

SOLIDTECH - 2 YEAR WARRANTY

The 2 year warranty covers all defects in materials and from the date on which the owner originally purchased the product. This warranty is valid for the original owner only.

This warranty does not apply to cases in which a product was incorrectly installed, nor to damage due to negligence, misuse, thermal shocks, cigarettes, flames, or other accidents.

Any transformation or alteration made to a CANTRIO product automatically voids the warranty.

The manufactures warranty is limited to repair or replacement (with a product of equal value) provided the claim is made directly to CANTRIO within the warranty period. Labor costs and any other expenses incurred by replacement of a CANTRIO product are not covered by the warranty.
