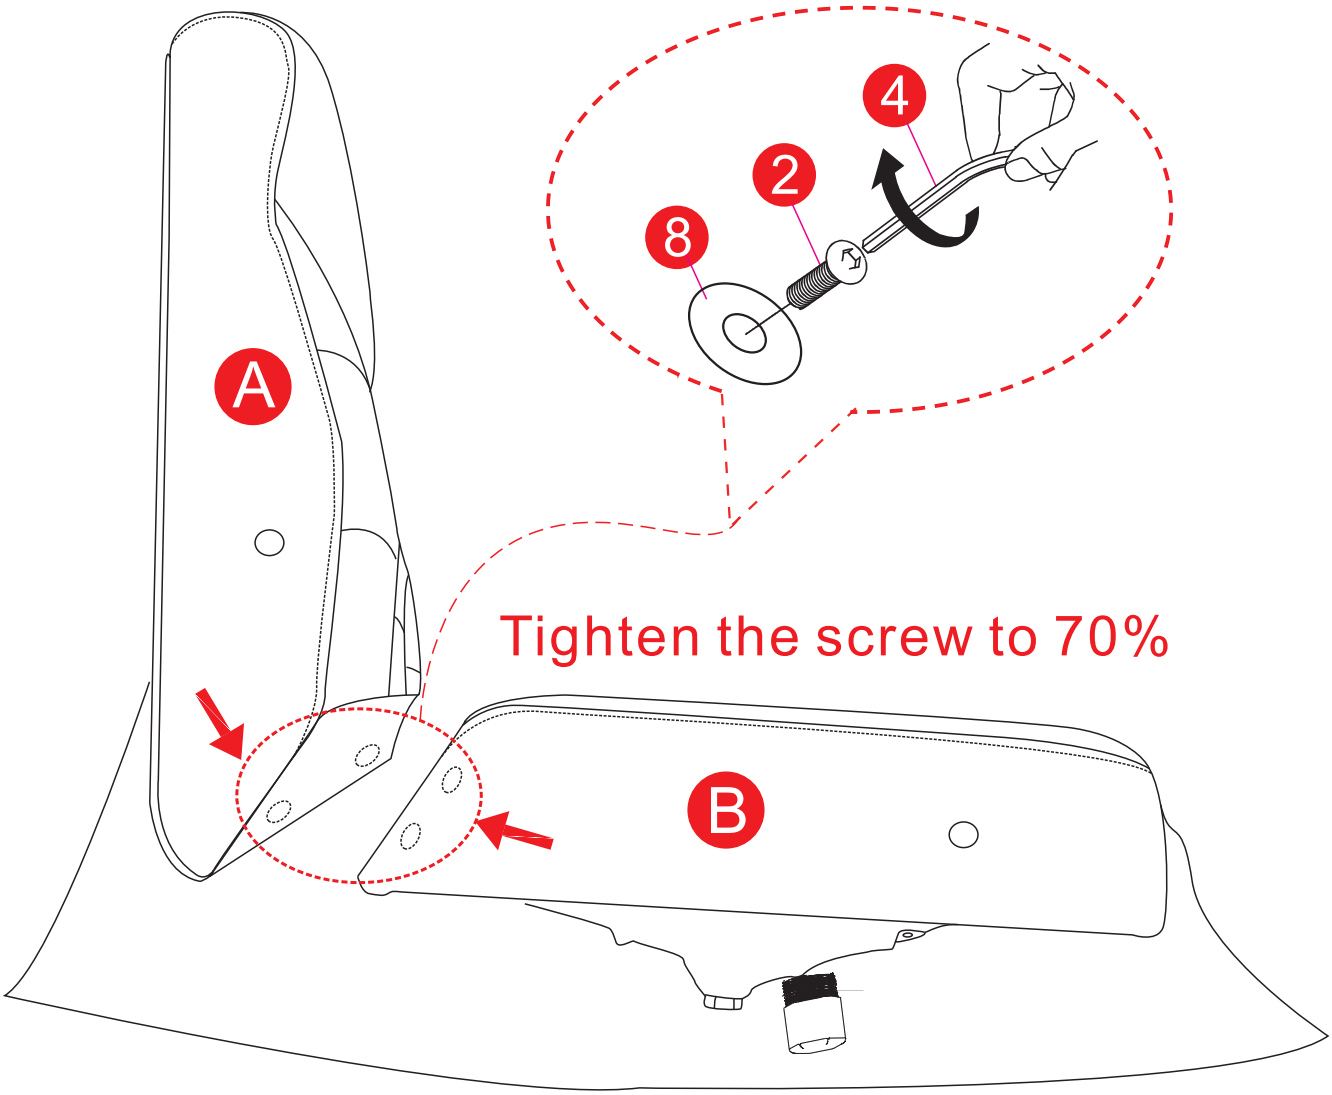

First, flip cushion B over and place it on a clean cloth, then position tray D according to the holes, and use screw 1, spring 6, and washer 4 in order to tighten it.
