Base Type: E12

Light Source Included: NO

Voltage: 120VAC

Wattage: 40W

Package includes

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

1-2. Thread the wires through the rod, then screw the rod to the light fixture. (The length of the rod is adjustable.)

3. Thread the wires through the canopy and universal joint assembly, then screw the universal joint tightly onto the rod. (This allows for installation on sloped ceilings.)

4. Secure the mounting plate to the junction box with screws.

5. Use wire nuts to connect the wires from the fixture to the wires from the junction box:

The live wire (black or labeled "L") from the fixture to live wire (L) from power source.

The neutral wire (white or labeled "N") from the fixture to neutral wire (N) from power source.

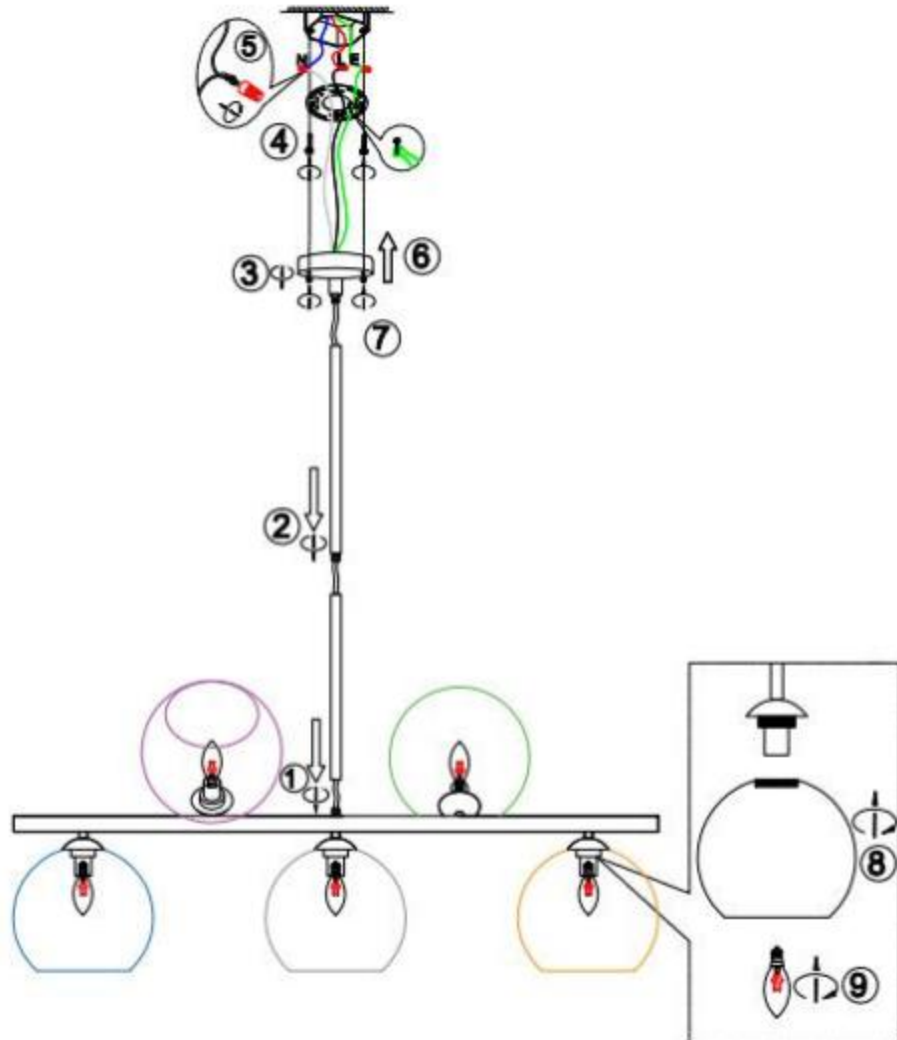

The ground wire (green or bare copper wire) to the household ground wire, and secure the ground wire from the fixture and the external ground wire to the mounting plate with a green screw.

Ensure that no bare wires are exposed to prevent electrical leakage.

6-7. Attach the canopy to the mounting plate then secure it with the decorative nut.

8. Put the glass shade onto the socket, then screw them with the socket ring.

9. Install the light bulb (bulb not included).

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
