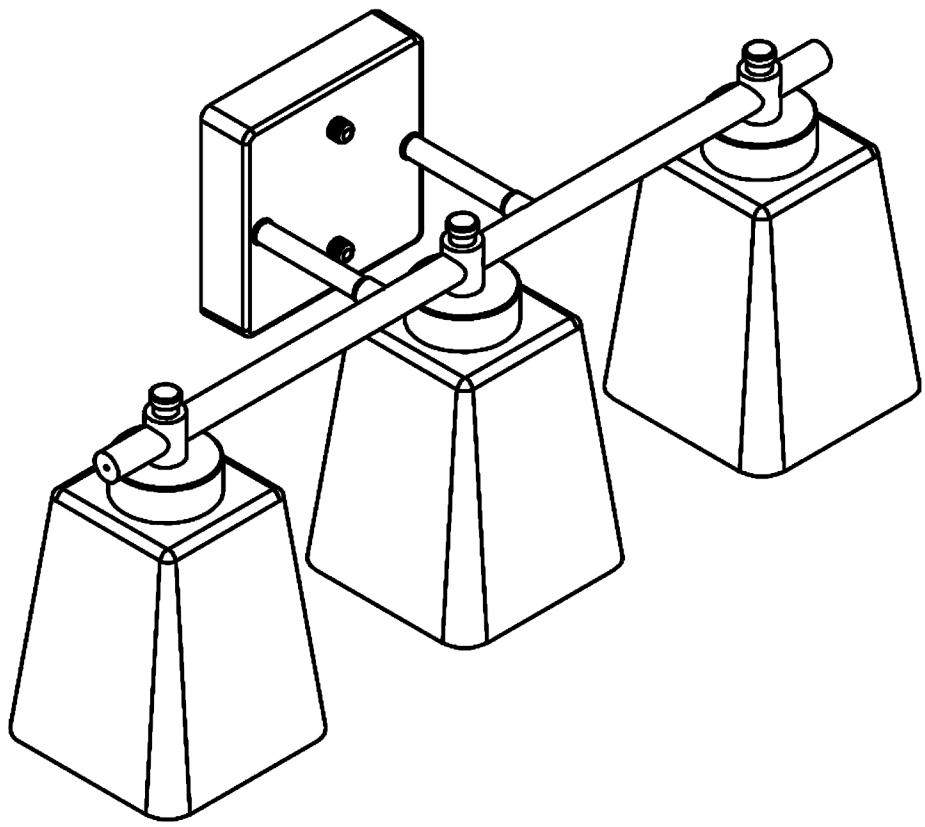
INSTALLATION SHEET

LED Modern Vanity Light



NOTE:

* Make sure POWER is COMPLETELY OFF at the fuse box
* Have your fixture installed by a qualified licensed electrician
* Prepare everything in a clear area
* Wear gloves at all time during this installation
* Read instructions carefully before you start assembly
* Keep this installation sheet for future reference

Installation Instructions

1. Remove fixture from its original package.
2. Separate mounting palate from fixture body by removing canopy screws.
3. Attach mounting plate to electrical junction box using screws provided in hardware package.
4. Secure mounting plate to mounting surface with additional screws.
5. Make proper electrical connections (black to hot "L", white to neutral "N", ground to "GND") with wire nuts provided in hardware package.
6. Attach mounting plate to holes on fixture body, and then attach using cannopy screws.
